Magic, Monsters, and Make-Believe Heroes

How Myth and Religion Shape Fantasy Culture

University of California Press *Magic, Monsters, and Make-Believe Heroes* looks at fantasy film, television, and participative culture as evidence of our ongoing need for a mythic vision—for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story. Why do we tell and retell the same stories over and over when we know they can't possibly be true? Contrary to popular belief, it's not because pop culture has run out of good ideas. Rather, it is precisely because these stories are so fantastic, some resonating so deeply that we elevate them to the status of religion. Illuminating everything from *Buffy the Vampire Slayer* to *Dungeons and Dragons*, and from *Drunken Master* to *Mad Max*, Douglas E. Cowan offers a modern manifesto for why and how mythology remains a vital force today.

EngLits-Don Quixote (pdf)

InterLingua Publishing Detailed summaries of great literature.

Hero or Villain?

Essays on Dark Protagonists of Television

McFarland *One dimensional television characters are a thing of the past—today's popular shows feature intricate storylines and well developed characters. From the brooding Damon Salvatore in *The Vampire Diaries* to the tough-minded Rick Grimes in *The Walking Dead*, protagonists are not categorically good, antagonists often have relatable good sides, and heroes may act as antiheroes from one episode to the next. This collection of new essays examines the complex characters in *Orange Is the New Black*, *Homeland*, *Key & Peele*, *Oz*, *Empire*, *Breaking Bad*, *House*, and *Buffy the Vampire Slayer*.*

Invulnerable Super Hero RPG Vigilante Edition

Lulu.com *Invulnerable Super Hero RPG: Vigilante Edition is here! Invulnerable's flexible point-based system emphasizes versatility and roleplaying. Invulnerable heroes gain a wide variety of Power Enhancements to show the amazing feats they can perform, and their Motivations and Central Contradiction tell you what kind of hero they are behind the mask! Heroes need a world to protect. Invulnerable includes a detailed setting, Earth-Omega, filled with heroes to join, and villains to trounce, and legacies to uphold! So what are you waiting for? Grab Some Dice And Save The World!*

Dark Hero of the Information Age In Search of Norbert Wiener, The Father of Cybernetics

Basic Books *Child prodigy and brilliant MIT mathematician, Norbert Wiener founded the revolutionary science of cybernetics and ignited the information-age explosion of computers, automation, and global telecommunications. His best-selling book, *Cybernetics*, catapulted him into the public spotlight, as did his chilling visions of the future and his ardent social activism. Based on a wealth of primary sources and exclusive access to Wiener's closest family members, friends, and colleagues, *Dark Hero of the Information Age* reveals this eccentric genius as an extraordinarily complex figure. No one interested in the intersection of technology and culture will want to miss this epic story of one of the twentieth century's most brilliant and colorful figures.*

The Buck, the Black, and the Existential Hero

Refiguring the Black Male Literary Canon, 1850 to Present

Northwestern University Press *The Buck, the Black, and the Existential Hero: Refiguring the Black Male Literary Canon, 1850 to Present* combines philosophy, literary theory, and jazz studies with Africana studies to develop a theory of the black male literary imagination. In doing so, it seeks to answer fundamental aesthetic and existential questions: How does the experience of being black and male in the modern West affect the telling of a narrative, the shape or structure of a novel, the development of characters and plot lines, and the nature of criticism itself? James B. Haile argues that, since black male identity is largely fluid and open to interpretation, reinterpretation, and misinterpretation, the literature of black men has developed flexibility and improvisation, termed the "jazz of life." Our reading of this literature requires the same kind of flexibility and improvisation to understand what is being said and why, as well as what is not being said and why. Finally, the book attempts to offer this new reading experience by placing texts by well-known authors, such as Frederick Douglass, Ralph Ellison, and Colson Whitehead, in conversation with texts by those who are less well known and those who have, for the most part, been forgotten, in particular, Cecil Brown. Doing so challenges the reader to visit and revisit these novels with a new perspective about the social, political, historical, and psychic realities of black men.

