## Palace Pets: Beauty: Aurora's Sleepy Kitten

**Disney Electronic Content** Beauty is a sweet kitty who loves to sleep, snuggle, and play with her best friend, Princess Aurora. Kids will love getting to know one of the Disney princesses' new friends in this book, the first in a series of early chapter books featuring the Palace Pets!

### Somebody's Perfect

**Kallypso Masters LLC** Savannah escaped horrendous abuse and torture at the hands of her father and struggled to accept her happiness with Damián and their daughter. As her father's trial for murder and kidnapping approaches, nightmares and memories of the past threaten to destroy all she has gained since her escape. Damián knows her father will go to any lengths to destroy them. The need to protect her wars with his need to prepare her to face one last time the monster who robbed her of her childhood innocence. If anything happens to Savannah, their daughter, or their unborn child, Damián vows to finish the job he started at the desert compound where he rescued her.

## Disney's It's Magic!

### Stories from the Films

**Random House Disney** Disney's animated fairies, wizards, and other magical characters--from Sleeping Beauty's fairy godmothers to Peter Pan and Tinker Bell--appear in their most magical moments.

## Walt Disney's Sleeping Beauty

**Random House Disney** Cursed at birth by the evil fairy Maleficent, Princess Aurora pricks her finger on a spindle and falls into a deep enchanted sleep, only to be awakened by the kiss of handsome Prince Phillip

## Disney Princess: My Side of the Story - Sleeping Beauty/Maleficent - Book #4

**Disney Press** And that story about Maleficent putting a dreadful curse on baby Aurora? Maleficent insists that as CEO of E.V.I.L. enterprises, she was only trying to offer the little princess an internship at her textile mill. Maleficent knew the little princess wouldn't get by on the gifts of beauty and song. A good work ethic-now, that's priceless! Who's telling the truth? You decide!

### Picture Perfect #2: You First

**Harper Collins** Being one half of a BFF heart necklace is serious business—and in the Picture Perfect series, each story tackles a tough friendship challenge. Through the ups and downs of life in middle school, through braces and boy bands, family feuds and fashion disasters, your best bud is there. But what happens when friendship suddenly gets complicated? Tween readers will adore these sweet, accessible stories about the power of friendship. Gigi Stewart and her best friend, Finley, are always together. And everything they do, they document on the Wall—their collage in Gigi's room that holds layers and layers of memories—from movie tickets to magazine ads to embarrassing baby photos—and they never stop adding to it. But when Gigi suggests they start planning their annual joint birthday blowout, Finn just doesn't seem that into it. She's more interested in extra soccer practice than choosing a party theme, or going to cooking class, or having sleepovers with Gigi. Gigi can't help but be hurt, and she's even more upset when she discovers that Finn's been lying about what's she's been doing instead of hanging out with her. Gigi thought she and Finn would be friends forever—but what if "forever" is coming to an end?

### 5-Minute Spooky Stories

#### 4 Stories in 1

**Disney Electronic Content** 4 stories in 1! Get ready for four spook-tacular adventures featuring your favorite Disney and Disney • Pixar characters! Maleficent returns and casts a spell on the kingdom; Rapunzel and Pascal create spooky traditions in Rapunzel's tower; Mike and Sulley search for the culprit behind mysterious events at the Monstropolis parade; and Wreck-It-Ralph and Vanellope meet a marshmallow ghost. Each of these stories is an ideal length for reading aloud in about five minutes—perfect for bedtime, storytime, or anytime!

### Raising My Rainbow

#### Adventures in Raising a Fabulous, Gender Creative Son

**Crown** Raising My Rainbow is Lori Duron's frank, heartfelt, and brutally funny account of her and her family's adventures of distress and happiness raising a gender-creative son. Whereas her older son, Chase, is a Lego-loving, sports-playing boy's boy, Lori's younger son, C.J., would much rather twirl around in a pink sparkly tutu, with a Disney Princess in each hand while singing Lady Gaga's "Paparazzi." C.J. is gender variant or gender nonconforming, whichever you prefer. Whatever the term, Lori has a boy who likes girl stuff—really likes girl stuff. He floats on the gender-variation spectrum from super-macho-masculine on the left all the way to super-girly-feminine on the right. He's not all pink and not all blue. He's a muddled mess or a rainbow creation. Lori and her family choose to see the rainbow. Written in Lori's uniquely witty and warm voice and launched by her incredibly popular blog of the same name, Raising My Rainbow is the unforgettable story of her wonderful family as they navigate the often challenging but never dull privilege of raising a slightly effeminate, possibly gay, totally fabulous son. Now with Extra Libris material, including a reader's guide and bonus content

### Unfavored

**Singapore New Reading Technology Pte Ltd** After being kicked out of the house by her homophobic parents, Mattel was forced to support her education, financial needs, and she has sworn to never go back home even if she has everything back there. When she accepted a job offer from Aidan, the girl that she hates and the lesbian twin sister of their academy's queen bee, she realized that the bad girl has a soft side and has reasons as to why she acts the way she is. And, with the time they spent together, they can never get away from the fact that love is assembling between them. What would happen if Mattel's parents decided to take her back in but with something big in return? Will their love be enough to conquer everything? Or would it be the end for both of them?

