Chariot Victor Publishing

Love on a Two-Way Street

Simon and Schuster **In the bestselling tradition of E. Lynn Harris, a gripping novel about a group of high-powered millionaires who each harbor a surprising secret about their sexuality.**

A Two Way Street

The Institutional Dynamics of the Modern Administrative State

University of Pittsburgh Pre **One of the central questions of political science has been whether politicians control the bureaucracy, or whether the bureaucracy possesses independent authority from democratic institutions of government. Relying on advanced statistical techniques and case studies, George Krause argues instead for a dynamic system of influence—one allowing for two-way interaction among the president, congress, and bureaucratic agencies. Krause argues that politicians and those responsible for implementing policy respond not only to each other, but also to events and conditions within each government institution as well as to the larger policy environment. His analysis and conclusions will challenge conventional theoretical and empirical wisdom in the field of administrative politics and public bureaucracy.**

Two-way Street

Simon and Schuster **there are two sides to every breakup. This is Jordan and Courtney, totally in love. Sure, they were an unlikely high school couple. But they clicked; it worked. They're even going to the same college, and driving cross-country together for orientation. Then Jordan dumps Courtney -- for a girl he met on the Internet. It's too late to change plans, so the road trip is on. Courtney's heartbroken, but figures she can tough it out for a few days. La la la -- this is Courtney pretending not to care. But in a strange twist, Jordan cares. A lot. Turns out, he's got a secret or two that he's not telling Courtney. And it has everything to do with why they broke up, why they can't get back together, and how, in spite of it all, this couple is destined for each other.**

Parenting: A Two-Way Street

Let's rediscover the "how" in parenting together!

Notion Press We cannot communicate without listening. We cannot teach without being receptive to learning. We cannot expect to be understood without understanding others. We cannot be a parent without a child. When every meaningful creation is two-sided, how can we command the attention and interest of our child with a one-dimensional approach? If we want to build a positive, long-lasting relationship with our child and enjoy the parenting journey together, then it must be a two-way street. Parenting: A Two-Way Street is not about what is right or wrong in parenting. It is about acknowledging the complexity in parenting and attempting to navigate this complexity while creating some memorable moments along the way. Parenting: A Two Way Street is an engaging read; this book doesn't give solutions to your parenting issues, but if you want to know whether you are asking the right questions to yourself and about your little ones, then this book is a conversation starter! Surendran, founder & CEO Success Gyan 16 bedtime stories for children 8 articles by Industry Experts, and numerous activities for the entire family!

Living on a two Way Street in the System

Xlibris Corporation This book is written to help students who are facing challenges in their lives succeed in the school system. Students gaining insights from peers, were important outcomes linked to how to become leaders. I believe it was accomplished by creating an atmosphere where students can dream, believe, and be energized in learning. In knowing the dynamics about me that only can be given by God that had a personal relationship in building confidence to convince my students that He will make a way out of no way in their lives. The process for writing has been challenging but I know that God gave me a vision that inspired me. He drove me to do the things by accepting and inspiring me to bring people closer to Him. God placed me in this place to be a role model. I have spent nearly twenty years of my life being a leader. Leadership creates change in students to believe in taking chances that could change their lives. Students witnessed some dynamic gifts of confidence in me convincing them that God would make a way. A result of this gift gave me the capability to encourage my students to become leaders. Ultimately, the core role of an educator is just like what my pastor said to me that, "God set me apart to be a leader and make life better for someone else."

Pleasure is a Two Way Street

The Couples Interactive Guide to Keeping the Bedroom Spicy

It's no secret that balancing love and life can be difficult. Have you struggled with keeping your relationship a priority in the midst of navigating through the highs and lows of life? We've created this book as a guide to keep the bedroom hot and steamy for our couples with a reminder that pleasure is indeed a two way street. It is important that in and outside the bedroom, you and your partner are pleased. This leads to an overall healthy relationship. We dive into some tips and tricks, healthy bedroom exercises and advice to ensure that you are not only making time for the bedroom but enjoying it as well. This book is for couples of all kind whether you have a healthy bedroom or a bedroom life that can use some help, there's sure some great "takes" in this good read for you. While the focus of "Pleasure is a Two Way Street" in the bedroom, the information enclosed in this book will help far beyond the bedroom. We recommend grabbing your partner and reading this one together. Once you finish, you'll be eager to implement some of our recommendations!