A Dark History of Chocolate

Pen and Sword History *A Dark History of Chocolate* looks at our long relationship with this ancient "food of the Gods". The book examines the impact of the cocoa bean trade on the economies of Britain and the rest of Europe, as well as its influence on health, cultural and social trends over the centuries. Renowned food historian Emma Kay takes a look behind the façade of chocolate – first as a hot drink and then as a sweet – delving into the murky and mysterious aspects of its phenomenal global growth, from a much-prized hot beverage in pre-Colombian Central America to

becoming an integral part of the cultural fabric of modern life. From the seductive corridors of Versailles, serial killers, witchcraft, medicine and war to its manufacturers, the street sellers, criminal gangs, explorers and the arts, chocolate has played a significant role in some of the world's deadliest and gruesome histories. If you thought chocolate was all Easter bunnies, romance and gratuity, then you only know half the story. This most ancient of foods has a heritage rooted in exploitation, temptation and mystery. With the power to be both life-giving and ruinous.

The Night Bus Hero

Hachette UK From Onjali Q. Rauf, the award-winning and best-selling author of The Boy at the Back of the Class, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

A Hero of Our Time

Penguin UK Five linked adventures portray Pechorin, a man with very little social decency who acts only in accord with his own convictions and whose main drive is staving off boredom by any means possible.

The Artemis Archetype in Popular Culture

Essays on Fiction, Film and Television

McFarland Many female figures in recent fiction, film, and television embody the Artemis archetype, modeled on the Greco-Roman goddess of the hunt. These characters are often identified as heroines and recognized as powerful and progressive pop icons. Some fit the image of the tough, resourceful female in a science fiction or fantasy setting, while others are more relatable, inhabiting a possible future, a recent past, or a very real present. Examining both iconic and lesser-known works, this collection of new essays analyzes the independent and

capable female figure as an ideal representation of women in popular culture.

Buffy and the Heroine's Journey

Vampire Slayer as Feminine Chosen One

McFarland *The worlds of Percy Jackson, Harry Potter, and other modern epics feature the Chosen One—an adolescent boy who defeats the Dark Lord and battles the sorrows of the world. Television's Buffy the Vampire Slayer represents a different kind of epic—the heroine's journey, not the hero's. This provocative study explores how Buffy blends 1990s girl power and the path of the warrior woman with the oldest of mythic traditions. It chronicles her descent into death and subsequent return like the great goddesses of antiquity. As she sacrifices her life for the helpless, Buffy experiences the classic heroine's quest, ascending to protector and queen in this timeless metaphor for growing into adulthood.*

Where Have All the Heroes Gone?

The Changing Nature of American Valor

Oxford University Press *From the men and women associated with the American Revolution and Civil War to the seminal figures in the struggles for civil and women's rights, Americans have been fascinated with icons of great achievement, or at least reputation. But who spins today's narratives about American heroism, and to what end? In *Where Have All the Heroes Gone?*, Bruce Peabody and Krista Jenkins draw on the concept of the American hero to show an important gap between the views of political and media elites and the attitudes of the mass public. The authors contend that important changes over the past half century, including the increasing scope of new media and people's deepening political distrust, have drawn both politicians and producers of media content to the hero meme. However, popular reaction to this turn to heroism has been largely skeptical. As a result, the conversations and judgments of ordinary Americans, government officials, and media elites are often deeply divergent. Investigating the story of American heroes over the past five decades provides a narrative that can teach us about such issues as political socialization, institutional trust, and political communication.*

The Dark Defiles

Gollancz *Compared to Michael Moorcock and Joe Abercrombie alike, Richard Morgan's fast moving and brutal science fantasy reaches its final volume as *Ringil**

comes to his final reckoning and sees the world tipping into another war with the dragon folk. And, most terrifying of all, the prophecy of a dark lord come to rule may be coming true very close to home... *THE DARK DEFILES* is a supremely fast moving 240,000 word epic. A massive yet tight story that both shines a light on some mysteries from earlier volumes and reveals deeper mysteries yet. We encounter the artifacts of an ancient race, learn the true story of the ghostly Dwenda and follow three old friends as they face their greatest test yet.

