It is your certainly own period to appear in reviewing habit. accompanied by guides you could enjoy now is **Goddess Wet** below.

KEY=WET - NOELLE BAKER

My Wet Goddess

Lindhardt og Ringhof Woman on woman. Man on Man. Bisexuality. Flexible. Queer. Some have never questioned their homosexuality. Others are in a straight marriage with kids when suddenly their best friend makes their nipples erect, or a touch from their best mate makes their cock hard. This is a collection of erotic short stories from Cupido. The collection contains the following stories: "She stood with her husband's arm around her, but could no longer hear what he and his buddy were talking and laughing about. She just looked at her." - The Party 1 by Lone, Roskilde "Petter teased her and said they'd probably end up with both girls kissing and lesbian sex."- Love-Making Revealed by Susanne, Agder "Suddenly, one day, her desk was empty. She'd gone away and left her with wet dreams." - My Wet Goddess by Pia, Fåborg "She's not a lesbian. She didn't think she was bisexual either, but there was this friend, Catherine!" - In Good Hourglass Shape by Lara, Bergen "She'd had enough boyfriends. They weren't for her!" - First Woman by Elliott Watson Since 1984, Cupido has been publishing a weekly magazine bursting with sex stories and informative articles on sexuality and pleasure, without judging or shaming its readers. In Cupido's universe, everyone is welcome and everyone is represented. The short stories in the magazine are written by the readers themselves, and they are guaranteed to make you blush. Sex in an everyday setting becomes anything but ordinary when Cupido's readers write about it, and the result is sexy stories that breathe joy, playfulness and pleasure.

Wet Goddess

Recollections of a Dolphin Lover

In the 1970's, a hippie college student falls in love with a female dolphin.

Here you will explore a different sacred sexual practice every day for 30 days--no partner needed!

Goddesses in Ancient India

Abhinav Publications Dr. Agrawala S Present Work Largely Represents His Ph.D. Thesis (Approved By The Banaras Hindu University) In A Revised Up-To-Date Form. He Has Brought Out A Most Comprehensive And Thorough Analysis Of The Material On The Worship Of Goddesses In The Proto-Historic And Vedic Periods Of India. A Vast Amount Of Archaeological Evidence Is Carefully Sifted And Analysed By Him In A Truer Cultic Perspective As Throwing New Light On The Role Of Mother-Goddesses In The Protohistoric Cultures Ranging From Small Agricultural Communities Of Baluchistan Foothills To The Highly Developed Harappans. Dr. Agrawala Has Also Identified And Discussed In A Systematic Manner Varied Motifs And Concepts Of Fertility Cultus In The Rgveda And Later Vedic Texts Which Were Subsequently Formulated Into Definite Images, Personifications And Attributes. He Has Marshalled In A Fully Objective Treatment All Those References In The Vedic Literature That Go Now To Reveal Numerous Fresh Aspects Of This Hitherto Unexplored Subject. One Is Able Indeed To See Through The Present Work How The Rgvedic Goddesses, Mostly Abstractions, Later On Assumed Mythical Definitions In The Pantheon And How The Folk Culture Of India Exercised Its Far-Reaching Influences On Higher Priestly Religion Not Only By Contributing Its Own Share Of Goddesses But Also Through Their More Concrete Identification With The Already Existing Ones In Myths And Cult Rituals.

