For any literature project, trust *Novels for Students* for all of your research needs. **Guide to the Study of Ancient Magic** BRILL This volume seeks to advance the study of ancient magic through separate discussions of ancient terms for ambiguous or illicit ritual, the ancient texts commonly designated magical, and contexts in which the term magic may be used descriptively. **Half Magic** It all begins with a strange coin on a sun-warmed sidewalk. Jane finds the coin, and because she and her siblings are having the worst, most dreadfully boring summer ever, she idly wishes something exciting would happen. And something does: Her wish **Magic Study** LUNA With her greatest enemy dead, and on her way to be reunited with the family she'd been stolen from long ago, Yelena should be pleased. But though she has gained her freedom, she can't help feeling isolated in Sitia. Her Ixian background has changed her in many ways—and her newfound friends and relatives don't think it's for the better.... Despite the turmoil, she's eager to start her magic training—especially as she's been given one year to harness her power or be put to death. But her plans take a radical turn when she becomes involved with a plot to reclaim Ixia's throne for a lost prince—and gets entangled in powerful rivalries with her fellow magicians. If that wasn't bad enough, it appears her brother would love to see her dead. Luckily, Yelena has some old friends to help her with all her new enemies.... **Magic Demystified A Pragmatic Guide to Communication and Change** **Catalog of Copyright Entries. Third Series 1954: January-June** Copyright Office, Library of Congress Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June) **Half Magic** Voyager Books/Libros Viajeros Since "Half Magic" first hit bookshelves in 1954, Edward Eager's tales of magic have become beloved classics. Now four cherished stories about vacationing cousins who stumble into magical doings and whimsical adventures are available in updated paperback formats. Illustrations. Copyright © Libri GmbH. All rights reserved. **Hacklopedia Field Manual** Lulu.com **Half Mortal Daughter of Light #2** Half-Faerie Publishing "In this second installment ... Dynamic characters choose sides on the battlefield and in their hearts, aptly setting the stage for the next book" — Kirkus Reviews *Energies in the enchanted world are shifting and new alliances are forming; the battle between Dark and Light has begun. Melia is desperate to make things right with Ryder, the young priest from Ildonne, but first she must warn the half-bloods in the mortal world that Umbra is coming for them—and face the powerful dragonwitch and her spectacular Dragon Carnivale. The stakes are raised when Melia grasps just how far she will have to go in order to save the people and world she loves. Whimsical and edgy, Daughter of Light is a high fantasy with an intriguing cosmology and well-developed characters for readers of all ages. Praise for the Daughter of Light fantasy trilogy: Isolt's Enchantment, the beginnings (Prequel Novella) I loved the beauty of the world when Vulcan first meets Una, and I especially enjoyed the explanation of Umbra. Isolt's vengeance was absolutely delicious, and I could recommend this book based solely on that scene. — Erica at Fantasy Book Lane *Half Faerie, Book 1* I found myself sharing emotions with several characters and my husband would walk by just shaking his head, he doesn't understand books and what they can do. I highly recommend this book. I want to thank Heidi Garrett for making my otherwise boring life so exciting with her books, I am loving it, every single minute! Five stars for Half Faerie. — KJ at KJ Reads *A Lot Half Mortal, Book 2* The pace picks up quite a bit as the stakes are raised in *Half Mortal*, the second book in this epic coming of age fantasy trilogy. I can totally understand why the comparison to LoTR has been drawn, as Melia and her cohorts battle numerous foes as they attempt to make things right- in both realms. — Mama Reads, Hazel Reads *War & Grace, Book 3* There are multiple skirmishes and face-offs and each one was delicious in its own right. Anton, Umbra, Lilliane...even Melia has some internal conflict to deal with before anything can be concluded. Each one is given their own turn, and. It. Is. Magnificent. I have been very dramatically disappointed with series ends before ... and I was so happy that the Daughters of Light series was not one. By far my favorite book in the series... —Brenda Ayala **Half a Day and Other Stories** East African Publishers **Dark Revelation - The Role Playing Game - Player's Guide** Chris Constantin *The Hodgepocalypse* takes North America and the d20 system and makes it a diverse world filled with magical rites, modern technology and bizarre cultures. **Product Research Rules** O'Reilly Media Digital product research doesn't have to be difficult, take a long time, or cost a lot of money. Nor should it be a job solely for scientists or expert researchers. In this practical book, Aras Bilgen, C. Todd Lombardo, and Michael Connors demonstrate how your entire team can conduct effective product research within a couple of weeks—easily, cheaply, and without compromising quality. Drawing from decades of experience in product development, the authors lay out nine simple rules that combine user research, market research, and product analytics to quickly discover insights and build products customers truly need. Recognize and avoid common research pitfalls Switch to the insight-making mindset that underlies all successful research efforts Find out how to look at data, formulate the right questions, and pick the right research method Learn interview techniques and research skills Analyze for insights collaboratively while avoiding bias Inspire action with your insights through powerful presentations and prototypes Learn how to involve a wide variety of stakeholders in research, from developers to executives Discover how you can make research a habit, not a one-off effort **Wicca Teachings - An Introduction and Practical Guide** Lapwing Books The only book on Wicca you will ever need! Learn about Wiccan festivals, history and Wheel of the Year. Perform your own magic so you will never need to buy another spell book again. Countries need to recover economic growth quickly, boost productivity and job creation, invest in smart healthcare systems and services, and work toward a climate-neutral and circular economy. The *Handbook of Research on Green, Circular, and Digital Economies as Tools for Recovery and Sustainability* explores new and emerging frameworks, tools, and strategies to support companies and economies toward a green and digital transformation. It analyzes the role of disruptive technologies, innovative green technologies, and emerging practices all over the world. Covering topics such as corporate sustainability, digital banking, and national innovation systems, this major reference work is an essential resource for educational administration, politicians, government officials, global business leaders, managing directors, libraries, researchers, academicians, educators, and students. **The School Journal Half-Shell Prophecies** Ruthanne Reid FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on. **Popular Mechanics** Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. **Magia Sexualis Sex, Magic, and Liberation in Modern Western Esotericism** Univ of California Press "This book offers a fascinating account of the development of Western sexual magic through the nineteenth and twentieth centuries. Urban focuses on an extraordinary set of historical figures, and his rich analysis illuminates the sexual—and supernatural—undercurrents that have shaped modernity."