NAILED: TEN CHRISTIAN MYTHS THAT SHOW JESUS NEVER EXISTED AT ALL

Why would anyone think Jesus never existed? Isn't it perfectly reasonable to accept that he was a real first century figure? As it turns out, no.NAILED sheds light on ten beloved Christian myths, and, with evidence gathered from historians across the theological spectrum, shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and imagination; a messiah transformed from a purely literary, theological construct into the familiar figure of Jesus ' in short, a purely mythic Christ.

DID JESUS EXIST?

THE HISTORICAL ARGUMENT FOR JESUS OF NAZARETH

Harper Collins In *Did Jesus Exist?* historian and Bible expert Bart Ehrman confronts the question, "Did Jesus exist at all?" Ehrman vigorously defends the historical Jesus, identifies the most historically reliable sources for best understanding Jesus' mission and message, and offers a compelling portrait of the person at the heart of the Christian tradition. Known as a master explainer with deep knowledge of the field, Bart Ehrman methodically demolishes both the scholarly and popular "mythicist" arguments against the existence of Jesus. Marshaling evidence from within the Bible and the wider historical record of the ancient world, Ehrman tackles the key issues that surround the mythologies associated with Jesus and the early Christian movement. In *Did Jesus Exist?: The Historical Argument for Jesus of Nazareth*, Ehrman establishes the criterion for any genuine historical investigation and provides a robust defense of the methods required to discover the Jesus of history.

WHAT DID JESUS LOOK LIKE?

Bloomsbury Publishing Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

COLD-CASE CHRISTIANITY

A HOMICIDE DETECTIVE INVESTIGATES THE CLAIMS OF THE GOSPELS

David C Cook Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Join bestselling author Philip Yancey as he conducts an enlightening biblical and historical investigation into the real Jesus. From the manger in Bethlehem to the cross in Jerusalem, Philip Yancey presents a complex character who generates questions as well as answers--a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. Praise for *The Jesus I Never Knew*: "This is the best book about Jesus I have ever read, probably the best book about Jesus in the whole century. Yancey gently took away my blinders and blazed the trail through my own doubting fears, pious know-it-all, and critical balderdash until I saw the Savior anew and thought I heard him ask me, 'Now whom do you say that I am?' and I understood the question as I never had before." --Lewis B. Smedes, Senior Professor, Fuller Seminary "Philip Yancey takes the reader with him on his very personal journey to Jesus. In *The Jesus I Never Knew*, I became convinced that the Jesus I met--in some ways for the first time--has known me all along. This book is destined to become a favorite--to recommend to those still seeking Jesus and to pass along to those who've met him, but long to know him

THE CHRIST CONSPIRACY

THE GREATEST STORY EVER SOLD

Blue Poppy Enterprises, Inc. In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not "divine revelation." Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been "The Greatest Conspiracy Ever Sold."

COUNTING RELIGION IN BRITAIN, 1970-2020

SECULARIZATION IN STATISTICAL CONTEXT

Oxford University Press Counting Religion in Britain, 1970-2020, the fourth volume in the author's chronological history of British secularization, sheds significant new light on the nature, scale, and timing of religious change in Britain during the past half-century, with particular reference to quantitative sources. Adopting a key performance indicators approach, twenty-one facets of personal religious belonging, behaving, and believing are examined, offering a much wider range of lenses through which the health of religion can be viewed and appraised than most contemporary scholarship. Summative analysis of these indicators, by means of a secularization dashboard, leads to a reaffirmation of the validity of secularization (in its descriptive sense) as the dominant narrative and direction of travel since 1970, while acknowledging that it is an incomplete process and without endorsing all aspects of the paradigmatic expression of secularization as a by-product of modernization.

FACE TO FACE MEETINGS WITH JESUS CHRIST 3 (PDF)

REVEALING THE END OF THE AGE

Felix Wantang We all live in a world where virtually every spiritual struggle is practically beyond our control. While some of us will die instantly without the opportunity to consciously sense death beforehand, others on the other hand will have the opportunity to know well in advance that death is around the corner. Regardless of which group you eventually find yourself, the truth is that every life on earth will one day without notice suddenly come to an end followed by a swift judgment with no excuses whatsoever. Do you know your final destination? When the disciples asked Jesus about the End of the Age, he said to them, "No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father." Matthew 24:36. But in this book and for the first time in human history, Jesus discloses a unique breathtaking code in the Language of Heaven that reveals the only clue to the End of the Age. God's spiritual principle of life for humanity on earth is, "All about Him" because He wants us to make Him the priority of our lives. But on judgment day, when you appear before Jesus Christ, that will all change because God's spiritual principle of life for humanity will become, "All about you". You either have Jesus Christ to enter God's Paradise in Heaven or you don't. What makes your life a supernatural success is where you effectively go from this world; not where you came from or what you did on earth at the expense of salvation. No eyes have ever seen, no ears have ever heard, and no human mind can fathom what God is about to unleash on earth through the second coming of His son. This book will give you all the supernatural Biblical spiritual details you need to prepare yourself for what the Bible described as "The Final Hour." The time is at hand; Jesus loves you. This book is Volume 3 of "Face to Face Meetings with Jesus Christ". Apart from him, we can do nothing.