Buddhist Goddesses of India

[Princeton University Press](#) "*The Indian Buddhist world abounds with goddesses--voluptuous tree spirits, maternal nurturers, potent healers and protectors, transcendent wisdom figures, cosmic mothers of liberation, and dancing female Buddhas. Despite their importance in Buddhist thought and practice, these female deities have received relatively little scholarly attention, and no comprehensive study of the female pantheon has been available. Buddhist Goddesses of India is the essential and definitive guide to divinities that, as Miranda Shaw writes, "operate from transcendent planes of bliss and awareness for as long as their presence may benefit living beings."* Beautifully illustrated, the book chronicles the histories, legends, and artistic portrayals of nineteen goddesses and several related human figures and texts. Drawing on a sweeping range of material, from devotional poetry and meditation manuals to rituals and artistic images, Shaw reveals the character, powers, and practice traditions of the female divinities. Interpretations of intriguing traits such as body color, stance, hairstyle, clothing, jewelry, hand gestures, and handheld objects lend deep insight into the symbolism and roles of each goddess. In addition to being a comprehensive reference, this book traces the fascinating history of these goddesses as they evolved through the early, Mahayana, and Tantric movements in India and found a place in the pantheons of Tibet and Nepal."--Publisher's website.

Wet for Her Warriors

Wet for Her Warriors The USA Today bestselling series continues! Tait, Kellan, and Lanī's story is here, set against Kauai's lush beauty. One of them healed her heart; the other captured her soul... Tait Bommer's call-sign, T-Bomb, has never described him more accurately. When he's not pissing someone off or scaring them witless, he's now the First Special Forces Group's official loose cannon, responsible for a major screw-up on their most recent mission. His mess has earned him two weeks of mandated R and R on the shores of Kauai, where the ultimatum is clear: straighten his head or don't return to active duty. But he's such a train wreck that even his best friend, Kellan Rush, isn't happy about having to pull babysitting duty. When the guys find their vacation interrupted on by a stranger bearing nothing but a glare, a Bowie knife, and a lot of curves in a tiny bikini, they wonder if the trip hasn't been hijacked by the island spirits, because surely they've found a goddess in the dark-haired beauty who not only sees their emotional scars, but opens their spirits by slowly exposing her own soul. Therapy takes on magical new meaning when three illicit desires collide in nights of explosive passion...and their goddess's sweet submission. Neither man wants to leave their island paradise, a torment that's intensified when an old adversary threatens to steal their goddess forever and rip their friendship apart. Tait and Kellan must decide to let anger and jealousy triumph, or unite as brothers at arms for the most important mission of their lives, in the name of the greatest cause of all: saving the woman they love.

Godless Goddess

A Wiccan Adventure in Hawaii

[Mark Plimsoll, LLC](#) A divorced man vacationing in Hawaii, during the off season, thinks he's losing his mind - all the women he meets seem like witches. He doesn't realize a conference of body-mind-spirit aficionado, witches, Wiccans, mediums, spiritualist and other Magic Thinkers, meet on the Big Island of Hawaii. A couple of chance encounters with one convinces both "it was meant to be" and so he joins two beautiful young nudists on a whirlwind tour of the Big Island's charms, and learns some frightening aspects of Godless Goddesses. "Women who read romances feel worthless. Sluts watch porn and feel perfect. The bigger a man's ego, the smaller his you-know-what. Men with tiny thingees overcompensate. They become muscle builders, or drive sports cars, and indulge in risky behavior. Women see that, they nod and lower the head, raise the eyebrows, roll the eyes, and say, "I knew it, no ding-a-ling." All the two-ton, gonad-dangling ball-and-socket hitched pickups in the world can't make up for a limp spaghetti or a puckered raisin. God made a mistake; Adam's rib wasn't a boner, it was a womb. God gave man a penis and a brain, and enough blood for one. Men get excited, the blood runs south, the tongue comes out, and a doglike brain takes over. That's why a man will stick his nose where it doesn't belong, and try to bury his bone by humping your leg while dancing. Men will do anything if they think it's foreplay. My last ex-boyfriend whined "I feel insecure. I can't stop thinking that you don't need me." He came the closest to being right. I appreciate a man who tells me what he wants or needs from me, so I can tell him to learn to get along without it. If you want to give me advice, ask, and I will tell you what to say. If a man can afford me, I might tolerate him. If you love me, I will take advantage of you. If you hurt me, I will destroy you. I think, therefore I am single. I don't want to be divorced. I want to be a widow." Sincerely, Your Next Girlfriend