Safety at Street Works and Road Works

A Code of Practice

This publication sets out the statutory requirements for signing, lighting, and guarding at street works and road works. This is the core reference manual for utility companies, local authorities, street work contractors and others whose day-to-day business involves street works (works by statutory undertakers and other utility companies etc) and road works (works to maintain or repair road infrastructure). The code, which covers all of the UK and includes national variations, is now compulsory for highway/road authorities in England, Wales and Northern Ireland. It applies to all single carriageway roads and dual carriageways with a speed limit of 40 mph or less. The code is now divided into three parts: Basic Principles, Operations, and Equipment and Vehicles; site layout diagrams have been redrawn to make them easier to understand. There is: increased emphasis on using risk assessment and guidance on what to consider in such assessments; strengthened guidance on providing for pedestrians and cyclists and new guidance on traffic control measures related to road closures, one-way working and temporary road obstructions; enhanced advice on other traffic control measures including works near tramways and railways, and mobile/short duration works; and updated advice on high visibility clothing and the signing and conspicuity requirements for work vehicles. Effective from 1 October 2014 when it will supersede the 2001 edition (ISBN 9780115519581).

Right of Way

Simon and Schuster Told in their separate voices, seventeen-year-old Peyton convinces eighteen-year-old Jace to drive her from a Florida wedding toward her Connecticut home with the intention of staying in North Carolina rather than face her parents' marital and financial problems, while both avoid the obvious attraction they have felt since they met at Christmas.

Three-way Street

Strategic Reciprocity in World Politics

University of Chicago Press How can the world's most powerful nations cooperate despite their conflicting interests? In *Three-Way Street*, Joshua S. Goldstein and John R. Freeman analyze the complex intersection defined by relations among the United States, the Soviet Union, and China over the past forty years. The authors demonstrate that three major schools of international relations theory--all game-theoretic, psychological, and quantitative-empirical approaches--have all advocated a strategy that employs cooperative initiatives and reciprocal responses in order to elicit cooperation from other countries. Critics have questioned whether such approaches can model how countries actually behave, but Goldstein and Freeman provide a wealth of detailed empirical evidence showing the existence and effectiveness of strategic reciprocity among the three countries between 1948 and 1989. Specifically, they establish that relations among the three countries have improved in recent decades through a "two steps forward, one step back" pattern. Their innovative and remarkably accessible synthesis of leading theoretical perspectives brilliantly illuminates the nature and workings of international cooperation.

One-Way Street

And Other Writings

Verso Books A classic collection of Walter Benjamin's essays, including some of his most celebrated writing *Walter Benjamin is one of the most fascinating and enigmatic intellectual figures of this century. Not only was he a thinker who made an enormous impact with his critical and philosophical writings, he shattered disciplinary and stylistic conventions. This collection, introduced by Susan Sontag, contains the most representative and illuminating selection of his work over a twenty-year period, and thus does full justice to the richness and the multi-dimensional nature of his thought. Included in these pages are aphorisms and townscapes, esoteric meditation and reminiscences of childhood, and reflections on language, psychology, aesthetics and politics.*

Finding A Voice

Friendship is a Two-Way Street ...

The O'Brien Press Shortlisted for the Bookseller YA Prize 2015! Jo could never have guessed that the friendship she so desperately craves would come in the shape of a severely disabled boy. He can't even speak. Maybe it is because he can't speak that she finds herself telling him how difficult it is living with her eccentric, mentally fragile mother. Behind Chris' lopsided grin and gigantic blue wheelchair is a real person — with a sense of humour, a tremendous stubborn streak and a secret he has kept from everyone. For a while it seems life may actually get better. But as Jo finds out just how terrible life is for Chris, and as her own life spirals out of control, she becomes desperate to change things for both of them. In a dramatic turn of events, Jo makes a decision that could end in tragedy. This is the story of how an unusual friendship unlocks the words that neither knew they had.

