Murach's JQuery Mike Murach & Associates Today, JQuery is used in over 60% of the million most-visited websites, and that makes it one of the technologies that every web developer should master. The problem is that JQuery is difficult to learn, especially for those with limited programming experience. But now, this new edition of our JQuery book makes it easier than ever to learn how to use JQuery to create the dynamic user interfaces, fast response times, and special effects that todays users expect. In brief, sections 2 and 3 of this book present the essential JQuery and JQuery UI (User Interface) skills for developing professional JQuery applications. With those skills, you will be able to add all of the popular JQuery features to your web pages: image swaps, image rollovers, slide shows, accordions, tabs, carousels, and much more. Then, section 4 shows you how to use Ajax and JSON to get data from a web server and add it to a web page without reloading the page. It also shows how to use Ajax and JSON with the APIs for websites like Flickr and Google Maps and with HTML5 APIs like Geolocation, Web Storage, and Web Workers. What about section 1? It provides a four-chapter crash course in the JavaScript skills that you need to use JQuery. That means you do not need to know JavaScript before you start using this book, and that makes this the right book for programmers who are not familiar with JavaScript, as well as for programming novices. This section also becomes the ideal reference for the JavaScript thats used for the JQuery applications in this book or for any JQuery application. The last section of this book shows you how to use JQuery Mobile to develop mobile websites. This requires little or no programming, and it is a great alternative when its impractical to rebuild an established website with Responsive Web Design. Data Collection Planning for and Collecting All Types of Data John Wiley & Sons Data Collection Data Collection is the second of six books in the Measurement and Evaluation Series from Pfeiffer. The proven ROI Methodology--developed by the ROI Institute--provides a practical system for evaluation planning, data collection, data analysis, and reporting. All six books in the series offer the latest tools, most current research, and practical advice for measuring ROI in a variety of settings. Data Collection offers an effective process for collecting data that is essential to the implementation of the ROI Methodology. The authors outline the techniques, processes, and critical issues involved in successful data collection. The book examines the various methods of data collection, including questionnaires, interviews, focus groups, observation, action plans, performance contracts, and monitoring records. Written for evaluators, facilitators, analysts, designers, coordinators, and managers, Data Collection is a valuable guide for collecting data that are adequate in quantity and quality to produce a complete and credible analysis. Daemons are Forever Secret History Book 2 Hachette UK Humanity's at risk - again - and we need a special kind of secret agent to save our collective arses . . . so step up Eddie Drood! During World War II, the Droods made a pact with some nasty buggers from another dimension known as the Loathly Ones, in order to defeat the Nazis. But once the war was won and the pact was fulfilled, the Loathly Ones decided that they liked this world too much to leave, and the Droods are the only thing stopping them from world domination. Unfortunately, it seems that Eddie may not be able to trust every member of his family, and if he chooses the wrong horse to back, everything he - and the rest of humanity - holds dear will go up in smoke. Daemons are Forever is the second book in the Secret History series from the New York Times bestselling author of The Man with the Golden Torc. Botany Towards 2000 A.D. Professor V.R. Dnyansagar Commemoration Volume Contributed articles presented at the 3rd All India Conference on Cytology and Genetics held in the Dept. of Botany, Nagpur University, Nagpur from Oct. 29-31, 1990. Daemon in the Sanctuary The Enigma of Homespace Violence Algora Publishing "Daemon in the Sanctuary"explores the uncanny contradiction between the phenomenological experience of home as a site of nurture and security and the empirical reality that people are far more likely to be hurt and even killed in their own homes by their intimates, rather than at the hands of strangers. Moving from the syrupy tributes of the god of love in Plato's "Symposium"to the subject of domestic violence appears to be a giant leap, but he author shows that embroidered romantic ideas about love prepare the initiate poorly for the reality of intimate connection. Poets and philosophers who lead us to believe that love is heaven sent can leave us craving an extreme experience. We crave an earth-shaking, life-altering intrusion on our tranquility as evidence that love is real. Thus the naive initiate can easily mistake the flutter of the pulse, the quickening of the heart rate, the flush, the confused emotions, and the painful longing as signs of the god's gift. But these are also the signs of fear! Wendy C. Hamblet, a philosopher in the phenomenological lineage, examines the truth value of phenomenological experience, through the lens of the problem of intimate violence. If Husserl is right and phenomenological method provides the ground of all empirical truth, then what is to be made of the fundamental contradiction between the lived experience of home as a site of nurture and security