AMORIS LAETITIA

ON LOVE IN THE FAMILY

Our Sunday Visitor "All of us are called to keep striving towards something greater than ourselves and our families, and every family must feel this constant impulse. Let us make this journey as families, let us keep walking together." Pope Francis, *Amoris Laetitia* In his groundbreaking work on modern family life, *Amoris Laetitia: On Love in the Family*, Pope Francis continues to guide and lead the Church, calling us to be a sign of mercy and encouragement for families of all shapes and sizes. The *Our Sunday Visitor* edition includes exclusive reflection and discussion questions, to help Catholics grow in our understanding of this call, and act upon it. In *Amoris Laetitia: On Love in the Family* the Holy Father expands on the topics and considerations of the two Synods on the family, and adds his own considerations to help us provide pastoral guidance to support and strengthen today's families. *On Love in the Family* guides us through: Scripture - what we can learn from Biblical families and relationships with God and each other Reality - the experiences and challenges we face in today's world Tradition - essential aspects of Church teaching on marriage and families Love - what it means for all our relationships Ministry - Pope Francis offers pastoral perspectives for helping build strong families Spirituality - the expression of the Gospel message in our relationships

KABBALAH, MAGIC, AND THE GREAT WORK OF SELF-TRANSFORMATION

A COMPLETE COURSE

Llewellyn Worldwide Based on an innovative blend of Kabbalah and magic, a step-by-step program toward spiritual attainment guides readers through each level of the the Golden Dawn system of ritual magic and its corresponding sphere in the Kabbalah Tree of Life. Original. 10,000 first printing.

THE VENICE VARIATIONS

TRACING THE ARCHITECTURAL IMAGINATION

UCL Press From the myth of Arcadia through to the twenty-first century, ideas about sustainability - how we imagine better urban environments - remain persistently relevant, and raise recurring questions. How do cities evolve as complex spaces nurturing both urban creativity and the fortuitous art of discovery, and by which mechanisms do they foster imagination and innovation? While past utopias were conceived in terms of an ideal geometry, contemporary exemplary models of urban design seek technological solutions of optimal organisation. The *Venice Variations* explores Venice as a prototypical city that may hold unique answers to the ancient narrative of utopia. Venice was not the result of a preconceived ideal but the pragmatic outcome of social and economic networks of communication. Its urban creativity, though, came to represent the quintessential combination of place and institutions of its time. Through a discussion of Venice and two other works owing their inspiration to this city - Italo Calvino's *Invisible Cities* and Le Corbusier's *Venice Hospital* - Sophia Psarra describes Venice as a system that starts to resemble a highly probabilistic 'algorithm', that is, a structure with a small number of rules capable of producing a large number of variations. The rapidly escalating processes of urban development around our big cities share many of the motivations for survival, shelter and trade that brought Venice into existence. Rather than seeing these places as problems to be solved, we need to understand how urban complexity can evolve, as happened from its unprepossessing origins in the marshes of the Venetian lagoon to the 'model city' that endured a thousand years. This book frees Venice from stereotypical representations, revealing its generative capacity to inform potential other 'Venices' for the future.

LORD OF THE WORLD

tradition This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At tradition we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to tradition. To support their good work, tradition donates a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book, you support our mission to save many of the amazing works of world literature from oblivion.

COLLOQUIAL ITALIAN

THE COMPLETE COURSE FOR BEGINNERS

Routledge *Colloquial Italian: The Complete Course for Beginners* has been carefully developed by an experienced teacher to provide a step-by-step course to Italian as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Italian in a broad range of situations. No prior knowledge of the language is required. *Colloquial Italian* is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points An overview of the sounds of Italian Balanced, comprehensive and rewarding. *Colloquial Italian* is an indispensable resource both for independent learners and students taking courses in Italian. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

LIVING WAR, THINKING PEACE (1914-1924)

WOMEN'S EXPERIENCES, FEMINIST THOUGHT, AND INTERNATIONAL RELATIONS

Cambridge Scholars Publishing This volume is the result of a long commitment of the online journal DEP: *Deportate, esuli, profughe* to the themes of women pacifists' thought and activism in the 1900s. The volume is a collection of contributions centred around three main themes. The first part, "Living War: Women's Experiences during the War", brings together first-hand accounts from women's lives as they face the horrors of war, drawn mainly from original sources such as diaries, letters, memoirs and writings. The second, "Thinking Peace: Feminist Thought and Activism", explores the lives and thought of several key women activists who challenged inequalities and sought to create new opportunities for women, contributing to the definition of a transnational culture of peace. The final section, "International Relations: Toward Future World Peace", examines the work of a group of women who saw the outbreak of the First World War and the emergence of an international women's movement for peace as an opportunity to act for their personal emancipation, and, in some cases, for a different idea of politics. The volume fills a notable gap in international history studies, providing a selection of contributions from little-known European contexts such as Italy, Poland, and Austria. The presence and contribution of African-American women, which has been neglected in the history of women's pacifism, is also explored. Particular attention is given to the Women's International League for Peace and Freedom and to the International Congress of Women, held in The Hague in 1915.