Love on a Two-Way Street

A Novel

AuthorHouse Angel and Rusty are back! And so is the rest of the family - along with some new members we've never met or wish we hadn't. They also run into some problems they may or may not be able to fix this time. Even if Mama and Cille are praying, it might not be enough to pull them through. If that's not enough, Janey's Mother, Janet is stirring up trouble again. If *You Don't Know Me by Now* started us off with Angel and Rusty dating and we find out if they get married in *Love Don't Love Nobody* - the second in the series. Now, we follow it with *Love on a Two Way Street*, this third book in the Trilogy is a true page turner! Each chapter has a life of its own and tells its own story. The reader will laugh, cry and talk out loud as the saga unfolds following the lives of the Alexander Family again. Cheryl Ward has taken it over the top! Be sure to get your coffee, tea or wine, a spot on the sofa and a blanket, because you will not want to put this book down.

A Companion to Federico Fellini

John Wiley & Sons A groundbreaking academic treatment of Fellini, provides new, expansive, and diverse perspectives on his films and influence. The Wiley Blackwell Companion to Federico Fellini presents new methodologies and fresh insights for encountering, appreciating, and contextualizing the director's films in the 21st century. A milestone in Fellini scholarship, this volume provides contributions by leading scholars, intellectuals, and filmmakers, as well as insights from collaborators and associates of the Italian director. Scholarly yet readable essays explore the fundamental aspects of Fellini's works while addressing their contemporary relevance in contexts ranging from politics and the environment to gender, race, and sexual orientation. As the centennial of Federico Fellini's birth in approaches in 2020, this timely work provides new readings of Fellini's films and illustrates Fellini's importance as a filmmaker, artist, and major cultural figure. The text explores topics such as Fellini's early cinematic experience, recurring themes and patterns in his films, his collaborations and influences, and his unique forms of cinematic expression. In a series of "Short Takes" sections, contributors look at specific films that have particular significance or personal relevance. Destined to become the standard research tool for Fellini studies, this volume: Offers new theoretical frameworks, encounters, critiques, and interpretations of Fellini's work. Discusses Fellini's creativity outside of filmmaking, such as his graphic art and his *Book of Dreams* published after his death. Examines Fellini's influence on artists not only in the English-speaking world but in places such as Turkey, Japan, South Asia, Russia, Cuba, North Africa. Demonstrates the interrelationship between Fellini's work and visual art, literature, fashion, marketing, and many other dimensions of both popular and high culture. Features personal testimonies from family, friends and associates of Fellini such as Francesca Fabbri Fellini, Gianfranco Angelucci, Valeria Ciangottini, and Lina Wertmüller. Includes an extensive appendix of freely accessible archival resources on Fellini's work. The Wiley Blackwell Companion to Federico Fellini is an indispensable resource for students, instructors, and scholars of Fellini, Italian cinema, cinema and art history, and all areas of film and media studies.

An Introduction to the Use of Portable Vehicular Signals

The Challenge Of Local Feminisms

Women's Movements In Global Perspective

Routledge This pathbreaking book provides for the first time an overview of the genesis, growth, gains, and dilemmas of women's movements worldwide. Unlike most of the literature, which focuses on the industrialized Western world, this volume devotes greater attention to the postcolonial states of Asia, Africa, and Latin America. The book challenges the assumptions that feminism can transcend national differences and, conversely, that women's movements are shaped and circumscribed by national levels of development. All the authors reject the notion, proposed by its detractors and champions alike, that feminism is of middle-class origins and Western inspiration. Instead they seek to locate women's movements within the terrain from which they emerge. Virtually all the authors are from the countries or communities about which they write the few exceptions are women who have spent lengthy periods studying and living in the region. Most are scholars, often in women's studies, and many are closely associated with the movements they describe. Thus, these writers share a commitment to the substantive concerns as well as the collective processes of women's movements. As a key book for the Fourth World Conference on Women in Beijing, this volume will be essential reading for anyone interested in the global scope and implications of feminism.