Out of My Mind

Simon and Schuster Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

The Byronic Hero in Film, Fiction, and Television

SIU Press *The Byronic Hero in Film, Fiction, and Television* bridges nineteenth- and twentieth-century studies in pursuit of an ambitious, antisocial, arrogant, and aggressively individualistic mode of hero from his inception in Byron's *Manfred*, *Childe Harold*, and *Cain*, through his incarnations as the protagonists of Westerns, action films, space odysseys, vampire novels, neo-Gothic comics, and sci-fi television. Such a hero exhibits supernatural abilities, adherence to a personal moral code, ineptitude at human interaction (muddled even further by self-absorbed egotism), and an ingrained defiance of oppressive authority. He is typically an outlaw, most certainly an outcast or outsider, and more often than not, he is a he. Given his superhuman status, this hero offers no potential for sympathetic identification from his audience. At best, he provides an outlet for vicarious expressions of power and independence. While audiences may not seek to emulate the Byronic hero, Stein notes that he desires to emulate them; recent texts plot to "rehumanize" the hero or to voice through him approbation and admiration of ordinary human values and experiences. Tracing the influence of Lord Byron's *Manfred* as outcast hero on a pantheon of his contemporary progenies—including characters from *Pale Rider*, *Unforgiven*, *The Terminator*, *Alien*, *The Crow*, *Sandman*, *Star Trek: The Next Generation*, and *Angel*—Atara Stein tempers her academic acumen with the insights of a devoted aficionado in this first comprehensive study of the Romantic hero type and his modern kindred. Atara Stein was a professor of English at California State University, Fullerton. Her articles on the development of the Byronic hero have appeared in *Popular Culture Review*, *Romantic Circles Praxis Series*, *Genders*, and *Philological Quarterly*.

Dark Goddess Craft

A Journey through the Heart of Transformation

Llewellyn Worldwide Discover how to utilize the many faces of the dark goddess to navigate the process of deep and rewarding change. This empowering, practical guide looks at the misconceptions surrounding challenging deities and encourages you to draw on their power to work through aspects of yourself or your life that you wish to change. Organized into three sections—descent, challenge, and rebirth—*Dark Goddess Craft* guides you through your own shadow work and helps you emerge renewed. Every step on your path of transformation is connected to a different face of the dark goddess, and Stephanie Woodfield provides rituals, invocations, and offerings for eleven of them. You can mourn loss with the Washer at the Ford, learn to move past betrayal with Sedna, gain personal independence with Blodeuwedd, and become the champion of your own life with Sca?thach. Like a torch to light your way, this book helps you heal and transform into the best version of yourself.

Encountering the Dark Goddess

A Journey into the Shadow Realms

John Hunt Publishing The Dark Goddess is often associated with the Underworld where she leads the uninitiated through a transformative journey of self-discovery, change and soul renewal. She is connected with the unwanted, the forgotten, the ignored or even ashamed parts of our psyche. However there is more to her than that. *Encountering the Dark Goddess: A Journey into the Shadow Realms* guides you through what this challenging facet of the Divine Feminine, the Dark Goddess, is truly about, and encourages you to step through the veils into her hidden realm to explore 13 aspects of herself. Whether you seek healing from past trauma, release from fears or acceptance of the “unacceptable” aspects of your self, *Encountering the Dark Goddess: A Journey into the Shadow Realms* offers ways for you to transform and heal your life through the power of meditation, ritual and inner journeying with the Dark Goddess into her shadowy realms. Use the 13 goddess myths as a guide to discover how to remove the stagnant and unwanted and embrace the ever changing aspects of life that can drag us into the pits of despair. When we connect to the Dark Goddess, we are able to find the light within the darkness and our lives are enriched through the integration of all aspects of our soul as a perfect whole.

The Lost Hero

Penguin UK Jason, Piper, and Leo, three students from a school for “bad kids,” find themselves at Camp Half-Blood, where they learn that they are demigods and begin

a quest to free Hera, who has been imprisoned by Mother Earth herself. Suggested level: intermediate, junior secondary.

