PORTUGAL'S REVOLUTION

TEN YEARS ON

Cambridge University Press This 1986 book is a major socio-political study of the fate of Portugal in the decade since the coup d'état. In over ninety hours of tape-recorded interviews, the authors have conducted discussions with officers of both left and right involved in the shaping of Portugal's political evolution.

PORTUGAL TEN YEARS AFTER THE REVLUTION

REPORTS OF THREE COLUMBIA - GULBEN KIAN WORKSHOPS

A PEOPLE'S HISTORY OF THE PORTUGUESE REVOLUTION

Pluto Press (UK) On the 25th April 1974, a coup destroyed the ranks of Portugal's fascist Estado Novo government as the Portuguese people flooded the streets of Lisbon, placing red carnations in the barrels of guns and demanding a 'land for those who work in it'. This became the Carnation Revolution - an international coalition of working class and social movements, which also incited struggles for independence in Portugal's African colonies, the rebellion of the young military captains in the national armed forces and the uprising of Portugal's long-oppressed working classes. It was through the organising power of these diverse movements that a popular-front government was instituted and Portugal withdrew from its overseas colonies. Cutting against the grain of mainstream accounts, Raquel Cardeira Varela explores the role of trade unions, artists and women in the revolution, providing a rich account of the challenges faced and the victories gained through revolutionary means.

PORTUGAL

THE IMPOSSIBLE REVOLUTION

Black Rose Books Limited "In a vigorous book, the author stresses what he sees as the revolution's most important feature: ordinary people spontaneously taking power for themselves."--New Society

THE HISTORY OF THE REVOLUTIONS IN SWEDEN, AND PORTUGAL. AN ENQUIRY, WHETHER THE KINGDOM OF FRANCE, FROM THE ESTABLISHMENT OF THAT MONARCHY

Gale Ecco, Print Editions The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Rich in titles on English life and social history, this collection spans the world as it was known to eighteenth-century historians and explorers. Titles include a wealth of travel accounts and diaries, histories of nations from throughout the world, and maps and charts of a world that was still being discovered. Students of the War of American Independence will find fascinating accounts from the British side of conflict. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: ++++ British Library T081952 With separate pagination for each of the two Histories and the Enquiry, with a half-title to the 'Enquiry', and with a separate titlepage: 'The Revolutions of Portugal', Dublin, 1724. 'The history of the revolution in Sweden' is another issue of the Dubl Dublin: printed by and for George Grierson, 1727. [28],312:[2],38, [2]:vi, v, [1],126, [10]p.; 8°

DICTATOR OF PORTUGAL

A LIFE OF THE MARQUIS OF POMBAL, 1699-1782

Ayer Company Pub

THE FIRST WORLD EMPIRE

PORTUGAL, WAR AND MILITARY REVOLUTION

Routledge This book offers a comprehensive overview of the early modern military history of Portugal and its possessions in Africa, the Americas, and Asia from the perspective of the military revolution historiographical debate. The existence of a military revolution in the early modern period has been much debated in international historiography, and this volume fills a significant gap in its relation to the history of Portugal and its overseas empire. It examines different forms of military change in specifically Portuguese case studies but also adopts a global perspective through the analysis of different contexts and episodes in Africa, the Americas, and Asia. Contributors explore whether there is evidence of what could be defined as aspects of a military revolution or whether other explanatory models are needed to account for different forms of military change. In this way, it offers the reader a variety of perspectives that contribute to the debate over the applicability of the military revolution concept to Portugal and its empire during the early modern period. Broken down into four thematic parts and broad in both chronological and geographical scope, the book deepens our understanding of the art of warfare in Portugal and its empire and demonstrates how the military revolution debate can be used to examine military change in a global perspective. This is an essential text for scholars and students of military history, military architecture, global history, Asian history, and the history of Iberian empires.

PORTUGAL

REVOLUTIONARY CHANGE IN AN OPEN ECONOMY

Praeger

THE TRADITIONS OF LIBERTY IN THE ATLANTIC WORLD

ORIGINS, IDEAS AND PRACTICES

Brill This volume puts together notions of political liberty that arose in the English, Portuguese and Spanish Atlantic world, commencing with their inception in the colonial period, following with the independence of the Americas and the subsequent efforts to build constitutional order.