### Mousejunkies!

#### More Tips, Tales, and Tricks for a Disney World Fix: All You Need to Know for a Perfect Vacation

**Travelers' Tales** A guidebook with a decidedly different approach, the second edition of Mousejunkies is a collection of humorous travelogues and insider how-to secrets compiled after scores of trips to Walt Disney World. The book draws on the insights of a panel of Disney fanatics — The Mousejunkies — following dozens of personal vacations, trade shows and press trips in recent years. This second edition brings everything up to date with countless new tips, tricks, and tales. Mousejunkies provides tips and travel plans told through personal accounts — something that sets it apart from all the other guides. All of the most important topics are covered: When to go, where to stay, what to do and where to eat. But readers will also learn how to indulge in an all-day chicken wing and beer football orgy at Walt Disney World, how to extract your family from Fantasmic with your sanity intact, where to catch a mid-afternoon catnap in the theme park, and even how wrong a Disney cruise can go. Mousejunkies is more than one travel writer's experiences at one of the most popular vacation destinations in the world. The Mousejunkies are a group of seemingly well-adjusted adults who have found themselves inexplicably drawn to Walt Disney World, again and again. Each has taken his or her own path, finding their way separately. When the smoke cleared, the group found itself back in reality, staring at one another over a pile of discarded annual passes and a useless collection of novelty hats. The stories — wry, humorous and told with an affection gained through years of Disney addiction — paint vivid portraits of a creatively engineered world, where unexpected surprises create lasting memories. The tips — valuable information designed to help readers get more out of their vacations — are told with a sly wink and the desire to share the secrets that make trips to central Florida more memorable. From touring plans to tongue-in-cheek reviews of the theme parks' restrooms, Mousejunkies provides readers with useful information couched in obsessively-detailed narrative with a humorous touch.

### Into the Unknown (from Frozen 2) - Piano/Vocal/Guitar Sheet Music

**Hal Leonard** (Piano Vocal). This sheet music features an arrangement of the new song from Frozen II arranged for piano and voice with guitar chord frames and complete lyrics.

### The Freaks of Mayfair

**Chatto & Windus** A portrait of British society during World War I focuses on snobs, gays, hypochondriacs, gossips, dreamers, reactionaries, and social climbers

### Fairy Tales and the Art of Subversion

#### The Classical Genre for Children and the Process of Civilization

**Routledge** The fairy tale may be one of the most important cultural and social influences on children's lives. But until Fairy Tales and the Art of Subversion, little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children's lives — their behavior, values, and relationship to society. As Jack Zipes convincingly shows, fairy tales have always been a powerful discourse, capable of being used to shape or destabilize attitudes and behavior within culture. For this new edition, the author has revised the work throughout and added a new introduction bringing this classic title up to date.

### The Princess and the Philosopher

#### Letters of Elisabeth of the Palatine to René Descartes

**Rowman & Littlefield** For a number of years, those interested in recovering women's thought have known about Princess Elisabeth, a seventeenth-century correspondent, friend, and an acute, persistent critic of Descartes's philosophy. Her questions provoked the philosopher to think more seriously about ethics and the passions, as Elisabeth found his answer—that an all-powerful God can do anything—extremely unsatisfactory. Up to now, only a few of her letters have found their way into print. This volume includes translations of all of Elisabeth's extant letters to Descartes, as well as of other materials relevant to understanding her philosophical perspective and her life. Andrea Nye analyzes the correspondence between Elisabeth and Descartes to support the thesis that Elisabeth developed and defended a worldly philosophy of life in opposition to the unworldly rules Descartes offered for living a tranquil and happy life. Nye has supplemented the translations with a running commentary on the historical, biographical, and intellectual context of the letters.

## Princess Margaret

### A Biography

### Murder of a Medici Princess

**Oxford University Press, USA** [In Murder of a Medici Princess, Caroline Murphy illuminates the brilliant life and tragic death of Isabella de Medici, one of the brightest stars in the dazzling world of Renaissance Italy, the daughter of Duke Cosimo I, ruler of Florence and Tuscany. Murphy is a superb storyteller, and her fast-paced narrative captures the intrigue, the scandal, the romantic affairs, and the violence that were commonplace in the Florentine court. She brings to life an extraordinary woman, fluent in five languages, a free-spirited patron of the arts, a daredevil, a practical joker, and a passionate lover. Isabella, in fact, conducted numerous affairs, including a ten-year relationship with the cousin of her violent and possessive husband. Her permissive lifestyle, however, came to an end upon the death of her father, who was succeeded by her disapproving older brother Francesco. Considering Isabella's ways to be licentious and a disgrace upon the family, he permitted her increasingly enraged husband to murder her in a remote Medici villa. To tell this dramatic story, Murphy draws on a vast trove of newly discovered and unpublished documents, ranging from Isabella's own letters, to the loose-tongued dispatches of ambassadors to Florence, to contemporary descriptions of the opulent parties and balls, salons and hunts in which Isabella and her associates participated. Murphy resurrects the exciting atmosphere of Renaissance Florence, weaving Isabella's beloved city into her story, evoking the intellectual and artistic community that thrived during her time. Palaces and gardens in the city become places of creativity and intrigue, sites of seduction, and grounds for betrayal. Here then is a narrative of compelling and epic proportions, magnificent and alluring, decadent and ultimately tragic.](#)

### The Courtship of Princess Leia

**Spectra** [Han Solo confronts a new rival for Princess Leia's affections in the person of Prince Isolder, who will ally the sixty-three high-tech worlds of the Hapes Consortium with the New Republic, if Leia will marry him](#)

### Princess of Wales

**Encore Editions** [This illustrated account of eight royal women historically overshadowed by their regal counterparts explores the lives and political destinies of each Princess of Wales from the Middle Ages to the twentieth century](#)

### The Publishers Weekly

### Becoming Victoria

**Yale University Press** [Part biography, part historical and cultural study, this richly illustrated volume uncovers in fascinating detail the childhood that Princess Victoria actually lived. Vallone shows readers a new Victoria--a lively and passionate girl very different from the iconic, dour widow of the queen's later life. 50 illustrations, 15 in color.](#)

### King and Joker

**Pantheon**

### How Far I'll Go (from Moana) Sheet Music

**Hal Leonard Corporation** (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
