### The Muslim Prayer Book

### Fortress Of Muslim

*Darussalam Publishers* This book is an abridgment of my earlier work entitled, Adh-Dhikr wad-Du'a wal-'Ilaj bir-Ruqyah mina'-Kitab was-Sunnah. In order to make it small and easily portable, I have chosen only the section on words of remembrance for this abridgment. To achieve this, I only mentioned the text of the words of remembrance instead of the entire Hadith. I also limited myself to mentioning only one or two references from the original book for each Hadith. Whoever would like to know about the Companion who related a particular Hadith, or more information about where it is recorded, should refer to the original work (mentioned above). I ask Allah the Glorious, the Mighty, by His beautiful Names and by His sublime Attributes to accept this as having been done sincerely for His sake alone. I ask Him to bring me its benefits during my lifetime and after my death. May those who read it, those who print it, or have had any role in distributing it, benefit from it also. Surely He, glory be unto Him, is Capable of all things. May the peace and blessings of Allah be upon our Prophet, Muhammad, and upon his family and Companions and whoever follows them in piety until the Day of Judgment. Said bin Ali bin Wahaf Al-Qahtani, Safar,1409

### Islam Is Your Birthright

*Peace Vision* Each person is born in a religious environment that is not of his/her own choice. From the very beginning of human existence in this world, they are assigned the religion of their family or the ideology of the state. By the time individuals reach their teens they usually accept the beliefs of their parents or that of their particular society. However, when some people mature and are exposed to other beliefs and ideologies, they begin to question the validity of their own beliefs. Seekers of truth often reach a point of confusion upon realizing that believers of every religion, sect, ideology and philosophy all claim to have the one and only correct religion or ideology. There are only three possibilities. They are either all correct; all wrong or only one is correct and the rest are wrong.

## Don't be Sad

## The Humility in Prayer

*El-Farouq.Org* This is a treatise we have written concerning humility (Khushu) and the hearts meakness and breaking (inkisar) before the Lord. The basic meaning of Khushu, is the softness of the heart, its being gentle, still, submissive, broken, and yearning. When the heart is humble, so too is the hearing, seeing, head, and face; indeed all the limbs and their actions are humbled, even speech. This is why the Prophet would say in his bowing (ruku), 'My hearing, sigh, bones, and marrow are humbled to You, ' another narration has, 'and whatever my foot carries.' One of the Salaf saw a man fidgeting in his prayer and remarked, 'If the heart of this person was humble, so too would his limbs be.' The source of Khushu, that takes place in the heart is the gnosis of Allah's greatness, magnificence, and perfection. The more gnosis a person has of Allah, the more Khushu he has. The greatest action of worship which manifests the Khushu, of the body to Allah is the prayer (salah). Allah has praised those who have Khushu, in the prayer. al-Hasan, may Allah have mercy on him, said, 'When you stand in prayer, stand in due obedience as Allah has ordered you, beware of negligence and looking (here and there), beware that Allah be looking at you while you are looking at something else, asking Allah for Paradise and taking refuge with Him from the Fire, yet your heart is heedless, not knowing what the tongue is saying.' Hudhayfah said, 'The first thing you will lose of your religion will be Khushu and the last thing you will lose of your religion will be the prayer, and it is well possible that there is no good in a person who prays, and soon will come a time when you shall entre a large Masjid and not see a single person with Khushu.

## The Sealed Nectar (Biography of the Prophet)

A complete authoritative book on the life of Prophet Muhammad (S) by Sheikh Safi-ur-Rahman al-Mubarkpuri. It was honored by the World Muslim League as first prize winner book. Whoever wants to know the whole life style of the Prophet in detail must read this book. Muhammad (S) is the Messenger of Allah, and those who are with him, are severe against the disbelievers, and merciful among themselves. You see them bowing and falling down prostrate (in prayer), seeking bounty from Allah and (His) Good Pleasure. The mark of them (i.e. of their Faith) is on their faces (fore heads) from the traces of prostration (during prayers). This is their description in the Taurdt (Torah). But their description in the Injeel (Gospel) is like a (sown) seed which sends forth its shoot, then makes it strong, and becomes thick and it stands straight on its stem, delighting the sowers, that He may enrage the disbelievers with them. Allah has promised those among them who believe and do righteous good deeds, forgiveness and a mighty reward (Paradise). (Al-Fath: 29)The Prophet Muhammad (S) said: "The example of guidance and knowledge with which Allah has sent me is like abundant rain falling on the earth. Some of which was fertile soil that absorbed rain-water and brought forth vegetation and grass in abundance. (And) another portion of it was hard and held the rain-water and Allah benefited the people with it and they utilized it for drinking, (making their animals drink from it) and to irrigate the land for cultivation. (And) a portion of it was barren which could neither hold the water nor bring forth vegetation (then that land gave no benefits). The first is the example of the person who comprehends Allah's Religion (Islam) and gets benefit (from the knowledge) which Allah (Azawajal) has revealed through me (the Prophet ) and learns and then teaches it to others. The (last example is that of a) person who does not care for it and does not take Allah's Guidance revealed through me (he is like that barren land)." (Al-Mukarramah)

## Love Stories from the Qur'an

All of the love stories from the Quran have the connotation of berr, of protection, of qawwam, of endearment, of sacrifice, of acceptance, of allowing redemption and return after sin, of opening what others closed and uplifting those who others pushed down, to be the opposite of what is conventional, to be the oxymoron of the sinfulness that others display, and be the righteous rain of barakah into the heart and mind of those who are distant form Allah.