THE PORTUGUESE REVOLUTION

STATE AND CLASS IN THE TRANSITION TO DEMOCRACY

Rowman & Littlefield Building on decades of research, leading scholar Ronald H. Chilcote provides a definitive analysis of the 1974–1975 Portuguese revolution, which captured global attention and continues to resonate today. His study revisits a key historical moment to explain the revolution and its aftermath through periods of authoritarianism and resistance as well as representative and popular democracy. Exploring the intertwined themes of class, state, and hegemony, Chilcote builds a powerful framework for understanding the Portuguese case as well as contemporary political economy worldwide. New to the paperback edition is an epilogue reflecting on the implications for Portugal EU membership and the Eurozone crisis.

TEN DAYS THAT SHOOK THE WORLD

GENERAL PRESS John Reed, an American journalist and revolutionary writer and a close friend of Lenin and was an eyewitness to the 1917 revolution in Russia. Ten Days That Shook the World is Reed's extraordinary record of that event. Writing in the first flush of revolutionary enthusiasm, he gives a gripping account of the events in Petrograd in November 1917, when Lenin and the Bolsheviks finally seized power. Containing verbatim reports both of speeches by leaders and of the chance comments of bystanders, and set against an idealized backdrop of soldiers, sailors, peasants, and the proletariat uniting to throw off oppression, Reed's account is the product of passionate involvement and remains an unsurpassed classic of reporting. 'Ten Days That Shook the World' is a must read for those interested in the socialistic movement and how it shaped Russian history.

IMPERIAL PORTUGAL IN THE AGE OF ATLANTIC REVOLUTIONS

THE LUSO-BRAZILIAN WORLD, C.1770-1850

Cambridge University Press As the British, French and Spanish Atlantic empires were torn apart in the Age of Revolutions, Portugal steadily pursued reforms to tie its American, African and European territories more closely together. Eventually, after a period of revival and prosperity, the Luso-Brazilian world also succumbed to revolution, which ultimately resulted in Brazil's independence from Portugal. The first of its kind in the English language to examine the Portuguese Atlantic World in the period from 1750 to 1850, this book reveals that despite formal separation, the links and relationships that survived the demise of empire entwined the historical trajectories of Portugal and Brazil even more tightly than before. From constitutionalism to economic policy to the problem of slavery, Portuguese and Brazilian statesmen and political writers laboured under the long shadow of empire as they sought to begin anew and forge stable post-imperial orders on both sides of the Atlantic.

A CONCISE HISTORY OF PORTUGAL

Cambridge University Press This concise, illustrated history of Portugal offers an introduction to the people and culture of the country, its empire, and to its search for economic modernisation, political stability and international partnership. The book studies the effects of the vast wealth mined from Portuguese Brazil, the growth of the wine trade, and the evolution of international ties. The Portuguese Revolution of 1820 to 1851 created a liberal monarchy, but in 1910 the king was overthrown and, by 1926, had been replaced by a dictatorship. In 1975 Portugal withdrew from its African colonies and turned north to become a democratic member of the European Community in 1986. Researched during the years which followed the fall of Portugal's dictators in 1974, this book has become the standard single-volume work. The second edition brings the story up to date and discusses the state of historical writing on Portugal at the turn of the millennium.

PORTUGAL: A COMPANION HISTORY

Carcanet Professor Saraiva's multi-volume History of Portugal is a celebrated scholarly standard work. Yet, when he published a one-volume Historia Concisa, it proved a run-away best seller in Portugal, and the television series that went with it became a chart-topper. His latest book, produced especially for Carcanet's Aspects of Portugal series, is a history of his country, brief, acute and illuminating, written with scholarly insight and with non-specialist foreign readers specifically in mind. To this main text Ian Robertson, author of the well-known Blue Guide to Portugal, has added a historical gazeteer, brief biographies, chronological tables, maps and other elements which make this an essential Companion, the sort of book that a reader in need of accurate, brief and lucid reference will find useful, and every visitor to Portugal will find rewarding. The book is generously illustrated.