THE OXFORD DICTIONARY OF ENGLISH ETYMOLOGY

STATE MARTYR

REPRESENTATION AND PERFORMATIVITY OF POLITICAL VIOLENCE

Der Politiker Aldo Moro wurde 1978 von der terroristischen Organisation "Rote Brigaden" entführt und getötet. Im Verlauf der Ereignisse stilisierten die Medien Moro zum "Staatsmartyrer". Der Band geht der hochaktuellen Frage nach, welche Rolle das ursprünglich christliche Konzept des Martyrers in der Spannung zwischen demokratischem Staat und Terrorismus spielt. Was leistet dieser Begriff aus der christlichen Antike im modernen gesellschaftspolitischen Diskurs? Welche Veränderungen hat der Terminus "Martyrer" in der Europäischen Religions- und Kulturgeschichte durchgemacht? Anhand von medialen Quellen zum Fall Moro wird eine wesentliche Phase der nachkriegszeitlichen Politik in Italien rekonstruiert. Die Studie eröffnet einen interdisziplinär angelegten theoretischen Horizont, um die Rolle religiöser Motive im gesellschaftspolitischen Kontext zu verstehen. Sie bringt eine zentrale neue Dimension in die Sakularisierungsdebatte ein, bei der Sakularisierung als neue Konfiguration von Politik und Religion verstanden wird.

THE PARABLES OF JESUS

SCM Press In this text, Joachim Jeremias explores the variety of ways of interpreting the parables of Jesus, including their translation; the way different audiences altered the parables Jesus told; and the role of the New Testament writers in shaping their telling of the parables. He also provides a thematic discussion of the theological messages contained within the parables.

CARAVAGGIO AND PICTORIAL NARRATIVE

DISLOCATING THE ISTORIA IN EARLY MODERN PAINTING

Harvey Miller Pub This publication on the short-lived, irascible artist Caravaggio (1573-1610) re-establishes his significant and innovative role in the history of artistic creation, and in particular as a master of dramatic and realistic story-telling.

BODIES OF VITAL MATTER

NOTIONS OF LIFE FORCE AND TRANSCENDENCE IN TRADITIONAL SOUTHERN ITALY

CHINESE MIGRATION TO EUROPE

PRATO, ITALY, AND BEYOND

Springer Through an analysis of Chinese migration to Europe, this volume examines the most pressing migration and integration issues facing many societies today, from the political and policy-based challenges of managing increasingly diverse communities, to individual lived experiences of identity and belonging. In addition to chapters on the UK, France and Italy, the book spotlights one of the most extraordinary examples of Chinese migration to Europe: that provided by the city of Prato, just 20km from Florence in Tuscany, Italy. Renowned for its historic textile industry, Prato is now home to one of the largest populations of Chinese residents in Europe, a phenomenon that is remarkable not only for its magnitude but also for the speed with which it has developed. This edited collection, which brings together twenty-seven separate contributors, deepens our understanding of the case of Prato within the context of Chinese migration to the new Europe.

MARTIN LUTHER'S THEOLOGY

A CONTEMPORARY INTERPRETATION

Wm. B. Eerdmans Publishing Forty years of in-depth research on Martin Luther's theology has left Oswald Bayer uniquely qualified to present this comprehensive study. He does so with clarity and care, simply enough for nontheologians to access. This remarkable book offers the basics of Luther's understanding of theology, discussing his response to the philosophy of science tradition, the formula by which he studied theology, and the basic philosophy that informed him. Bayer then takes Luther's stance on Christian dogmatics and ethics and applies it to our own theological understanding in the modern age. With such a complete Lutheran dogmatic concept -- the first of its kind offered -- the stunning inner consistency of Luther's theology and its ease of application to contemporary studies become unmistakably clear. Martin Luther's Theology is a valuable tool for students and teachers of theology and for those looking for a guide into the mind and heart of Luther -- a theologian for today.