Wet

[Waterhouse Press LLC](#) T-Bomb, Tait Bommer's call-sign, has never described him more accurately. A loose cannon with a penchant for pissing people off, he's now responsible for a major screw-up during the First Special Forces Group's most recent mission. His mess has earned him two weeks of mandated R&R on the shores of Kauai, where the ultimatum is clear—straighten up and fly right, or don't return to active duty. But he's such a train wreck that even his best friend, Kellan Rush, isn't happy about having to pull babysitting duty. When their "vacation" is interrupted by a stranger bearing nothing but a glare, a Bowie knife, and a lot of curves in a tiny bikini, they wonder if the trip hasn't been hijacked by island spirits. Surely they've found a goddess in this dark-haired beauty who not only sees their emotional scars but opens their spirits by exposing her own soul. "Therapy" takes on new meaning when illicit desires become explosive passion...and their goddess's sweet submission. Neither man wants to leave the island paradise, a torment that's intensified when an old adversary threatens to steal their goddess—and rip their friendship apart. Will Tait and Kellan let jealousy triumph? Or will they unite as brothers at arms for the most important mission of their lives in the name of the greatest cause of all—saving the woman they love?

Dictionary of Gods and Goddesses

[Infobase Publishing](#) Presents brief entries describing the gods and goddesses from the mythology and religion of a wide variety of cultures throughout history.

Transformations and Transfer of Tantra in Asia and Beyond

[Walter de Gruyter](#) The essays in this volume, written by specialists working in the field of tantric studies, attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh century and up to the present. The volume gathers contributions on South Asia, Tibet, China, Mongolia, Japan, North America, and Western Europe. The chapters cover a wide thematic area, which includes modern Bengali tantric practitioners, tantric ritual in medieval China, the South Asian cults of the mother goddesses, the way of Buddhism into Mongolia, and countercultural echoes of contemporary tantric studies.

Hathor: The History of the Ancient Egyptian Sky Goddess and Symbolic Mother of the Pharaohs

[Independently Published](#) *Includes pictures *Includes ancient accounts *Includes online resources and a bibliography for further reading Africa may have given rise to the first human beings, and Egypt probably gave rise to the first great civilizations, which continue to fascinate modern societies across the globe nearly 5,000 years later. From the Library and Lighthouse of Alexandria to the Great Pyramid at Giza, the Ancient Egyptians produced several wonders of the world, revolutionized architecture and construction, created some of the world's first systems of mathematics and medicine, and established language and art that spread across the known world. With world-famous leaders like King Tut and Cleopatra, it's no wonder that today's world has so many Egyptologists. Today, the goddess Hathor is one of the least known deities in the ancient Egyptian pantheon, and the ancient Egyptians would surely be surprised by this fact. Hathor enjoyed a principal position among the gods of ancient Egypt for much of Egyptian history. If anything, she was ubiquitous, with several key cult centers at Dendera, Memphis, and Thebes, and she played various roles for Egyptian society. Like many Egyptian deities, Hathor took the form of animals at times. She could "become" a vulture, a cow, or a human, but she was most often depicted as the latter. She is identified in her human form by her long black hair, tied back with a filet beneath a pair of cow horns with the sun disk in between them. The presence of the disk between the horns is a clear indication of her association with the sun deity. That she wore a uraeus - the upright snake seen on the forehead of royal gods and humans - is a sign of her association with royalty, too. Whenever an ancient Egyptian deity was associated with royalty, they invariably had a connection with one of the first divine kings: Ra, Osiris, or Horus. Hathor, however, had connections with all three. In the case of her cult center at Dendera, she was not just the wet nurse or mother of Horus—as was the case later, with Isis—but she was also his consort. In this way, she became the consort of all kings and as such, garnered the characteristics of an "ideal" partner or queen. This consort of kings was also adept at magic, particularly healing magic, which would become a more predominant characteristic of Hathor in the myths in which she appeared with Horus. Aside from this more mundane role, she was also the "great cow of the heavens that gave birth to the sun" at Dendera. It was, perhaps, this great multiplicity that resulted in her losing prominence in the conscious memory of the world. Many deities in world religions often have a small coterie of