Climate Change Begins at Home

Life on the Two-Way Street of Global Warming

Macmillan Climate change is one of the greatest threats that humankind faces in the twenty-first century. But while government and industry fail to act, this book argues, we could all work to reduce greenhouse gas emissions by 60%, the level necessary to halt the current trend according to the Intergovernmental Panel on Climate Change. Packed with provocative case studies, calculations, and lifestyle comparisons, this entertaining and authoritative book makes the complexities of climatology tractable and challenges readers to rethink their notions of "doing their bit".

Criminal and Social Justice

SAGE ·· See Sample Chapters & Resources to download the Introduction to Criminal and Social Justice ·· `Dee Cook's new book is important, innovative and invigorating. It brings together two spheres - criminal justice and social justice - which are usually, but as she persuades us, unjustifiably kept separate intellectually and in policy and practice. Dee Cook makes a powerful case for the inter-connectedness of penal policy and social policy, bringing together concepts from the two spheres such as social exclusion, citizenship, and human rights. Her innovative approach brings insightful theoretical analysis together with two extended case studies - differential treatment of tax fraud and benefit fraud, and the "third way" politics of New Labour. This book will make it much more difficult for students, policy-makers and criminal justice practitioners to ignore the social context in which penal policy evolves and is implemented' - Professor Barbara Hudson, University of Central Lancashire `This is an accessible and lively critical account of the inter-relationship between social and criminal justice in New Labour Britain. It should engage students on a range of programmes, particularly social policy, criminology and sociology' - Ruth Lister, Professor of Social Policy, Loughborough University `A cogent demonstration that criminal justice cannot be achieved in the absence of social justice. There is a blistering but thoroughly informed critique of New Labour's failure to narrow this "justice gap". Let's hope the carefully reasoned but impassioned arguments about how to get really tough on the causes of crime and injustice get the attention they deserve' - Robert Reiner, Professor of Criminology, London School of Economics and Political Science Criminal and Social Justice provides an important insight into the relationship between social inequality, crime and criminalisation. In this accessible and innovative account, Dee Cook examines the nature of the relationship between criminal and social justice - both in theory and in practice. Current social, economic, political and cultural considerations are brought to bear, and contemporary examples are used throughout to help the student to consider this relationship. The book is essential reading for students and researchers in criminology, social policy, social work and sociology. It is also relevant to practitioners in statutory, voluntary and community sector organisations.

A Shining Affliction

A Story of Harm and Healing in Psychotherapy

Penguin "Soars into sublime meditation...what makes this book so extraordinary is her willingness to reveal exactly what goes on in the sometimes mysterious encounter between therapist and patient."—The Los Angeles Times. A moving account of a true-life double healing through psychotherapy. In this brave, iconoclastic, and utterly unique book, psychotherapist Annie Rogers chronicles her remarkable bond with Ben, a severely disturbed five-year-old. Orphaned, fostered, neglected, and forgotten in a household fire, Ben finally begins to respond to Annie in their intricate and revealing platonic therapy. But as Ben begins to explore the trauma of his past, Annie finds herself being drawn downward into her own mental anguish. Catastrophically failed by her own therapist, she is hospitalized with a breakdown that renders her unable to speak. Then she and her gifted new analyst must uncover where her story of childhood terror overlaps with Ben's, and learn how she can complete her work with the child by creating a new story

from the old—one that ultimately heals them both.