REVOLUTION, REBELLION, RESISTANCE

THE POWER OF STORY

Zed Books Ltd. Why do revolutions happen? Decades of social science research have brought us little closer to understanding where, when and amongst whom they occur. In this groundbreaking book, Eric Selbin argues that we need to look beyond the economic, political and social structural conditions to the thoughts and feelings of the people who make revolutions. In particular, he argues, we need to understand the stories people relay and rework of past injustices and struggles as they struggle in the present towards a better future. Ranging from the French Revolution to the Battle for Seattle, via Russia, China, Cuba, Vietnam and Nicaragua, Selbin makes the case that it is myth, memory and mimesis which create, maintain and extend such stories. Revolution, Rebellion, Resistance identifies four kinds of enduring revolutionary story - Civilizing and Democratizing, The Social Revolution, Freedom and Liberation and The Lost and Forgotten - which do more than report on events, they catalyse changing the world.

THE COLONIAL WARS IN CONTEMPORARY PORTUGUESE FICTION

Tamesis Books The Portuguese fiction that awakened public debate on imperialism

THE HISTORY OF THE REVOLUTIONS OF PORTUGAL, FROM THE FOUNDATION OF THAT KINGDOM TO ... 1667, WITH LETTERS OF SIR R. SOUTHWELL ... TO THE DUKE OF ORMOND; GIVING A PARTICULAR ACCOUNT OF THE DEPOSING ALFONSO AND PLACING DON PEDRO ON THE THRONE. [BY T. CARTE.]

THE ANGEL OF THE REVOLUTION

eStar Books 'The Brotherhood of Freedom' is out to take over the world using airship warfare. The group is led by a brilliant Russian Jew and his daughter, the 'angel' Natasha. They manage to establish a 'pax aeronautica' over the earth after a young inventor masters the technology of flight in 1903, and the war progresses to the heart of Russia and against the Russian Czar.

STATE

THE CARNATION REVOLUTION. CAUSES, PROCESS AND CONSEQUENCES

GRIN Verlag Seminar paper from the year 2013 in the subject Politics - International Politics - Region: Western Europe, grade: 1,3, , language: English, abstract: Nobody could have thought when on Thursday, April 25, 1974 in Lisbon, shortly after midnight the catholic Rádio Renascença played the song Grandola Vila Morena, it would lead to such consequences. The song was the signal for the young military officers of the Movimento das Forças Armadas (MFA) to carry out the plans for a coup d'état. Only minor resistance from the security police occurred, so that by late morning the crowds were flooding the streets, cheering the soldiers, and putting carnations in the barrels of the rifles. The coup was efficiently and successfully and still on the same day, the deposed dictator Marcello Caetano surrendered to the new military leaders and already the next day flew into exile. This coup d'état marked the death of the oldest, over 40 years old dictatorship in Europe, lead by António de Oliveira Salazar (Ferreira, 1986). On the one hand marked April 25 the beginning of transition to democracy in Portugal and later even lead to a consolidated democracy. On the other hand this day marked the beginning of the third wave of democratization. The fall of communist regimes in Eastern Europe, the breakdown of the Latin American authoritarian regimes followed after Portugal brought the ball rolling. And the snowball effect influenced many other authoritarian regimes in the world to democratize as well. States like Spain, Brazil and Hungary were to follow the example of Portugal. It is the aim of this paper to analyze what the causes were, that lead to the revolution, how the process of the transition occurred and what the consequences of April 25 were.

SOUTHERN EUROPE

POLITICS, SOCIETY AND ECONOMICS SINCE 1945

Routledge Until relatively recently most of southern Europe was governed by authoritarian dictatorships, but within the space of two decades more or less stable democracies have become established throughout the entire region. At the same time, backward peasant economies have been transformed by the injection of huge amounts of capital and new technology, into modern economies which are now approaching the size of the more established economies of Northern Europe. Southern Europe is a major contribution to our understanding of European politics. The product of original research and synthesis on exceptionally wide literature, it provides authoritative and systematic coverage of the politics, economics and society of this important region of Europe from 1945, up to the 1994 election of Silvio Berlusconi's far right alliance in Italy.