roles that could be logically spliced together to make a single, divine figure whose character can easily be described, but this is not the case for Hathor. She appears in creation stories as the principle bringing forth the universe and is similarly referred to as the great mother goddess of the sky whose symbolic tree both nourishes and nurtures. Yet she is also the alluring goddess of love whose ecstatic cult practices were born from a grotesque myth involving the floodplains of the Nile being saturated with the blood of humans she massacred. She may be difficult to sum up by a person who has grown up surrounded by the symbols of monotheism, but she is an excellent example of the multi-faceted concepts the ancient Egyptians reconciled in their religion. To understand a little more about Hathor, it will be useful to gain a better understanding of how the ancient Egyptians thought. *Hathor: The History of the Ancient Egyptian Sky Goddess and Symbolic Mother of the Pharaohs* examines the history of the deity, her characteristics, and her lasting legacy on Egypt. Along with pictures depicting important people, places, and events, you will learn about Hathor like never before.

The Wet and the Dry

Irrigation and Agricultural Intensification in Polynesia

[University of Chicago Press](#) Scholars and researchers have long believed that the ability to irrigate is crucial to the development of civilizations. In this book, archaeologist Patrick Kirch challenges this "hydraulic hypothesis" and provides a more accurate and detailed account of the role of "wet" and "dry" cultivation systems in the development of complex sociopolitical structures. Examining research on cultural adaptation and ecology in Western Polynesia and utilizing extensive data from a variety of important South Pacific sites, Kirch not only reveals how particular systems of production developed within the constraints imposed by environmental conditions, but also explores the tension that arises between contrasting productive systems with differential abilities to produce surplus. He shows that the near total neglect of short-fallow dryland cultivation, as well as arboriculture, or tree-cropping, has seriously distorted the picture that archaeologists and anthropologists have of agricultural intensification and its relation to complex social structure. This work, likely to become a classic, will be central to all future discussions of the ecology and politics of agricultural intensification.

Gods, Goddesses, and the Women Who Serve Them

[Wm. B. Eerdmans Publishing](#) A wide-ranging study of women in ancient Israelite religion. Susan Ackerman has spent her scholarly career researching underexamined aspects of the world of the Hebrew Bible—particularly those aspects pertaining to women. In this collection drawn from three decades of her work, she describes in fascinating detail the worship of goddesses in ancient Israel, the roles women played as priests and prophets, the cultic significance of queen mothers, and the Hebrew Bible's accounts of women's religious lives. Specific topics include: the "Queen of Heaven," a goddess whose worship was the object of censure in the book of Jeremiah Asherah, the great Canaanite mother goddess for whom Judean women were described as weaving in the book of Kings biblical figures considered as religious functionaries, such as Miriam, Deborah, and Zipporah the lack of women priests in ancient Israel explored against the prevalence of priestesses in the larger ancient Near Eastern world the cultic significance of queen mothers in Israel and throughout the ancient Near East Israelite women's participation in the cult of Yahweh and in the cults of various goddesses

The Lesbian Tongue Goddess (Oral BBW)