—Randall Styers, author of *Making Magic: Religion, Magic, and Science in the Modern World* **Magic, Witchcraft and the Otherworld An Anthropology** Bloomsbury USA Academic Susan Greenwood takes a new look at modern magic as practised by contemporary pagans in Britain. Integrating an experiential ethnographic approach with an analysis of magic, questions are asked about the nature of otherworldly knowledge. **The Story Biz Handbook: How to Manage Your Storytelling Career from the Desk to the Stage How to Manage Your Storytelling Career from the Desk to the Stage** ABC-CLIO Beginning with wonderful tips and advice about the art and presentation of storytelling, this is a complete resource about how to build a storytelling career. Storytellers come to their careers centered on the stories they love and soon realize that in order to make a living at what they love, they must build a business. This in-depth book tells them just how and what to do in every detail, from choosing a sound system to building a website to using podcasts and setting up an office. Resource lists and tried and true ideas abound as the author shares her marketing and business success story throughout. Each chapter is a story in itself, beginning and ending with different traditional folktale openings and closings. There is even a chapter on how to plan for retirement. **The Nature of Magic An Anthropology of Consciousness** Berg Pub Limited This book examines how and why practitioners of nature religion - Western witches, druids, shamans - seek to relate spiritually with nature through 'magical consciousness'. 'Magic' and 'consciousness' are concepts that are often fraught with prejudice and ambiguity respectively. Greenwood develops a new theory of magical consciousness by arguing that magic ultimately has more to do with the workings of the human mind in terms of an expanded awareness than with socio-cultural explanations. She combines her own subjective insights gained from magical practice with practitioners' in-depth accounts and sustained academic theory on the process of magic. She also tracks magical consciousness in philosophy, myth, folklore, story-telling, and the hi-tech discourse of postmodernity, and asks important questions concerning nature religion's environmental credentials, such as whether it is inherently ecological as many of its practitioners claim. **The English Catalogue of Books [annual]** Vols. for 1898-1968 include a directory of publishers.*

A Magic Dwells A Poetic and Psychological Study of the Navaho Emergence Myth Middletown, Conn. : Wesleyan University Press **Popular Science** Popular Science gives our readers the information and tools to improve their technology and their world. This book will teach you all about Wiccan beliefs, spells, potions, and magic! Are you curious to unleash the hidden powers that each person has within them? Wicca can assist you to move closer to nature and bring good experiences to your life! Wicca is an ancient practice that is based on paganism and the worship of nature. When you mention witchcraft to people today, they mostly think of casting spells and spells just like witches in movies. But in real life, Wicca is a bit different. It is a rebirth of the ancient religions, which lasted for millennia before the arrival of Christianity. Wicca is often known as "the old religion". However, many times, those who start their journey in this fantastic parallel world, begin to find a lot of theoretical information without experiencing or putting into practice what they have learned. Witchcraft explains how to establish a perfect relationship with nature and release the great power of our ancestors. And of course, there are spells and potions included! Spells are what differentiate Wiccans from other conventional religions. But, before you get to that part, you must have a good handle on the fundamentals and rich history of Wicca. You must also understand how to manage and benefit from your work with candles, crystals, and herbs. And this book will guide you every step of the way! This is what you will discover within this book: • Wicca History • Guidance For Wicca Beginners • Elementals of the Basic Wicca Practice • Wicca In Our Modern World • History of the Crystals and Minerals • Where to Find a Crystal that You Need? • Why Use a Magic Crystal to Change Your Life? • Candle Magic Basics • How to use your Candles • Types of Candles and How they are Made • Magic Letters for Beginners • The Path to Initiation- Preparing Yourself and a Ritual for Self-initiation • Herbal Magic For Wiccans • Casting Spells for Health And much more... With the guide in this book, you can learn about Wiccan beliefs, traditions, and most importantly, potions, spells, and magic. Find out how to be part of this wonderful community today! One of the most fun and rewarding aspects of the Wiccan route is the spell for ourselves and others. Magic is a powerful and natural way of approaching the healing energies of the earth. Wicca is, at its very core, an inclusive belief system that emphasizes our relationships with the natural and spiritual realms. Anyone who wishes to channel their energy into a positive and powerful life of intention and achievement can begin by practicing Wicca today! The Wiccan religion is the most diverse and mysterious faith. It is a complicated Earth-centered religion that is established in the outdated acts of our shamanic predecessors. Wicca directs us to welcome Earth, commending the different transformations in the seasons and everything they bring, from the goodness of summer to the cold and mist of the winter periods, when Mother Nature lay in anticipation of the next unstable life cycle that begins in spring. This book is not about only magic but also about how to achieve a healthy relationship with the Universe. Become one with nature and live your life magically, spiritually, and fully!