Pindar and the Cult of Heroes

Oxford Classical Monographs *Pindar and the Cult of Heroes* combines a study of Greek culture and religion (hero cult) with a literary-critical study of Pindar's epinician poetry. It looks at hero cult generally, but focuses especially on heroization in the 5th century BC. There are individual chapters on the heroization of war dead, of athletes, and on the religious treatment of the living in the 5th century. Hero cult, Bruno Currie argues, could be anticipated, in different ways, in a person's lifetime. Epinician poetry too should be interpreted in the light of this cultural context; fundamentally, this genre explores the patron's religious status. The book features extensive studies of Pindar's Pythians 2, 3, 5, Isthmian 7, and Nemean 7.

The Sacred Sphere

Lulu.com *A Magnificent 80,000-word Romance! Written by the author of ?The Yellow Sphinx? A Christmas Story with a Deeply Laid Plot Introducing Sexton Blake, Tinker, Pedro, Yvonne; Dr. Huxton Rymer, and Wu Ling, Chief of the Brotherhood of the Yellow Beetle. ?Simply one of the best Sexton Blake tales of all time.?*

The Percy Jackson and the Olympians, Book Three: Titan's Curse

Disney / Hyperion Books for Children *In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichore and learn that the goddess Artemis has been kidnapped.*

I am a Hero Omnibus Volume 3

Dark Horse Comics *Hideo and his new ward, young Hiromi, head out of the desolate forest they've been hiding in, hoping to find refuge at a local shrine. Once there, however, they soon realize that populated areas are just as dangerous as the haunted woods they've left! A new ally may help them find a safe place to hole up again--but one quick, deadly bite could threaten all of their lives! Collecting two of the original Japanese volumes into each Dark Horse edition, this value-priced excursion into the world's weirdest zombie apocalypse is not to be missed! "I Am a Hero is probably the greatest zombie manga ever. It has the slow buildup of a psychological horror manga, but when the zombies hit, they hit hard, and the manga accelerates into volumes-long fight-or-flight sequences that seem like they'll never stop." -Jason Thompson (Manga: The Complete Guide) "... an amazing story that puts it firmly in my Must Read list of manga. If you like zombie stories and are curious as*

to what other countries might have to offer to the genre, trust me when I say, you do not want to skip this one." -Kotaku

Letter Tracing Hero Practice Workbook: Ages 3+, Free PDF Version Included

Independently Published [SEE BOOK'S LIVE PHOTOS & VIDEO HERE:](#)

www.prntgame.com/LTHG. **THE ONLY REASON I CREATED THIS BOOK IS** -- all the other books I found didn't satisfy two basic requirements: to have a sufficient number of practical pages and not to be boring. If we analyze negative comments under different Letter Tracing (Handwriting Practice) books, we'll see exactly the same two problems. **PROBLEM # 1: LACK OF PRACTICAL PAGES.** This problem is accompanied by the following comments: «Not so many pages as expected», «We will use it but will be looking for something with more pages», «need to cut the pages out and put them into page protectors and use dry erase markers», «two pages are not enough» etc. If we look at a huge number of letter tracing (handwriting practice) books, we'll see the following: most often, two pages are allocated to tracing a single letter -- one for uppercase and one for lowercase letters. Two more pages are allocated to tracing a certain word, which begins with the specified letter. A total of four pages per letter. And this is at best. Most books are simply limited to two pages per letter. We use 6 pages per letter plus combined pages (different letters on one page). Training takes place from simple, where you just need to trace letters with the guides provided, to a more complicated one, where you need to write letters without guides, or enter missing letters into words. It uses additional activities that make this process interesting, fun and desirable (see the "PROBLEM #2" below). You need to understand that the same children don't exist. Each child needs its own number of practical pages to consolidate their skills. Many people try to solve this problem with different tricks, like cut a page, laminate it and use an erasable marker to trace letters. I think this is a very tedious task, don't you? ;) Therefore, **WE OFFER YOU A COLOR DIGITAL (PDF) VERSION OF THIS BOOK FOR FREE AS A BONUS.** Nobody does that! At least I couldn't find it. You can print it for personal use. You no longer need to do any tricks with the book. The only thing you need to do is register your print copy at www.prntgame.com/LTH. It's easy and takes less than a minute :) **PROBLEM # 2: BOREDOM.** This problem is accompanied by the following comments: «the book has no diversity in the tracing of the letters», «I wish it was a bit more interactive», «I just wish it was a bit more engaging and fun. My child got bored easily» etc. Yeah... The child quickly gets bored to lead a pencil along the guides provided. We solve this problem with additional exciting activities: find and color the pictures that start with the letter; find the letter in a letter search; find the words with the letter in a word search; fill the word with a missing letter; read "interesting notes" about animals that start with the letter and more... Another important point. Answer yourself one question - **WHAT DO**