[Love Conquers All Press](#) Jessie never guesses the real reason Charlane wants to vacation at the All-Womyn Luv Goddess Beach Resort. On a remote Caribbean beach next to raw tropical rain forest jungle, this lesbian-only resort hides a divine secret, and Jessie freaks out when she discovers the Goddess wants to devour her with a giant, warm wet slick tongue - and learns to enjoy the Goddess with her body. The ordinary life satisfies Jessie. Working as a pizza delivery driver. Sharing an apartment and bed with Charlane. Eating to nourish her bountiful curves. She enjoys Charlane, and Charlane enjoys her -- but she never reaches the height of ecstasy. Never dreams she could, can, or should. Despite Charlane's love and acceptance, deep down Jessie does not appreciate herself. Her beauty and sex appeal. That her weight just gives her more curves to pleasure Charlane. More curves to feel her own pleasure with it. So Jessie hides within her shell, content to retreat from life. But Charlane wants more -- more from life. For herself and -- because of her love for Jessie -- for Jessie. Charlane discovers the lesbian-only All-Womym Luv Goddess Beach Resort hosts a goddess celebration one weekend a year. So she twists Jessie's arm to go, but doesn't tell Jessie the full truth, knowing Jessie would refuse to go if she understood Charlane's plan. At midnight of the Goddess Celebration, Jessie wins the Grand Prize -- a close, personal encounter with the Tongue Sex Goddess herself. Jessie's life changes forever . . . 7,000 words 4 Flames Therefore, scroll up and download The Lesbian Tongue Goddess right now.

The Monster in the Garden

The Grotesque and the Gigantic in Renaissance Landscape Design

[University of Pennsylvania Press](#) Monsters, grotesque creatures, and giants were frequently depicted in Italian Renaissance landscape design, yet they have rarely been studied. Their ubiquity indicates that gardens of the period conveyed darker, more disturbing themes than has been acknowledged. In *The Monster in the Garden*, Luke Morgan argues that the monster is a key figure in Renaissance culture. Monsters were ciphers for contemporary anxieties about normative social life and identity. Drawing on sixteenth-century medical, legal, and scientific texts, as well as recent scholarship on monstrosity, abnormality, and difference in early modern Europe, he considers the garden within a broader framework of inquiry. Developing a new conceptual model of Renaissance landscape design, Morgan argues that the presence of monsters was not incidental but an essential feature of the experience of gardens.

Bringing Out the Goddess in You

[Page Publishing Inc](#) This is a delicious, intriguingly breathtaking discovery book! You may have thought you knew yourself until you go on a self-discovery. It's very transparent, truthful, and helpful. What it's not is misleading. We all tend to forget how to keep the fire burning in our relationship. I am here to help reignite that flame. Take a deep breath, clear your mind, and enjoy this delightful reading experience. This book is like no other, and I hope it helps you.

Vicissitudes of the Goddess

Reconstructions of the Gramadevata in India's Religious Traditions

Modern Goddess: The Complete Series

[Odette C. Bell](#) *Modern Goddess: The Complete Series* contains all three installments in the *Modern Goddess* series. Sprawling fantasies intertwined with mythology, adventure, romance, and philosophy, pick this boxset up today and soar free with an Odette C. Bell series. Trapped by Thor: Yes, she's a goddess. And, oh yes, he is most certainly a god. You can tell from the fact he marches around in glimmering armor, picking fights with titans and picking up divine broods. But she didn't sign up for this. Sea monsters, kidnappings, evil plots, and the end of the world? Are you kidding? She spends most nights reading the weather report and icing cupcakes. It's all his fault. Trapped by Atlas: Jeanie's just an ordinary goddess holding down an ordinary job in these hard economic times. But when an actual legend wades into her life one day, making way more mess than she can clean, she quickly learns there's something extra to her ordinary. It'll take her deep into the golden age of the gods, deep into universe-ending danger, and even deeper into a love that's waited eons for her. Trapped by Apollo: The first casualty in every war is the truth. Which is terrible if you happen to be Truth herself. In the golden age of the gods, Veritas was one of the most celebrated deities. These days she sits on her couch, suffers from panic attacks, and shouts at the news. Modern times have not been kind to the truth, and now she's more elusive than ever. But when mysterious cracks begin appearing through her temple, Veritas is forced to act. Someone is attacking the truth, and there's only one person she can turn to. A god she'd rather push out a window than rely on. Her ex-husband, Apollo. Modern times killed their love, but if it kills the truth one last time, all will lose – none more so than Apollo.

A benchmark.