TEN THINGS I WISH JESUS NEVER SAID

Crossway Only when we have a healthy realization of our spiritual needs can we understand how surrender brings peace and freedom. With honesty and humility, Kuligin examines ten of Christ's difficult sayings and offers practical advice for following Christ. Blended into each chapter are personal anecdotes, a healthy quantity of biblical support, and reflections from historical figures.

"The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. HOW JESUS BECAME GOD

THE EXALTATION OF A JEWISH PREACHER FROM GALILEE

Harper Collins New York Times bestselling author and Bible expert Bart Ehrman reveals how Jesus's divinity became dogma in the first few centuries of the early church. The claim at the heart of the Christian faith is that Jesus of Nazareth was, and is, God. But this is not what the original disciples believed during Jesus's lifetime—and it is not what Jesus claimed about himself. *How Jesus Became God* tells the story of an idea that shaped Christianity, and of the evolution of a belief that looked very different in the fourth century than it did in the first. A master explainer of Christian history, texts, and traditions, Ehrman reveals how an apocalyptic prophet from the backwaters of rural Galilee crucified for crimes against the state came to be thought of as equal with the one God Almighty, Creator of all things. But how did he move from being a Jewish prophet to being God? In a book that took eight years to research and write, Ehrman sketches Jesus's transformation from a human prophet to the Son of God exalted to divine status at his resurrection. Only when some of Jesus's followers had visions of him after his death—alive again—did anyone come to think that he, the prophet from Galilee, had become God. And what they meant by that was not at all what people mean today. Written for secular historians of religion and believers alike, *How Jesus Became God* will engage anyone interested in the historical developments that led to the affirmation at the heart of Christianity: Jesus was, and is, God.

DESIRING GOD

MEDITATIONS OF A CHRISTIAN HEDONIST

Multnomah Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

DID JESUS EXIST?

Prometheus Books Professor Wells argues that there was no historical Jesus, and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome, and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity. The question at issue is what all the evidence adds up to. Does it establish that Jesus did or did not exist? Professor Wells concludes that the latter is the more likely hypothesis. This challenge to received thinking by both Christians and non-Christians is supported by much documentary evidence, and Professor Wells carefully examines all

the relevant problems and answers all the relevant questions. He deliberately avoids polemic and speculation, and sticks so far as possible to the known facts and to rational inferences from the facts.

EXALTING JESUS IN 1 & 2 KINGS

B&H Publishing Group Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition.

WHY SCIENCE DOES NOT DISPROVE GOD

Harper Collins The renowned science writer, mathematician, and bestselling author of Fermat's Last Theorem masterfully refutes the overreaching claims the "New Atheists," providing millions of educated believers with a clear, engaging explanation of what science really says, how there's still much space for the Divine in the universe, and why faith in both God and empirical science are not mutually exclusive. A highly publicized coterie of scientists and thinkers, including Richard Dawkins, the late Christopher Hitchens, and Lawrence Krauss, have vehemently contended that breakthroughs in modern science have disproven the existence of God, asserting that we must accept that the creation of the universe came out of nothing, that religion is evil, that evolution fully explains the dazzling complexity of life, and more. In this much-needed book, science journalist Amir Aczel profoundly disagrees and conclusively demonstrates that science has not, as yet, provided any definitive proof refuting the existence of God. *Why Science Does Not Disprove God* is his brilliant and incisive analyses of the theories and findings of such titans as Albert Einstein, Roger Penrose, Alan Guth, and Charles Darwin, all of whose major breakthroughs leave open the possibility—and even the strong likelihood—of a Creator. Bolstering his argument, Aczel lucidly discourses on arcane aspects of physics to reveal how quantum theory, the anthropic principle, the fine-tuned dance of protons and quarks, the existence of anti-matter and the theory of parallel universes, also fail to disprove God.

Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

THE QUEST OF THE HISTORICAL JESUS

A CRITICAL STUDY OF ITS PROGRESS FROM REIMARUS TO WREDE

CHRISTUS VIVIT

Our Sunday Visitor To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."
