PERSEPHONE THE PHONY

BOOK 2

Hachette UK As Persephone's mum encourages her to do, she often "goes along to get along" instead of doing what she really wants. But when she meets Mount Olympus Academy bad-boy Hades, she finally feels she has found someone with whom she can be herself. He's the first person who actually listens to her, and she finds herself liking him, despite the fact that the other goddess girls think he's bad news. But if he makes her feel so special - and she's so comfortable hanging around him - can he really be all that bad? Authors Joan Holub and Suzanne Williams put a modern spin on classic myths with the Goddess Girls series. Follow the ins and outs of divine social life at Mount Olympus Academy, where the most privileged godboys and goddessgirls in the Greek pantheon hone their mythical skills.

HOPE'S BOY

Hachette UK From the moment he was born, Andrew Bridge and his mother Hope shared a love so deep that it felt like nothing else mattered. Trapped in desperate poverty and confronted with unthinkable tragedies, all Andrew ever wanted was to be with his mom. But as her mental health steadily declined, and with no one else left to care for him, authorities arrived and tore Andrew from his screaming mother's arms. In that moment, the life he knew came crashing down around him. He was only seven years old. Hope was institutionalized, and Andrew was placed in what would be his devastating reality for the next eleven years--foster care. After surviving one of our country's most notorious children's facilities, Andrew was thrust into a savagely loveless foster family that refused to accept him as one of their own. Deprived of the nurturing he needed, Andrew clung to academics and the kindness of teachers. All the while, he refused to surrender the love he held for his mother in his heart. Ultimately, Andrew earned a scholarship to Wesleyan, went on to Harvard Law School, and became a Fulbright Scholar. Andrew has dedicated his life's work to helping children living in poverty and in the foster care system. He defied the staggering odds set against him, and here in this heartwrenching, brutally honest, and inspirational memoir, he reveals who Hope's boy really is.

THE SEED OF COMPASSION

LESSONS FROM THE LIFE AND TEACHINGS OF HIS HOLINESS THE DALAI LAMA

Penguin For the first time ever, Nobel Peace Prize Laureate His Holiness the Dalai Lama addresses children directly, sharing lessons of peace and compassion, told through stories of his own childhood. One of today's most inspiring world leaders was once an ordinary child named Lhamo Thondup. In a small village in Tibet, his mother was his first great teacher of compassion. In everyday moments from his childhood, young readers begin to see that important lessons are all around us, and that they, too, can grow to truly

understand them. With simple, powerful text, the Dalai Lama shares the universalist teachings of treating one another with compassion, which Bao Luu illustrates beautifully in vibrant color. In an increasingly confusing world, *The Seed of Compassion* offers guidance and encouragement on how we all might bring more kindness to it.

PERFORMANCE AND THE DISNEY THEME PARK EXPERIENCE

THE TOURIST AS ACTOR

Springer Nature This book addresses Disney parks using performance theory. Few to no scholars have done this to date—an enormous oversight given the Disney parks' similarities to immersive theatre, interpolation of guests, and dramaturgical construction of attractions. Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience. The vast body of research and journalism on the Disney "Imagineers"—the designers and storytellers who construct the park experience—leads to the misconception that these exceptional artists puppeteer every aspect of the guest's experience. Contrary to this assumption, Disney park guests find a range of possible reading strategies when they enter the space. Certainly Disney presents a primary reading, but generations of critical theory have established the variety of reading strategies that interpreters can employ to read against the text. This volume of twelve essays re-centers the park experience around its protagonist: the tourist.