On the Down Low

A Journey Into the Lives of Straight Black Men Who Sleep With Men

Harmony A bold exposé of the controversial secret that has potentially dire consequences in many African American communities Delivering the first frank and thorough investigation of life “on the down low” (the DL), J. L. King exposes a closeted culture of sex between black men who lead “straight” lives. King explores his own past as a DL man, and the path that led him to let go of the lies and bring forth a message that can promote emotional healing and open discussions about relationships, sex, sexuality, and health in the black community. Providing a long-overdue wake-up call, J. L. King bravely puts the spotlight on a topic that has until now remained dangerously taboo. Drawn from hundreds of interviews, statistics, and the author’s firsthand knowledge of DL behavior, *On the Down Low* reveals the warning signs African American women need to know. King also discusses the potential health consequences of having unprotected sex, as African American women represent an alarming 64 percent of new HIV infections. Volatile yet vital, *On the Down Low* is sure to be one of the most talked-about books of the year. “A survey by the Centers for Disease Control in Atlanta found that nearly a quarter of black HIV-positive men who had sex with men consider themselves heterosexual.” —Essence

Discovering the Rewards of Mentoring

Who needs a mentor? We pose a bigger, better question: Who doesn't need a mentor? We all know that mentoring provides help early in a career, but effective mentoring can happen at every career stage, across time zones and even international borders, and over many years. Mentors and mentees in academia and other fields of endeavor need the tools to develop and maintain these critical relationships They need the skills to address important workplace issues such as appropriate behavior, generational differences, and justice, equity, diversity, and inclusion. Wherever and however good mentoring happens, it's always a two-way street, an opportunity for both mentor and mentee to learn and grow.

End of the Road

Reimagining the Street As the Heart of the City

Policy Press Since the earliest days of civilization, streets have played an important role in shaping society - but what is a street? Is it a living ecosystem, a public space, a social space, an economic space or a combination of these? The focus on automotive travel over the past century has changed the role of streets in cities. This has degraded the quality of urban life and contributed to public health issues. This book offers a unique look at streets as locations that can evolve to support the economic, social, cultural and natural aspects of cities. Using modern urban design examples, it challenges readers to focus not only on the livability and travel benefits of roads, but on how the power of streets can be harnessed. In so doing, it shapes more dynamic spaces for walking, biking and living, and aims to stimulate urban vitality and community regeneration, encouraging policymakers and individuals to make changes in their own communities.

You're Hired! CV

How to Write a Brilliant CV

My Brown Baby

On the Joys and Challenges of Raising African American Children

[Denene Millner Books/Simon & Schuster Books for Young Readers](#) **From noted parenting expert and New York Times bestselling author Denene Millner comes the definitive book about parenting African American children. For over a decade, national parenting expert and bestselling author Denene Millner has published thought-provoking, insightful, and wickedly funny commentary about motherhood on her critically acclaimed website, MyBrownBaby.com. The site, hailed a "must-read" by The New York Times, speaks to the experiences, joys, fears, and triumphs of African American motherhood. After publishing almost 2,000 posts aimed at lifting the voices of parents of color, Millner has now curated a collection of the website's most important and insightful essays offering perspectives on issues from birthing while Black to negotiating discipline to preparing children for racism. Full of essays that readers of all backgrounds will find provocative, My Brown Baby acknowledges that there absolutely are issues that Black parents must deal with that white parents never have to confront if they're not raising brown children. This book chronicles these differences with open arms, a lot of love, and the deep belief that though we may come from separate places and have different backgrounds, all parents want the same things for our families—and especially for our children.**

Love is a Two-way Street

The Emotional Life of Your Brain

How Its Unique Patterns Affect the Way You Think, Feel, and Live - and How You Can Change Them

[Hachette UK](#) **This groundbreaking book by a pioneer in neuroscience brings a new understanding of our emotions - why each of us responds so differently to the same life events and what we can do to change and improve our emotional lives. If you believe most self-help books, you would probably assume that we are all affected in the same way by events like grief or falling in love or being jilted and that only one process can help us handle them successfully. From thirty years of studying brain chemistry, Davidson shows just why and how we are all so different. Just as we all have our own DNA, so we each have our own emotional 'style' depending on our individual levels of dimensions like resilience, attention and self-awareness. Helping us to recognise our own emotional style, Davidson also shows how our brain patterns can change over our lives - and, through his fascinating experiments, what we can do to improve our emotional responses through, for example, meditation. Deepening our understanding of the mind-body connection - as well as conditions like autism and depression - Davidson stretches beyond mainstream psychology and neuroscience and expands our view of what it means to be human.**
