Military Career Guide New Guide for Occupational Exploration Linking Interests, Learning, and Careers Jist Works The New Guide for Occupational Exploration gives you a feel for specific careers and whether they match your interests. It begins by asking you to identify your interest level in 16 Interest Areas. You then examine Work Groups of jobs within the cluster to identify types of careers that interest you most. Finally, specific jobs are listed within those Work Groups. The process is simple, and after you narrow down your options, you are provided with loads of information for each Work Group to help you decide which jobs to explore in more detail. Book jacket.