WE PAY FOR WHEN WE BUY THIS KIND OF BOOK? Is it for a certain set of pages? NO. WE PAY FOR THE RESULT. We expect the child to gain new knowledge or skills as a result of working with a book. Unfortunately, today among a huge number of books there're a lot of cheap crap. MY GOAL IS TO MAKE YOUR CHOICE RESPONSIBLE, NOT SPONTANEOUS. You must clearly understand why you are choosing a particular book among all the other existing books. IMPORTANT! The print edition comes in black and white. Only the PDF version is in color. If you need any help, just email me at tom@prntgame.com. I wish your children nothing but success... Tom Martyn

Myth and the Movies

Discovering the Mythic Structure of 50 Unforgettable Films

Identifies common ingredients in movies as varied as "Die Hard," "Unforgiven," "The Fly," "Platoon," "Ordinary People," "Bringing Up Baby," and "Star Wars"

Captain Nemo

The Fantastic Adventures of a Dark Genius

WordFire +ORM *The life story of Jules Verne's enigmatic dark hero from 20,000 Leagues Under the Sea and The Mysterious Island. He built the Nautilus submarine, which terrorized the sea in his war against all war. He discovered a passage to the center of the Earth. He explored Africa in a balloon. He fought pirates on the high seas ... And he was a friend of Jules Verne. In this epic fantastic history, Andre Nemo experiences incredible adventures, which Verne then incorporates into his classic novels. Learn the truth of these extraordinary journeys, which is even more incredible than fiction.*

War Horse

Scholastic Inc. *An e-book edition of War Horse with movie stills, behind-the-scenes photos, storyboards, and more! In 1914, Joey, a beautiful bay-red foal with a distinctive cross on his nose, is sold to the army and thrust into the midst of the war on the Western Front. With his officer, he charges toward the enemy, witnessing the horror of the battles in France. But even in the desolation of the trenches, Joey's courage touches the soldiers around him and he is able to find warmth and hope. But his heart aches for Albert, the farmer's son he left behind. Will he ever see his true master again?*

Odyssey

Goblin Hero

Penguin *Heroic goblin Jig, now known as a dragonslayer, embarks on his latest adventure, along with his pet fire-spider, when he is ordered by the conniving head goblin to defeat a terrifying enemy who is determined to destroy or enslave all of ogrekind. Original.*

The Playboy's Dark Secret

Destiny Romance

Penguin UK *Leaving behind an international career and an elite party lifestyle, soccer star Dean Thorn has returned home to run the family vineyard after thirteen years abroad. Tormented by a dark secret, he has vowed never to get close to a woman again. No stranger to hard work, Rafi Dalton is too busy for love. Since running away from her career as a professional ballerina, she has been building a new life for herself as a seasonal worker with little money and no fixed address. Rafi is nothing like the women Dean left behind. She is strong, independent and not remotely interested in his fame or money. The attraction between them pushes him right to the edge - but can he trust her enough to leave his past behind? The Playboy's Dark Secret is a tender, sexy romance set on a beautiful Australian vineyard.*

Dark Hero

Wildside Press LLC *Tough and hard as the Ozarks that bred him, Rene Berg fought his way up through the gang of Chicago during the days of prohibition. Then, at the peak of his power and success, he was framed by a beautiful woman and forced to flee for his life. How this dashing, steel-nerved gunman turns up years later as the "dark hero" of the Norwegian underground makes a story that will hold you spellbound. Thrill piles upon thrill as Berg pits his skill and courage, learned in the grim school of Chicago gangdom, against the vicious if efficiency of the German Gestapo. And then, once again, he runs afoul of the lovely woman who had betrayed him. Here is Cheyney at his exciting best, as he brings this swift-paced and action-packed novel up to a climax that will leave you breathless. All the usual Cheyney ingredients are blended into this one delightful story—the crisp and colorful dialogue, the luscious ladies, the aura of intrigue and mystery.*

