HELPING KIDS WITH CODING FOR DUMMIES

John Wiley & Sons Help for grown-ups new to coding Getting a jump on learning how coding makes technology work is essential to prepare kids for the future. Unfortunately, many parents, teachers, and mentors didn't learn the unique logic and language of coding in school. Helping Kids with Coding For Dummies comes to the rescue. It breaks beginning coding into easy-to-understand language so you can help a child with coding homework, supplement an existing coding curriculum, or have fun learning with your favorite kid. The demand to have younger students learn coding has increased in recent years as the demand for trained coders has far exceeded the supply of coders. Luckily, this fun and accessible book makes it a snap to learn the skills necessary to help youngsters develop into proud, capable coders! Help with coding homework or enhance a coding curriculum Get familiar with coding logic and how to de-bug programs Complete small projects as you learn coding language Apply math skills to coding If you're a parent, teacher, or mentor eager to help 8 to 14 year olds learn to speak a coding language like a mini pro, this book makes it possible!

LEARNING THROUGH WRITING, GRADE 3

AUTHENTIC WRITING ACTIVITIES FOR THE CONTENT AREAS

Maupin House Publishing, Inc. "WINNER OF THE 2009 ASSOCIATION OF EDUCATIONAL PUBLISHERS' DISTINGUISHED ACHIEVEMENT AWARD AND THE 2010 TEACHERS' CHOICE AWARD FOR THE CLASSROOM! Use writing to teach the content areas! Check students' content-area knowledge, writing skills, and critical thinking at the same time! Fun, authentic writing activities for language arts, math, science, social studies, and health/nutrition take students through the entire writing process, from brainstorming to publishing, while

letting imaginations soar. This content-area writing series includes one grade-level book each for third, fourth, and fifth grade, offering the flexibility to pick from a variety of activities. Choose the activities from each grade that appeal most to your students, or use only the book for your grade to match your students' skill levels and target grade-appropriate content-area topics and writing skills. Each ready-to-go activity •includes lesson plans, extensions, rubrics, student worksheets, and examples •clearly lists objectives, materials and teacher preparation needed, and what prior knowledge and skills are being targeted •is easily differentiated to meet students' needs •can be used on its own, with other content-area activities, or as class time allows •connects to national content-area and writing standards •reflects grade-appropriate language and writing skills Publishing ideas, bibliographies, student checklists, and correlations to commonly taught writing standards and craft skills make this resource complete and easy to use. You'll never run out of authentic ways to make learning through writing fun."

LOADED WORDS

Fordham Univ Press Asthma is a common chronic inflammatory condition of the airways which causes coughing, wheezing, shortness of breath and tightness of the chest. Asthma attacks can be triggered by exposure to allergens, physical exertion, stress, or can be aggravated as a result of common coughs and colds. Over 5 million people in the UK and over 6% of children in the US suffer from Asthma, and a recent increase in prevalence is thought to be attributed to our modern lifestyle, such the changes in housing, diet and a more hygienic environment that have developed over the past few decades. Asthma: The Facts is a practical guide to asthma, suitable for those who suffer from asthma, their families, and the health professionals that treat them. It details how a diagnosis of asthma is reached, and what treatments are available to successfully manage the condition and prevent attacks on a day-to-day basis. The book contains advice on proactive changes which can be made to lifestyles, such as avoiding allergens, as well as how to cope with an attack, and how to administer the relevant treatment effectively. The authors conclude that whilst there is currently no cure for asthma, by taking a proactive, self-directed approach to management, its impact on the patient and their lives can be significantly reduced.

OPERA FOR LIBRARIES

A GUIDE TO CORE WORKS, AUDIO AND VIDEO RECORDINGS, BOOKS AND SERIALS

McFarland Opera is a unique expression of the human mind and spirit--a play that communicates plot, characterization and story almost entirely through music. Unfortunately, because of restraints of time, location and income, few people have the opportunity to see operas performed on a regular basis. Public libraries are an easily accessible alternative for gaining operatic knowledge and exposure, offering the public a chance to hear, see, and develop an appreciation of opera. This work is a two-part guide for libraries that want to assemble a comprehensive collection of operatic materials. Part I is a list of recommended operas ranging over four hundred years of operatic history and including a variety of different styles and languages. The goal of Part I is to provide recommendations for a comprehensive library collection of video and sound operatic recordings. Part II suggest books, periodicals, and online resources that could be an integral and important part of a library's opera collection. This section also discusses the care and maintenance of sound and video recordings, offers suggestions for locating hard-to-find operatic material, and explores the library's role in sparking patron interest in opera.

CREATIVE BIBLE LESSONS FROM THE LIFE OF CHRIST

12 READY-TO-USE BIBLE LESSONS FOR YOUR YOUTH GROUP

Zondervan Do you want to teach solid Biblical truth to your kids without their eyes glazing over as soon as you say "open your Bibles"? Now you can, with *Creative Bible Lessons on the Life of Christ*. Veteran youth worker and Bible teacher Doug Fields has crafted 12 lively, ready-to-use lessons that actually make it fun to dig into Scripture. Fields utilizes creative learning techniques to spark your kids' interest and keep them actively involved in each lesson, including: - Learning games . . . - Hilarious handouts - Art projects anyone can do . . . Challenging simulations - Thought-provoking worksheets . . . - Skits and role-plays These techniques are built into clear, easy-to-use lessons that keep your kids active as they absorb the Biblical truth of each lesson. Fields also provides you with a brief teaching outline in each lesson that you can present to bring the message home. Best of all, these lessons are so complete, they require very little preparation time. You'll be able to build quality, creative Bible teaching into your busy schedule -- with *Creative Bible Lessons on the Life of Christ*. 12 lessons.

THE LAUGHING LIBRARIAN

A HISTORY OF AMERICAN LIBRARY HUMOR

McFarland Despite the stodgy stereotypes, libraries and librarians themselves can be quite funny. The spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the *New Yorker* to the satire of *Mad*. This examination of American library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark, from parodies to portrayals of libraries and their staffs as objects of fear. It illuminates different types of librarians--the collector, the organization person, the keeper, the change agent--and explores stereotypes like the shushing little old lady with a bun, the male scholar-librarian, the library superhero, and the anti-stereotype of the sexy librarian. Profiles of the most prominent library humorists round out this lively study.

WE BARE BEARS MAD LIBS

Mad Libs A Mad Libs based on the hit Cartoon Network television show, popular with fans of all ages! *We Bare Bears Mad Libs* includes 21 original stories starring Grizz, Panda, Ice, and the rest of the stars of this laugh-out-loud funny animated television series.