THE REVOLUTION BEFORE THE REVOLUTION

LATE AUTHORITARIANISM AND STUDENT PROTEST IN PORTUGAL

Berghahn Books Histories of Portugal's transition to democracy have long focused on the 1974 military coup that toppled the authoritarian Estado Novo regime and set in motion the divestment of the nation's colonial holdings. However, the events of this "Carnation Revolution" were in many ways the culmination of a much longer process of resistance and protest originating in universities and other sectors of society. Combining careful research in police, government, and student archives with insights from social movement theory, The Revolution before the Revolution broadens our understanding of Portuguese democratization by tracing the societal convulsions that preceded it over the course of the "long 1960s."

THE NEW MEDITERRANEAN DEMOCRACIES

REGIME TRANSITION IN SPAIN, GREECE AND PORTUGAL

Routledge This volume, first published in 1984, discusses the viability of applying the 'Mediterranean model' to three countries that were transitioning to democracy, - Spain, Greece and Portugal - combining both comparative and national case-study approaches. In particular, Spain, Greece and Portugal offer comparable examples of the problems of establishing new democratic systems within relatively unstable and economically less developed environments. This title applies different theories of regime transition to the countries in question. This volume will be of interest to students of politics.

DON'T GO THERE. IT'S NOT SAFE. YOU'LL DIE. AND OTHER MORE >> RATIONAL ADVICE FOR OVERLANDING MEXICO & CENTRAL AMERICA

Life Remotely

MACAU, CHINA

A POLITICAL HISTORY OF THE PORTUGUESE COLONY'S TRANSITION TO CHINESE RULE

McFarland Publishing On December 20, 1999, Portugal was formally handed over Macau to China, ending 442 years of Portuguese control of the tiny peninsula and two small islands. Though comprised of just over nine square miles (with new reclamation), Macau was once one of the world's most important trading ports. In recent years, Macau has become a vital alternative to Hong Kong as a gateway to the booming economy of the People's Republic of China. Macau is first examined from a historical perspective. The island's responses to World War II, the Korean War and China's civil war are

fully covered, as is the influence of China's Great Proletarian Cultural Revolution. The secret agreements between China and Portugal in the 1960s and 1970s are described, along with a full accounting of the arrangement for the return of Macau to China. The prospects for the island's future under Chinese control are then detailed.

BEARCITY

THE NOVEL

Lethe Press Based on the award-winning feature-length movie, *Bear City: The Novel* follows the funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cubs, and friends in New York City as they gear up for a big party weekend. A hirsute Sex and the City set in the "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body types. Using satire and humor, the novel exposes their explores these men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears.

THE PORTUGUESE

A PORTRAIT OF A PEOPLE

Andrews UK Limited Portugal is an established member of the European Union, one of the founders of the euro currency and a founder member of NATO. Yet it is an inconspicuous and largely overlooked country on the continent's south-west rim. In the fifteenth- and sixteenth-century Age of Discovery the Portuguese led Europe out of the Mediterranean into the Atlantic and they brought Asia and Europe together. Evidence of their one-time four-continent empire can still be felt, not least in the Portuguese language which is spoken by more than 220 million people from Brazil, across parts of Africa to Asia. Analyzing present-day society and culture, *The Portuguese* also considers the nation's often tumultuous past. The 1755 Lisbon earthquake was one of Europe's greatest natural disasters, strongly influencing continental thought and heralding Portugal's extended decline. The Portuguese also weathered Europe's longest dictatorship under twentieth-century ruler Ant nio Salazar. A 1974 military coup, called the Carnation Revolution, placed the Portuguese at the centre of Cold War attentions. Portugal's quirky relationship with Spain, and with its oldest ally England, is also scrutinized. Portugal, which claims Europe's oldest fixed borders, measures just 561 by 218 kilometres . Within that space, however, it offers a patchwork of widely differing and beautiful landscapes. With an easygoing and seductive lifestyle expressed most fully in their love of food, the Portuguese also have an anarchical streak evident in many facets of contemporary life. A veteran journalist and commentator on Portugal, the author paints an intimate portrait of a fascinating and at times contradictory country and its people.