and of intimates as guardians and caretakers, and the empirical fact, evident in every human society, that people are far more likely to be harmed, and even killed, in their homes or in the homes of their intimates and at the hands of those charged with their care? Hamblet carefully choreographs a dance between the two opposing 'truths' to expose how the lived sense of home, colored by ideals, can tint people's expectations about intimate connection and cloud their ability to recognize the signs of intimate abuse. This book illuminates the dangers and pitfalls of unhealthy intimacy and offers a regimen for loosening the grip of a sickened love's pathological hold. Catfantastic III D A W Books, Incorporated A collection of tales about the magical world of felines who rule the animal and human kingdoms features selections by such authors as Mercedes Lackey, Andre Norton, Elizabeth Ann Scarborough, Charles de Lint, and others. Daily Readings from Love Your Life Devotions for Living Happy, Healthy, and Whole Simon and Schuster A daily devotional draws from the author's best-selling book Love Your Life, a religious exploration into what it really means to be happy. By the author of 75,000 first printing. Daggers and Men's Smiles A Moretti and Falla Mystery Dundurn On the English Channel Island of Guernsey, Detective Inspector Ed Moretti and his new partner, Liz Falla, investigate vicious attacks on Epicure Films. The international production company is shooting a movie based on British bad-boy author Gilbert Ensor's bestselling novel about an Italian aristocratic family at the end of the Second World War, using fortifications from the German occupation of Guernsey as locations, and the manor house belonging to the expatriate Vannonis. When vandalism escalates into murder, Moretti must resist the attractions of Ensor's glamorous American wife, Sydney, consolidate his working relationship with Falla, and establish whether the murders on Guernsey go beyond the island. Why is the Marchesa Vannoni in Guernsey? What is the significance of the design that appears on the daggers used as murder weapons, as well as on the Vannoni family crest? And what role does the marchesas statuesque niece, Giulia, who runs the family business and is probably bisexual, really play? Daily Life in the Soviet Union Greenwood Publishing Group Examines what daily life was like for ordinary people in the Soviet Union from 1917 to 1991, discussing government and law, the military, economy, class structure, housing, education, health care, the arts, religion, and other topics. Makes a wonderful gift for all camping lovers! The Last of the Arctic Voyages Being a Narrative of the Expedition in H.M.S. Assistance, Under the Command of Captain Sir Edward Belcher, C.B., in Search of Sir John Franklin, During the Years 1852-53-54 : with Notes on the Natural History ; in Two Volumes Cambridge, Mass. : General Microfilm Company When the experienced Arctic explorer Sir John Franklin (1786-1847) was put in command of an expedition in 1845 to search for the elusive North-West Passage he had the backing of the Admiralty and was equipped with two specially-adapted ships and a three-year supply of provisions. Franklin was last seen by whalers in Baffin Bay in July 1845. When the expedition failed to return in 1848, enormous resources were mobilised to try to discover its fate. In 1852 H.M.S. 'Assistance' was sent to lead another search mission. It was captained by Edward Belcher (1799-1877), who eventually took the decision to abandon four ships in the pack-ice. He recounts his unsuccessful adventure, defending his actions

against critics. Belcher's five ship squadron was the last expedition sent out by the British government to determine the fate of John Franklin. All subsequent expeditions were privately sponsored.

**Daily Life in Civil War America** Greenwood Publishing Group The United States Civil War touched the lives of every American North and South at that time. This informative book makes extensive use of journals, newspapers, and diaries to bring together the experience of the soldier, civilian, and slave in one volume. What the soldiers ate, how they lived, and what they did for entertainment are discussed in detail. The experiences of Billy Yank and Johnny Reb are contrasted with activities on the homefront to bring this turbulent era alive for students, teachers, and Civil War buffs. **Calm the F \* Ck Down An Irreverent Adult Coloring Book with Flowers Falango, Lions, Elephants, Owls, Horses, Dogs, Cats, and Many More Best Book For Ever !!** Our 50 good quality Illustrations with Flowers Falango, Lions, Elephants, Owls, Horses, Dogs, Cats, Animals coloring book is a wonderful way to show your love of animals while your stress fades away. They were farmers, miners, blacksmiths and ironworkers, husbands and wives with their children, or alone in a new world. Many were successful, and have large families of descendants around the world. Most never saw their families again. In an attempt to connect the travelling families back to their origins, and those they left behind, this book contains some of the Kirkup stories; who they were, where they went, and how they lived. **Daily Language Practice 6th Grade: Use It! Don't Lose It!** Provides grade-level appropriate problems correlated to state and national standards to help students practice skills at regular intervals. **Daily Language Review Grade 5** Evan Moor Educational Publishers This book includes Monday to Friday lessons for each day of a 36-week school year and short daily lessons.