Hindu Gods and Goddesses in Japan

[Vedams eBooks \(P\) Ltd](#) Buddhism introduced many Hindu Gods and Goddesses to the Japanese. The rulers were the first to be attracted to them. Historical records show that they earnestly believed in the miracles of these divinities promised in the sutras. Many miracle stories started appearing in popular literature as the divinities percolated down to the masses. The resulting naturalisation process in the case of some divinities went to the extent that they became an integral part of the native Shinto pantheon. Their popularity remains unabated even today. The Tantric Buddhist sects also played a vital role in propagating the divinities. They regularly worshipped the divinities in their temples where people thronged in large numbers. Many steps in these ceremonies, for instance, the homa ritual, are very familiar to the present-day Hindus. The monks have also produced a considerable volume of religious literature related to these divinities. Descriptions of many divinities show that they have not changed substantially over centuries. A study of these writings also shows that a large volume of Hindu myths and legends related to these deities were transmitted to Japan. These writings are also a testimony to the way the ancestors of the present-day Hindus thought about these deities, say, around the eighth or ninth century of the Christian era.

Goddess

Percheron Book Three

Hachette UK Zar Boaz is preparing for the imminent arrival of the Galinsean fleet and it seems inevitable that the realm will be plunged into war. His only hope is to use Lazar as a bargaining chip but despite the necessity for him to be in the city for the negotiations, the Spur is determined to travel back to the desert to rescue the abducted Zaradine Ana and bring her home. However, finding Ana will not be a simple task. She is being held by the despotic Arafanz and his fanatical followers and as it slowly becomes clear what the presumed madman plans for Percheron, Ana does not know if she is to survive ... and if she is, to what end? In the meantime a much larger doom hovers over Percheron that no-one but Pez and his nemesis, the charismatic Grand Vizier Tariq, understands. The chaos between the neighbouring realms could become irrelevant when the final confrontation for the region's faith is played out.

A table of contents, glossary with simplified pronunciations, and index all enhance comprehension.

Goddess

Createspace Independent Publishing Platform Multiple genres infuse into goddess, with 16 intense erotica stories. ...Her voice was soft, her breath full of surrender and full of tease. "Come on, we can't." She took his earlobe into her cold, wet mouth as his erection scraped the delicate tissue that overlapped smoothly like an oyster. "Stop fucking my pussy." He sucked on her neck, his arms wrapped underneath her. He'd missed having her spread her legs wide open for him. Then, she'd turned her head when she realized what she was doing. But she couldn't stop. "Jason, please," she said as she trailed her nails down the back of his head. Every time she'd said, "Stop fucking my pussy," was followed by a rise in orgasmic guttural groan. And he'd picked up the pace of his thrust. He'd wanted her again, although she was now his mother-in-law. She'd missed him, too. He could tell. He'd smelled her want for him when he sniffed the sweet scent in her pussy. He'd tasted her desire for him, every time he sucked on her bell-berry. She'd struggled between her desire for him, for all of him, and the fact that he'd replaced her with her daughter, Amy. She was in the hospital that night, admitted for meningitis. Amy made it clear that her mother was not to be at home when she wasn't around. Jason saw things differently. Her mother was concerned for her daughter, wanted to be close, updated with her progress. They hadn't spoken in a while and though their union left a bad taste in Shelley's mouth, she couldn't help but to miss surrendering to his passionate lovemaking. "Oh, fuck yeah," she said, as she gave into the pleasure. "Come in my pussy. Come." His cell phone blasted a ringtone of laughing voices, which he'd set with her contact. They shared a love of humor, something he also had with her mother, aside from having sex. He'd stopped to answer the call, his pounding erection still inside her... If you're looking for good quality erotica in different genres and various writing styles, then goddess is the collection you want. The story lines are unique, decked with suspense, mystery, romance, crime, humor and much more...

