Girls and Autism

Educational, Family and Personal Perspectives

[Routledge](#) Often thought of as a predominantly 'male' disorder, autism has long gone unidentified, unnoticed and unsupported in girls – sometimes with devastating consequences for their social and mental well-being. As current research reveals a much more balanced male-to-female ratio in autism, this book provides crucial insight into autistic girls' experiences, helping professionals to recognize, understand, support and teach them effectively. Drawing on the latest research findings, chapters consider why girls have historically been overlooked by traditional diagnostic approaches, identifying behaviours that may be particular to girls, and exploring the 'camouflaging' that can make the diagnosis of autistic girls more difficult. Chapters emphasize both the challenges and advantages of autism and take a multidisciplinary approach to encompass contributions from autistic girls and women, their family members, teachers, psychologists and other professionals. The result is an invaluable source of first-hand insights, knowledge and strategies, which will enable those living or working with girls on the autism spectrum to provide more informed and effective support. Giving voice to the experiences, concerns, needs and hopes of girls on the autism spectrum, this much-needed text will provide parents, teachers and other professionals with essential information to help them support and teach autistic girls more effectively.

Victory Over the Self Centered Life - Teacher's Manual PDF

[Zion Christian Publishers](#) This teacher manual is based on Dr. Paul Caram's book Victory Over the Self Centered Life, which is for those who long to have victory over self. We are our own worst enemy. Since the fall of mankind from his place in the Garden of Eden, man's greatest enemy has been his corrupted nature within his own heart. In his study on obtaining true victory over the self-centered life, Dr. Caram will show that the ultimate plan of God is to give us a new heart, free from the prison of the self-life. By putting on the mind of Christ, through humility and meekness, we can enter into the glorious liberty that is promised to the sons and daughters of God.

Corporate.PDF Or How I Stopped and Fell Flat in Love with a Copy Machine

[iUniverse](#) *Corporate.pdf* leaves you hanging on the edge of your toilet. Of course, those are my words, the words of the author, but what do others have to say about the book? "Yes, I liked the book Jeffrey, now clean the dishes," raved Sandra Horton, my mother. "I can't believe anybody in our family can write this good," is an honest to goodness quote from Grandma Wilma Horton. And Uncle Bob Bentz called the book "riveting, I couldn't wait to turn the page." Sure, my family loves me, but what about my friends? Big Mike Leonard was heard somewhere in Germany saying the book was "so descriptive you could smell the bird poop." Darron Vigliotti, not only a friend but a highly respected member of the Stratford High Book Review, deemed it "the culture-bearing work of the MTV generation." He even went as far as saying that I "crafted" the book. My former roommate, Kristen Vernet, said "It's about damn time," in an astounded tone. I think she's just glad she doesn't live with me anymore. And Erin Specht, a current coworker, read the first thirty pages but couldn't handle the pressure of coming up with a quote about it in two minutes. I can personally assure you that she hugely anticipates reading the rest of the book. Now you, you don't know me, but that's the point. Read the book and make up your own mind. If you enjoy laughing, crying, and taking dumps then you'll love it.
