Morning Musings

Whackadoo Girl Hits Senior Life

iUniverse *My morning musings started at least five or six years ago. They have been a treat, and they have given me such wonderful answers to what's going on in the world and why bad things happen. But as I feel such terror about tomorrow, I also believe that since we are in the hand of she/he who made us (my God), God may actually have set up this worldwide scenario to remind us what we already possibly know—that there must be a God, since without any knowledge or investigation, poor Adam and Eve (or their other cultural variations [see other cultures creation stories]) began their supposed singular life on this earth with the gift of two baby boys, Cain and Abel.*

The Argosy

A Fistful of Fire

Misti Wolanski *Tales of loathsome kings and prophesied saviors aren't so appealing when you are a royal bastard of prophecy... Evonalé Yunan is supposed to somehow free her grandmother's enslaved people, but she's merely a child, and her father is the powerful fire mage who subjugates the realm. She has therefore fled home, her half-siblings, and the father who really should've been her uncle. Unfortunately, it's the middle of winter. Fortunately, following her mother's directions has put her in another king's hunting grounds. To Evonalé's bewilderment, that king picks her up and gives her a place in his castle. The prince seeks her out to tease and befriend. Then one of Cook's daughters starts teaching her magic, and a scullery maid proves herself immune to poison. Evonalé isn't the only one with secrets.*
Followed by A Fistful of Earth Contains some mature themes and responsible use of alcohol. The narrator's family is sadistic. **Keywords:** *epic fantasy, elves, high fantasy, literary fantasy, sweet romance, female protagonist, classic fantasy, traditional fantasy, young adult, new adult, free, freebie, novel*

My Good Morning

Clavis I wake with my bed buddies. I had a good sleep. Mommy and Daddy did not hear a peep. It's a new day and I'm ready to go! But Mommy and Daddy are so very slow. "For those parents who have lived through those frenzied mornings struggling to get their little ones dressed and to school, My Good Morning is a humorous story of an energetic and independent little girl determined to get ready for the school day all by herself, while her parents fumble to get her through the morning ritual and off to school with minimal chaos," says author Kim Corson. "My inspiration to write this story came from my experiences with my daughter, who almost always wants to do everything by herself even if the result is incorrect, incomplete or worse yet, a fiasco." A funny picture book about the morning ritual of a little girl that can do everything by herself. Almost everything... For children ages 4 and up.

Winter in the Morning

A Young Girl's Life in the Warsaw Ghetto and Beyond, 1939-1945

Virago Press Janina Beaman was thirteen-years-old when Hitler's decree forced her family into the Jewish ghetto in Warsaw. The young, bright and lively girl suddenly found herself in a cramped flat hiding with other Jewish families. At first even curfews and the casual cruelty meted out by the German occupiers could not completely wipe out her passion for books, boys and romance, 'Perhaps we've been wasting the last bits of our lives not even trying to find out what life is?' Then came the raids and Janina, with her sister and mother, had to keep on the move to avoid being one of thousands rounded up every day and deported to the camps. Their escape to the 'Aryan' side was followed by years spent behind hidden doors, where dependence on others was crucial, and all that a growing girl craves, denied. Told through her teenage diaries, this is an extraordinary tale of a passionate young woman's survival and courage.

Early One Morning

Hachette UK 'As gripping as any thriller' Daily Mail A grey dawn in 1943: on a street in Rome, two young women, complete strangers to each other, lock eyes for a single moment. One of the women, Chiara Ravello, is about to flee the occupied city for the safety of her grandparents' house in the hills. The other has been herded on to a truck with her husband and their young children, and will shortly be driven off into the darkness. In that endless-seeming moment, before she has time to think about what she is doing, Chiara makes a decision that changes her life for ever. Loudly claiming the woman's son as her own nephew, she demands his immediate return; only as the trucks depart does she begin to realize what she has done. She is twenty-seven, single, with a sister who needs her constant care, a hazardous journey ahead of her, and now a child in her charge - a child with no papers who refuses to speak and gives every indication that he will bolt at the first opportunity. Three decades later, Chiara lives alone in Rome, a self-contained, self-possessed woman working as a translator and to all appearances quite content with a life which revolves around work, friends, music and the theatre. But always in the background is the shadow of Daniele, the boy from the truck, whose absence haunts her every moment. Gradually we learn of the havoc wrought on Chiara, her family and her friends by the boy she rescued, and how he eventually broke her heart. And when she receives a phone call from a teenage girl named Maria, claiming to be Daniele's daughter, Chiara knows that it is time for her to face up to the past. This epic novel is an unforgettably powerful, suspenseful, heartbreaking and inspiring tale of love, loss and war's reverberations down the years.

Lennox *In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Gone Girl: A Novel." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.*

Tatterdemalion

England Literature

☐☐☐ *THE GREY ANGEL* Her predilection for things French came from childish recollections of school-days in Paris, and a hasty removal thence by her father during the revolution of '48, of later travels as a little maiden, by diligence, to Pau and the then undiscovered Pyrenees, to a Montpellier and a Nice as yet unspoiled. Unto her seventy-eighth year, her French accent had remained unruffled, her soul in love with French gloves and dresses; and her face had the pale, unwrinkled, slightly aquiline perfection of the 'French marquise' type—it may, perhaps, be doubted whether any French marquise ever looked the part so perfectly. How it came about that she had settled down in a southern French town, in the summer of 1914, only her roving spirit knew. She had been a widow ten years, which she had passed in the quest of perfection; all her life she had been haunted by that instinct, half-smothered in ministering to her husband, children, and establishments in London and the country. Now, in loneliness, the intrinsic independence of her soul was able to assert itself, and from hotel to hotel she had wandered in England, Wales, Switzerland, France, till now she had found what seemingly arrested her. Was it the age of that oldest of Western cities, that little mother of Western civilisation, which captured her fancy? Or did a curious perversity turn her from more obvious abodes, or was she kept there by the charm of a certain church which she would enter every day to steep herself in mellow darkness, the scent of incense, the drone of incantations, and quiet communion with a God higher indeed than she had been brought up to, high-church though she had always been? She had a pretty little apartment, where for very little—the bulk of her small wealth was habitually at the service of others—she could manage with one maid and no "fuss."

When Tomorrow Starts Without Me

Lulu.com Most people who have lost a child write books about how to cope with the child's death. Author Lori Plegge has taken a different perspective on losing a child. Instead of writing about how to cope with the death of a child, she has decided to write a story about her son's life. *When Tomorrow Starts Without Me* is a true story about the life and death of a young man named Anthony. No matter how hard Lori tried to raise Anthony right, he made some bad choices in his life and those bad choices led to his death. When reading this book you will experience every emotion possible, you become a part of the story. *When Tomorrow Starts Without me* is not just a sad story about the death of a 19 year old boy but it also tells you funny childhood stories along with some near death experiences Anthony had.