Whistling in the Dark

From much-loved author Shirley Hughes comes a compelling World War Two wartime adventure for readers aged 10+ set during the Liverpool Blitz. In the hardship of war, everything is rationed - except true friendship. Joan and best friend Doreen love

going to the cinema until the Blitz intensifies and then even that becomes too dangerous, especially when an army deserter is found lurking near their home. Man and His Symbols

Dell Explores Jung's psychological concepts regarding the nature, function and importance of man's symbols as they appear on both the conscious and subconscious level

Origin of a Hero (She-Ra Chapter Book #1)

Scholastic Inc. The iconic heroine She-Ra is back! Discover the origin of a hero in this first chapter book set in the world of She-Ra, just in time for the reboot of the series on Netflix.

Life-Cycle Management of Machines and Mechanisms

Springer Nature This book contains the description of machines and systems as investments goods in production. These machines have a technological and economical life cycle over the time used. By explaining the paradigms of life cycle management, the book describes how the life cycle of such investment goods can be designed, operated and optimized to deliver maximum benefit in industrial environment. Additional examples from industry including case studies and calculations demonstrate practical applications and deliver benefit not only for academic or educational purpose but also for industrial practitioners.

Urban Neighborhoods in a New Era Revitalization Politics in the Postindustrial City

University of Chicago Press For decades, North American cities racked by deindustrialization and population loss have followed one primary path in their attempts at revitalization: a focus on economic growth in downtown and business areas. Neighborhoods, meanwhile, have often been left severely underserved. There are, however, signs of change. This collection of studies by a distinguished group of political scientists and urban planning scholars offers a rich analysis of the scope, potential, and ramifications of a shift still in progress. Focusing on neighborhoods in

six cities—Baltimore, Chicago, Denver, Los Angeles, Phoenix, and Toronto—the authors show how key players, including politicians and philanthropic organizations, are beginning to see economic growth and neighborhood improvement as complementary goals. The heads of universities and hospitals in central locations also find themselves facing newly defined realities, adding to the fluidity of a new political landscape even as structural inequalities exert a continuing influence. While not denying the hurdles that community revitalization still faces, the contributors ultimately put forth a strong case that a more hospitable local milieu can be created for making neighborhood policy. In examining the course of experiences from an earlier period of redevelopment to the present postindustrial city, this book opens a window on a complex process of political change and possibility for reform.

The Black Hood, Vol. 1

The Bullet's Kiss

Archie Comic Publications (Trade) A man driven to the brink, blacklisted and left brutally changed must crawl through the wreckage of his life to defeat a gang of deadly criminals hell-bent on setting the streets of Philadelphia aflame. Fueled by rage and empowered by years of experience upholding the law, the new Black Hood is a visceral, conflicted and flawed urban vigilante--but he's also the city's last hope. A gritty, modern crime noir tale that introduces readers to the newest--and deadliest--hero in the Dark Circle Comics lineup.

The Outer Darkness (Volume 2)

Its Interpretations and Implications

Misthological Press Volume two of "The Outer Darkness" contains the remaining 6 chapters, plus 19 appendixes, and houses the endnotes and indexes for the entire two-volume set. Indexes are provided for author, subject, extrabiblical, biblical, Greek, Hebrew, and Slavonic citations. To help the visually oriented reader, over 375 illustrations are provided within the set, covering a wide range of topics and a wide assortment of illustrative techniques, such as: pictures, graphs, flow charts, and syllogisms. Surprisingly, perhaps, not all defenders of unconditional security within the Free Grace camp would regard the outer darkness as a misthological issue. They would see it as being a strictly soteriological issue (thus pertaining to salvation from eternal damnation). Their arguments have been addressed as well. Some writers within the Free Grace community interpret some of the passages regarding the outer darkness soterically but acknowledge that at least one passage is mistholic (and thus applicable to believers as a reward issue). Although Cauley prefers an exclusively misthological view of the outer darkness, he does entertain the plausibility of such a soteric-mistholic duality under the auspices of his Principle of Correlativity. This principle allows him to integrate divergent points of views held by various kingdom writers regarding the outer darkness. For example, what impact does one's

