American Scream

Allen Ginsberg's Howl and the Making of the Beat Generation

Univ of California Press **Written as a cultural weapon and a call to arms, Howl touched a raw nerve in Cold War America and has been controversial from the day it was first read aloud nearly fifty years ago. This first full critical and historical study of Howl brilliantly elucidates the nexus of politics and literature in which it was written and gives striking new portraits of Allen Ginsberg, Jack Kerouac, and William Burroughs. Drawing from newly released psychiatric reports on Ginsberg, from interviews with his psychiatrist, Dr. Philip Hicks, and from the poet's journals, American Scream shows how Howl brought Ginsberg and the world out of the closet of a repressive society. It also gives the first full accounting of the literary figures—Eliot, Rimbaud, and Whitman—who influenced Howl, definitively placing it in the tradition of twentieth-century American poetry for the first time. As he follows the genesis and the evolution of Howl, Jonah Raskin constructs a vivid picture of a poet and an era. He illuminates the development of Beat poetry in New York and San Francisco in the 1950s-- focusing on historic occasions such as the first reading of Howl at Six Gallery in San Francisco in 1955 and the obscenity trial over the poem's**

publication. He looks closely at Ginsberg's life, including his relationships with his parents, friends, and mentors, while he was writing the poem and uses this material to illuminate the themes of madness, nakedness, and secrecy that pervade *Howl*. A captivating look at the cultural climate of the Cold War and at a great American poet, *American Scream* finally tells the full story of *Howl*—a rousing manifesto for a generation and a classic of twentieth-century literature.

Howl

When big feelings come, do you ever feel like howling at the moon? Maggie does. *Howl* is an empowering story of a young girl's self-expression. Maggie has had a very bad day. First of all, the sun was the wrong shape, in a sky that was too blue. The spaghetti was too long, and her pyjamas were the wrong kind of pyjama. Then Maggie begins to have wolfish thoughts ...

Making Him Howl

Adara Anderson **A tough, capable tigress, Amara Moretto has a problem. Someone is stalking her, leaving her notes, and breaking into her office. Fiercely independent, she hates to admit she may be out of her depth. Even worse, her parents have decided it's time she got mated and settled down with a tiger from a good family. Not going to happen. Amara is the wild child rebel, and no way is she ever settling down with anyone, let alone someone her snobbish parents deem acceptable. Wolf shifter Kane Conway's life has just collapsed. An assignment at the Shifter Agency went**

badly wrong, leaving his partner dead, his confidence shaken, and now he's just been fired. Could his life get any crazier? A temporary job working as a bodyguard should keep him out of trouble for a while. He just wasn't expecting to find himself protecting his mate. Kane's new job is a little trickier than he expected. Can he keep his mate safe while persuading her to take a chance on him?

Howl

A Graphic Novel

Penguin Modern Classics **Beat movement icon and visionary poet, Allen Ginsberg was one of the most influential poets of the twentieth century, and broke boundaries with his fearless, pyrotechnic verse. The apocalyptic 'Howl', originally written as a performance piece, became the subject of an obscenity trial when it was first published in 1956. It is considered to be one of the defining works of the Beat Generation, standing alongside that of Burroughs, Kerouac, and Corso. In it, Ginsberg attacks what he saw as the destructive forces of materialism and conformity in the United States at the time, and takes on issues of sex, drugs and race, simultaneously creating what would become the poetic anthem for US counterculture.**

Howl of Woman and Wolf

Torrey House Press "Enormously personal and perceptive." —BOOKLIST
Commemorating the twentieth anniversary of the reintroduction of wolves to the American West, *Howl* follows Susan Imhoff Bird's exploration into the passions and controversies surrounding nature's most fascinating predator. At a crossroads in her own life, Bird travels around the West, talking with wolf watchers, landowners, wildlife managers, conservationists, and hunters about their understandings of what matters most, which almost always is their connection with the natural world. However, the often-conflicting issues raised by hunters, ranchers, and politicians prompt Bird's personal examination of wolf science, myths, and ethics, culminating in her conviction that wolves must be allowed to recover and thrive on our lands. Along the way, Bird begins to unleash her own wild nature, learning to howl and inviting us to do the same. SUSAN IMHOFF BIRD finds inspiration in Utah's canyons, valleys, and water-sculpted rock. She can often be found on her bicycle or snowshoes, absorbing the wisdom of the natural world. Bird lives in Salt Lake City, Utah.