Can she learn to live on a planet so different from everything that she has ever known? Will she ever go home and will she want to?The Choice-Threesome MFM Billionaire RomanceStephanie is a college graduate looking for work; she reluctantly takes up a temporary job as a country club bartender, where she finds herself surrounded by wealthy people throwing their money around. She starts to flirt with two club members, hoping one of them will fall for her.Nathan is wild and passionate while Colin is sweet and caring, and Stephanie finds herself drawn to both men. To her surprise, they both start to show interest in her, and she can't choose. Stuck in this dilemma, she has to figure out which one she wants or she might lose both. Tunes of the Heart -Threesome MMF Werewolf Shifter RomanceLillian Callahan and her fiancé, Damien, have been singing since they met their freshman year of college. Lured to Los Angeles on dreams of wealth and fame, Lillian and Damien dropped out of school, sold everything they owned, and made the move to Los Angeles. Unfortunately for the couple, there are thousands of other singing duos in Los Angeles, all wanting their chance at fame.Just as Lillian and Damien begin to lose hope, they receive an invitation to perform at an exclusive club in Beverly Hills. It's the kind of club only the very wealthy go to, and neither of them can say no to the amount they are being paid. What Lillian and Damien don't know is that the club is a swinger's club and the owner, powerful werewolf Alexei Lazarev, has his sights set on the both of them. When secrets are revealed, Lillian must choose: one or both?WARNING: Please note: this book contains graphic sex and is only intended for adult readers.

Description: Read all four Chosen by the Goddess stories in this specially priced erotic fairy tale box set! Hop to it! The Chosen by the Goddess series is an erotic paranormal romance with a twist on mythology and

the Goddess of Easter and her Rabbit, who delivers a different kind of sexy gift for Easter this year. After having the hottest night of love with the beautiful goddess Esther, Luke wakes to find that he has turned into a man-rabbit and a sudden and urgent need to deliver his gift arises within him, as does his manhood. So randy he cant think straight, Luke hops to it and delivers his gift to his hot buxom flat-mate, Tammy, who goes crazy for him. As does every woman who lays eyes on him, including Jen, his uptight neighbor, and Dee the sexy Columbian security guard. Who knew a man-rabbit could be so alluring? Luke is drawn, as if by magic, to Esther, who lives out on Dark Wood Road. He begins his hop from woman to woman to deliver as many sexy gifts as he can on his way back to her. But, weeks before, he was commissioned by a mysterious old woman to craft a beautiful throne of oak, and he must finish it in time, and prove to his father that he can take of their business when his father retires. Luke is torn but hops to the workshop to finish it so he can deliver the throne and return to Esther before the day is over. Soon after, Laney and Yasmin also take delivery of Luke's special gift. Will he make it to Esther before sunset? There are too many woman and so little time!

Goddess Coloring Book

Use sheet of card under the page you are colouring. -Page size is 8.5x11inches. -Paper non-perforated (typical of CreateSpace published coloring books) Happy coloring!

The Twilight of the Goddesses

Women and Representation in the French Revolutionary Era

In this extraordinarily rich book, Madelyn Gutwirth examines over one hundred prints and paintings, dozens of texts, and the work of a great many cultural critics in order to consider how gender politics were played out during a highly volatile era. Finding evidence of a crisis in gender relations during the eighteenth century, she traces its evolution in the politics of rococo art, demographic trends, plans for the control of prostitution, maternal nursing and wet-nursing practices, folklore, the salon, and in the theater of Diderot and the polemics of Rousseau. Gutwirth shows how a hostile gender ideology consigned women to a solely mothering role before the political revolution began, and how women who struggled to participate in the nascent First French Republic found themselves hobbled by the representational practices of the revolutionaries, especially their use of allegory. The artificiality and anachronism of the Revolution's representation of women were ratified by the Napoleonic Code. Once depicted as erotic goddesses by the rococo, then as goddesses of liberty (Marianne), the dominant figuration of women around 1800 would become the dying waif. As modern republics began their struggle toward legitimacy, women's posture within them had been reduced, by representation, to feeble marginality. Gutwirth combines perspectives from literature, history, sociology, demography, psychology, and art history and criticism in her delineation of this crisis.