*understanding of the outer darkness have within kingdom circles upon one's interpretation of the Bride of Christ, Gehenna, and the Second Death? Presently, kingdom writers are disagreed among themselves as to the exact nature of these potentially intertwined issues. Does a misthological understanding of the outer darkness necessarily infer a misthological understanding of the Bride? In other words, will all believers compose the Bride even if some of them are cast into the outer darkness? Does being cast into the outer darkness necessarily entail being cast outside of the kingdom into Gehenna for a thousand years before being allowed into the eternal kingdom? Might a believer be hurt by the Second Death? For many years, Joseph Dillow's book, *The Reign of the Servant Kings*, was the most comprehensive treatment of such matters within the Free Grace community. He took what might he termed a classical view of the above issues. More recently, Dillow has performed a synthesis between the classical view and the more extreme views of Gehenna, into what *The Outer Darkness* refers to as a Preteristic Gehenna-Bema. However, this neo-Dillowian perspective might be further synthesized with the classical Dillowian perspective into what *The Outer Darkness* refers to as a Neoclassical Position. Therefore, *The Outer Darkness* not only interacts with both the classical Dillowian and neo-Dillowian perspectives but also provides the foundation for what comes next.*

Young Gifted and Black

Meet 52 Black Heroes from Past and Present

Wide Eyed Editions "...to be revisited again and again...The candy-colored pages and straightforward stories are hard to resist..." -The New York Times "...diverse collection of iconic figures...vibrantly illustrated...beautifully crafted volume..." -Kirkus Reviews, Starred Review "...exuberant...exquisitely designed...a launching point for more discoveries." -School Library Journal, Starred Review "A luminous and diverse tribute to black movers and shakers across the centuries." -Publishers Weekly Meet 52 icons of color from the past and present in this celebration of inspirational achievement—a collection of stories about changemakers to encourage, inspire, and empower the next generation of changemakers. Jamia Wilson has carefully curated this range of black icons and the book is stylishly brought together by Andrea Pippins' colorful and celebratory illustrations. Written in the spirit of Nina Simone's song "To Be Young, Gifted, and Black," this vibrant book is a perfect introduction to both historic and present-day icons and heroes. Meet figureheads, leaders, and pioneers such as Martin Luther King Jr., Nelson Mandela, and Rosa Parks, as well as cultural trailblazers and athletes like Stevie Wonder, Oprah Winfrey, and Serena Williams. All children deserve to see themselves represented positively in the books they read. Highlighting the talent and contributions of black leaders and changemakers from around the world, readers of all backgrounds will be empowered to discover what they too can achieve. Strong, courageous, talented, and diverse,

*these extraordinary men and women's achievements will inspire a new generation to chase their dream...whatever it may be. The 52 icons: Mary Seacole, Matthew Henson, Ava Duvernay, Bessie Coleman, Barack Obama, Michelle Obama, Chimamanda Ngozi Adichie, Cathy Freeman, George Washington Carver, Malorie Blackman, Harriet Tubman, Mo Farah, Jean-Michel Basquiat, Jesse Owens, Beyonce Knowles, Solange Knowles, Katherine Johnson, Josephine Baker, Kofi Annan, Langston Hughes, Toni Morrison, Brian Lara, Madam C.J. Walker, Yannick Noah, Maurice Ashley, Alexandre Duma, Martin Luther King, Jr., Maya Angelou, Nina Simone, Simone Biles, Stevie Wonder, Esperanza Spalding, Sidney Poitier, Oprah Winfrey, Pele, Nelson Mandela, Louis Armstrong, Rosa Parks, Naomi Campbell, Samuel Coleridge-Taylor, Muhammad Ali, Shirley Chisholm, Steve McQueen, Zadie Smith, Usain Bolt, Wangari Maathai, Mae Jemison, W.E.B. Du Bois, Nicola Adams, Serena Williams, Venus Williams, and Misty Copeland. If you like this book, check out *Step Into Your Power* and *Big Ideas for Young Thinkers*, by the same author-illustrator team.*
