## Srimada Bhagavad Gita for Beginners

*J.D. Rockefeller The Bhagavad Gita is a Hindu scripture written in Sanskrit language. It was written as part of the Hindu epic Mahabharata by sage Ved Vyas. His full name was Krishna Dvaipayana Vyasa. The scripture contains 700 verses that talk about various spiritual issues that you may come across in your life and that help in achieving liberation. Gita means song and the word Bhagavada means God. Together the words mean Song of the Lord. So, the Bhagavada Gita is basically the song of the Lord. Here Lord refers to the Hindu God Krishna. The word Srimada is often added at the beginning of the name as a matter of respect since Hindus believe that when you read the Gita the essence of all spiritual knowledge is revealed to you. Hindus believe that the Gita was originally spoken by Lord Krishna in the holy land of Kurukshetra, the place where the Mahabharata war was fought between the Pandavas and the Kauravas. Set in a narrative framework, the Gita is a dialogue between the Pandava prince, Arjun and Lord Krishna, who was his charioteer during this war. If you are interested to learn about life, God, creation, birth and death, Karma, the undying soul, salvation, and the real purpose of human existence, Gita can be one of the best scriptures to satisfy all your spiritual queries. Furthermore, it is written in such a melodious and harmonic rhyming meter that it can be a wonderful read for anyone who loves a good read. In this book, we will take a look at the story behind the Gita and also discuss some of the key themes presented in this Hindu scripture.*

## The Gita For Children

*Hachette UK It's one of the oldest books in the world and India's biggest blockbuster bestseller! - But isn't it meant only for religious old people? - But isn't it very long... and, erm, super difficult to read? - But isn't the stuff it talks about way too complex for regular folks to understand? Prepare to be surprised. Roopa Pai's spirited, one-of-a-kind retelling of the epic conversation between Pandava prince Arjuna and his mentor and friend Krishna busts these and other such myths about the Bhagavad Gita. Lucid, thought-provoking and brimming with fun trivia, this book will stay with you long after you have turned the last page. Why haven't you read it yet?*

## Bhagavad Gita As Viewed By Swami Vivekananda

*Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math) Swami Vivekananda's views on the Bhagavad Gita are scattered throughout 'The Complete Works of Swami Vivekananda' published in nine volumes. The present book, published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is an extensive compilation of these insightful views of Swami Vivekananda on this sacred scripture of the Hindus. The reader is, as it were, taken through several verses of the Gita along with the Swami's elevating and soul-stirring commentary. Note: This book has embedded fonts to display the verses in Devanagari. You may have to use the 'Original' Font option in Google Play Books app. "... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the Gita. According to him, the Gita was 'practical Vedanta'. He demonstrated this through his life. Reading through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him always, one cannot do better than carry a copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441 published by Sri Ramakrishna Math, Chennai. As of February 2017, the print book has undergone seven reprints and more than 27,000 copies have been sold.*

### Easy Bhagavad Gita

### A Translation in Simple English

*Easy Bhagavad Gita : A Translation in Simple English Bhagavad Gita is one of the most celebrated sacred scriptures in Hinduism. More appropriately, someone can say, the Bhagavad Gita a small part of the vast Hindu scripture Mahabharata. It is the ultimate knowledge that was delivered to Arjuna just before the start of Mahabharata war by lord Krishna. It consists eighteen chapters and seven hundred verses in total. Each chapter has its own essence. If someone can consume the full knowledge of Bhagavad Gita, and leads his life accordingly, no doubt, his life will be easier than before. It is the key of ultimate success in life. There are numerous other translations also available in the market. But there is a problem. Since, it was originally written in an obsolete language Sanskrit, other authors tried to translate it maintaining the exact grammar and exact depiction of English words from Sanskrit. As a result, it becomes very difficult to understand for common people. The same is true when you try to read Bhagavad Gita in your mother language also. Thus, the final result is that you are able to half understand this book, and other half remain beyond your realization. This translation is made very easy way in English language, so that even children can understand it. This book is written in a story telling way, thus you will not feel any pressure in your mind while reading it, and you will be able to understand the whole book perhaps for the first time. This book is even easier than those translations in your mother language. Moreover, this book is not only a religious book. It is a philosophy of life which is needed to know everyone in the world irrespective to his religion. The Bhagavad Gita has the answers to the following questions: How to do a work efficiently? Why do people suffer in their lives? How to get escape from the sufferings in life? How to control your mind? How to concentrate your mind in any subject? How to achieve liberation? How to gain knowledge? What is the ultimate goal in life? How to lead a happy and peaceful life? How to get satisfaction in life? How to attain success? How to become a good human being? And there are many more solutions for your life that you are searching for. I hope you will become a different person when you will finish this book.*

Chapter introductions, notes, and a glossary help readers understand the book's message. Most importantly, this translation uses simple, clear language to impart the poetry, universality, and timelessness of the Gita's teachings.*

## Amazing Secrets of the Bhagavad Gita

## Bhagavad Gita

## The Beloved Lord's Secret Love Song

*Harper Collins The Bhagavad Gita is often regarded as the Bible of India. With a gripping story and deeply compelling message, it is unquestionably one of the most popular sacred texts of Asia and, along with the Bible and the Qur'an, one of the most important holy scriptures in the world. Part of an ancient Hindu epic poem, the dialogue of the Bhagavad Gita takes place on a battlefield, where a war for the possession of a North Indian kingdom is about to ensue between two noble families related by blood. The epic's hero, young Prince Arjuna, is torn between his duty as a warrior and his revulsion at the thought of his brothers and cousins killing each other over control of the realm. Frozen by this ethical dilemma, he debates the big questions of life and death with the supreme Hindu deity Krishna, cleverly disguised as his charioteer. By the end of the story, Eastern beliefs about mortality and reincarnation, the vision and practice of yoga, the Indian social order and its responsibilities, family loyalty, spiritual knowledge, and the loftiest pursuits of the human heart are explored in depth. Explaining the very purpose of life and existence, this classic has stood the test of twenty-three centuries. It is presented here in a thoroughly accurate, illuminating, and beautiful translation that is sure to become the standard for our day.*
