**Our Lady of 121st Street Jesus Hopped the A Train; In Arabia, We'd All Be Kings** *Macmillan* "[Guirgis's] plays portray life on New York's hardscrabble streets in a manner both tender and unflinching, while continually exploring the often startling gulf between who we are and how we perceive ourselves. This volume includes ... Our Lady of 121st Street, a comic portrait of the graduates of a Harlem Catholic school reunited at the funeral of a beloved teacher, along with his two previous plays: the philosophical jailhouse drama *Jesus Hopped the A Train* and *In Arabia, We'd All Be Kings*, an Iceman Cometh for the Giuliani era that looks at the effect of Times Square's gentrification on its less desirable inhabitants."--Back cover. **The Facts on File Companion to American Drama** *Infobase Publishing* Features a comprehensive guide to American dramatic literature, from its origins in the early days of the nation to the groundbreaking works of today's best writers. **Encyclopedia of American Drama** *Infobase Learning* Provides a comprehensive guide to American dramatic literature, from its origins in the early days of the nation to American classics such as Arthur Miller's *Death of a Salesman* and Thornton Wilder's *Our Town* to the groundbreaking works of today's best writers. **In Arabia We'd All be Kings** *Dramatists Play Service Inc* THE STORY: Lenny is a recently released ex-convict. New Lenny is a recently released ex-convict. Daisy, his alcoholic girlfriend, craves a "real" life with a "real" man and abandons him at their local in favour of some cheap Chinese takeout. At the bar is Skank, a failed actor-turned-junkie, who is trying to outlast the rainstorm and get a buyback. De Maris, a seventeen-year-old gun-brandishing single mother wants to learn to turn tricks. She enlists the aid of Chickie, Skank's girlfriend, a young crackhead hooker. But the bar is about to be sold up as the New York real estate boom kicks in. Guirgis' cast of low life have "lack of self-pity" tattooed to their souls. Published to tie in with the Hampstead Theatre's production in April 2003, this is the second play by the writer of *Jesus Hopped the A Train* - "Shocking, shattering, stunningly well-written" (*Daily Telegraph*); "Guirgis airs metaphysical ideas seldom touched by British dramatists" (*The Times*). **Staging America Twenty-First-Century Dramatists** *Bloomsbury Publishing* Many of the American playwrights who dominated the 20th century are no longer with us: Edward Albee, Arthur Miller, Sam Shepard, Neil Simon, August Wilson and Wendy Wasserstein. A new generation, whose careers began in this century, has emerged, and done so when the theatre itself, along with the society with which it engages, was changing. Capturing the cultural shifts of 21st-century America, *Staging America* explores the lives and works of 8 award-winning playwrights - including Ayad Akhtar, Stephen Adly Guirgis, Young Jean Lee and Quiara Allegría Hudes - whose backgrounds reflect the social, religious, sexual and national diversity of American society. Each chapter is devoted to a single playwright and provides an overview of their career, a description and critical evaluation of their work, as well as a sense of their reception. Drawing on primary sources, including the playwrights' own commentaries and notes, and contemporary reviews, Christopher Bigsby enters into a dialogue with plays which are as various as the individuals who generated them. An essential read for theatre scholars and students, *Staging America* is a sharp and landmark study of the contemporary American playwright. **The Last Days of Judas Iscariot A Play** *Farrar, Straus and Giroux* From one of our most admired playwrights, "an ambitious, complicated and often laugh-out-loud religious debate" (Toby Zinman, *The Philadelphia Inquirer*) Set in a time-bending, seriocomically imagined world between Heaven and Hell, *The Last Days of Judas Iscariot* is a philosophical meditation on the conflict between divine mercy and human free will that takes a close look at the eternal damnation of the Bible's most notorious sinner. This latest work from the author of *Our Lady of 121st Street* "shares many of the traits that have made Mr. Guirgis a playwright to reckon with in recent years: a fierce and questing mind that refuses to settle for glib answers, a gift for identifying with life's losers and an unforced eloquence that finds the poetry in lowdown street talk. [Guirgis brings to the play] a stirring sense of Christian existential pain, which wonders at the paradoxes of faith" (Ben Brantley, *The New York Times*). **The Motherf\*\*ker with the Hat** *Bloomsbury Publishing* Love and addiction in New York City. Things are looking up for Jackie. He's out of jail and staying clean thanks to his sponsor. He might even have found a job. And of course there's Veronica, who he's loved since 8th grade. Nothing could come between them - except a hat. Poetic, profane and hilarious, this whip-smart look at love and addiction finds light even in the darkest corners of New York City. **American Theatre Between Riverside and Crazy** *Dramatists Play Service, Inc.* THE STORY: Ex-cop and recent widower Walter "Pops" Washington and his newly paroled son Junior have spent a lifetime living between Riverside and crazy. But now, the NYPD is demanding his signature to close an outstanding lawsuit, the landlord wants him out, the liquor store is closed—and the church won't leave him alone. When the struggle to keep one of New York City's last great rent-stabilized apartments collides with old wounds, sketchy new houseguests, and a final ultimatum, it seems that the old days may

be dead and gone. **The New York Times Theatre Reviews 1999-2000** *Taylor & Francis* This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality. **The Little Flower of East Orange A Play** *Farrar, Straus and Giroux* When Therese Marie arrives in the emergency room of a small hospital in the Bronx, suffering from hypothermia and in shock, no one there knows her story. To the doctors and nurses, she is just another abandoned elderly woman who can't even tell them her name. But Therese Marie's dementia is not all that it seems. And when her prodigal son, Danny, returns to New York, Therese Marie must fight to maintain her dignity in light of her son's insistence on confronting the ugly secrets of their past. Originating in Persian, Indian, and Arabic sources as far back as the ninth century AD, this collection of bawdy tales-which Burton was the first to bring to English readers in uncensored form-has exerted incalculable influence on modern literature. It represents one of the earliest examples of a framing story, as young Shahrazad, under threat of execution by the King, postpones her death by regaling him with these wildly entertaining stories over the course of 1,001 nights. The stories themselves feature early instances of sexual humor, satire and parody, murder mystery, horror, and even science fiction. Burton's annotated 16-volume collection, as infamous as it is important, was first published between 1885 and 1888, and remains an entertainingly naughty read. Volume X-which concludes Burton's initial publication of the tales-includes: [ "Ma'aruf the Cobbler and His Wife Fatimah" [ Burton's essays on the origins of the tales and other background material [ appendices and indexes [ and more. **John Willis' Theatre World Theatre World Kings and Camels An American in Saudi Arabia** *ISBS* Gives an account of how an American went to work in Saudi Arabia and came home to America to realize how little the average American appreciated the strategic importance of the area and, how little he understood the people in the area. Where people struggled with *The Great Depression*, and were poor, but possessed a bountiful richness when it came to family and friends. It's a story about life and love, of good times and bad. It's about beginnings and endings, of dreams realized and dreams lost. It's about promises made and kept, and others broken through dishonesty, abandonment, and betrayal. It's about a country girl, and the struggles she went through. Struggles not unlike our own, for in many ways, her story is our story. **English Translations From Ancient and Modern Poems The Works of the English Poets, from Chaucer to Cowper: Hoole's Ariosto and Tasso.