THE MEMOIRS OF MADAME VIG E LEBRUN

DigiCat This is an autobiography and memoirs of the extraordinary life of Elisabeth Vigee Lebrun (1756-1842), one of the finest painters of eighteenth-century France. She was highly esteemed by painters at home and abroad and became one of the few women admitted to the French Academy at a time when a career as an artist was all but restricted to men. Due to this honor, she entered the higher society and got acquainted with both aristocracy and the greatest artists and writers of the day. Among the people she managed to see in her life, a reader will find Marie Antoinette, Catherine the Great, Benjamin Franklin, and Lord Byron.

HISTORICAL DICTIONARY OF PORTUGAL

Identifies the events that have helped shape Portugal's history of two thousand years, including it's people, culture, economy, politics, and national pastimes.

TERROR-ORGANISATION THE DAWN OF THE TRUE ISLAM AND THE REAL IRA

Samir and Siobhan, a young Dutch radical Muslim and a young Northern-Irish woman, are radicalising. Samir, from within the fundamentalist Islam, Siobhan from with the real IRA who co-operates with the terror-organisation: The Dawn of the True Islam. This international Islamic terror-organisation has developed a secret weapon: a tiny poisonous ball that is capable of destroying all life with a few minutes in a certain room or building. Siobhan is going to test the secret weapon after her training in the desert of Lybia on the murderer or her grandfather, who was killed during Bloody Sunday in Northern Ireland. The murderer lives in the Algarve, Portugal. After a successful test the secret weapon is going to be used to commit terror attacks in Amsterdam, London and New York. The goal is to destroy the values of the Western World and to establish a Great Islamic Empire. Samir, who is apparently an excellent intern in a multicultural elderly home in Holland, is the contact person of the Dutch terrorcell (of the international Muslim terror-organisation) in Holland. On the inside he is a radicalized Muslim with a hurt ego. In the international Muslim terror-network he thinks he is taken seriously. Before Siobhan can test the secret weapon in Portugal she is abducted by the Israeli Mossad. She ends up in Israel. She can choose: either work with the Israelis to help in dismantling the international Muslim terror-organisation or she will be left on her own with all the consequences. . In the meantime there are also terrorist attacks and threats in Amsterdam and London. It is bringing the two countries in a state of imbalance.

REVOLUTION INTO DEMOCRACY

PORTUGAL AFTER THE COUP : A REPORT

A MARRIAGE UNDER THE TERROR

HISTORICAL NOVEL

DigiCat Aline de Rochambeau's move to Paris is doomed since the day she left her convent to marry her fianc  Vicomte Selincourt, a man of dubious nature. France is getting restless and violent under the penumbra of the forthcoming Revolution, and Aline's aristocratic background makes her a huge suspect. Luckily Jacques Dangeau, a young Republican, takes a fancy to her and marries her to save her from the threat of an imminent arrest. But can the two poles ever meet? Will Aline be able to reciprocate Jacques' love? Will Jacques be able to accept Aline as she is?_Excerpt: _It was high noon on a mid-August morning of the year 1792, but Jeanne, the waiting-maid, had only just set the coffee down on the small table within the ruelle of Mme de Montargis' magnificent bed. Great ladies did not trouble themselves to rise too early in those days, and a beauty who has been a beauty for twenty years was not more anxious than now to face the unflattering freshness of the morning air. Laure de Montargis stirred in the shadow of her brocaded curtains, put out a white hand for the cup, sipped from it, murmured that the coffee was cold, and pushed it from her with a fretful exclamation that made Jeanne frown as she drew the tan-coloured curtains and let in the mid-day glare....

THE DEVELOPMENT OF THE PORTUGUESE ECONOMY

A CASE OF EUROPEANIZATION

Psychology Press This text analyzes the Europeanization of the Portuguese economy in the context of closer European integration, globalization and the struggle to achieve international competitiveness. Portugal, it argues, is an interesting case of the latecomer modernizer that latches on to Europe as

the vehicle for its economic transformation. European integration facilitated Portugal's transformation from insularity and uncompetitiveness into a modernizing economy that is steadily, if unevenly, converging with its EU partners.