CORPUS MYSTICUM

THE EUCHARIST AND THE CHURCH IN THE MIDDLE AGES : HISTORICAL SURVEY

A great figure of 20th century Catholic theology, Henri Cardinal de Lubac SJ is renowned for his attention to the doctrine of the Church and its life within the contemporary world. In this book, de Lubac opens an initial exploration of the ways in which the Church has been understood Eucharistically, and gives new expression to that mystery in which the Church is believed to consist. As one whose generous and fervent spirit contributed significantly to the thinking of the Second Vatican Council, de Lubac's influence has been widespread, making a substantial impact on the work of not only Catholic but also Protestant and Orthodox theologians. With the publication of this English translation of Corpus Mysticum, this important text of contemporary Catholic ecclesiology and sacramental theology is made available to the English-speaking world and takes its place among the growing number of de Lubac's works now accessible to Anglophone scholars. Book jacket.

TWAS ON A SUNDAY MORNING

VIE DE JESUS

THE GOSPEL ACCORDING TO JOHN

AUTHORIZED KING JAMES VERSION

Canongate U.S. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Legas Publishing

FAITH'S BOUNDARIES

LAITY AND CLERGY IN EARLY MODERN CONFRATERNITIES

Brepols Pub This volume explores how the relationship between confraternities and the clergy negotiated the boundaries of religious space in the late medieval and early modern periods

MERCHANTS IN THE TEMPLE

INSIDE POPE FRANCIS'S SECRET BATTLE AGAINST CORRUPTION IN THE VATICAN

Henry Holt and Company From a bestselling author with unprecedented access to Pope Francis, an investigative look at the recent financial scandals at the highest levels of the Vatican A veritable war is waging in the Church: on one side, there is Pope Francis's strong message for one church of the poor and all; on the other, there is the old Curia with its endless enemies, and the old and new lobbies struggling to preserve their not-so-Christian privileges. The old guard do not back down, they are ready to use all means necessary to stay in control and continue the immoral way they conduct their business. They resist reforms sought by Pope Francis and seek to delegitimize their opponents, to isolate those who want to eliminate corruption. It's a war that will determine the future of the church. And if he loses the battle against secular interests and blackmail, Pope Francis could resign, much like his predecessor. Based on confidential information—including top secret documents from inside the Vatican, and actual transcripts of Pope Francis's admonishments to the papal court about the lack of financial oversight and responsibility—*Merchants in the Temple* illustrates all the undercover work conducted by the Pope since his election and shows the reader who his real enemies are. It reveals the instruments Francis is using to reform the Vatican and rid it, once and for all, of the overwhelming corruption traditionally encrusted in the Roman Catholic Church. *Merchants in the Temple* is a startling book that will shock every reader. It's a story worthy of a Dan Brown novel, with its electrifying details of the trickery and scheming against the papacy—except that it is real.

MEDITATIONS ON THE LIFE OF CHRIST

"One of the most important devotional works of the Middle Ages and Renaissance, this book provided a major source for both visual and literary artists, as well as for preachers, contemplatives, and believers. The amazing number of manuscript sources attests to its far-reaching influence. Gospel accounts of Christ's life are supplemented by apocryphal material from a variety of sources, to provide in an inviting style a highly readable biography. The translation brings to life the pathos, humor, and wisdom of Caulibu's book while maintaining impeccable scholarship. The volume is further enhanced by eight full-color plates selected from the miniatures in MS 410, Corpus Christi College, Oxford."

THOUGHTS ON BAPTISM

THOUGHTS ON BAPTISM

THE HIDDEN CHILD OF MEDJUGORJE

Children of Medjugorje Incorporated Throughout time, man has been in quest of security, of peace, and of happiness; however, rare are those who divine that their quest is in reality a quest for God. In her new book, *The Hidden Child of Medjugorje*, Sister Emmanuel brings a precious contribution to the understanding of this aspiration. As the pages are turned, this book reveals itself to be a guide. It enables us to reach an end which is none other than the Hidden Child, the Child Jesus. In the apparitions of Medjugorje, this Divine Child hides Himself so well in His Mother that at first sight, one pays Him no attention. But whoever finds the Mother, finds the Son. Thus will it be for all who read this book.

HOMOSEXUALITY AND ITALIAN CINEMA

FROM THE FALL OF FASCISM TO THE YEARS OF LEAD

Springer This book is the first to establish the relevance of same-sex desires, pleasures and anxieties in the cinema of post-war Italy. It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society, cinema, and sexuality between the 1940s and 1970s. Besides tracing the evolution of representations through both art and popular films, this book also analyses connections with consumer culture, film criticism and politics. Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities. Through archival research and a survey of more than 600 films, the author enriches our understanding of thirty years of Italian film and cultural history.

THE HOLY CROWN OF HUNGARY

DANTE AND EPICURUS

A DUALISTIC VISION OF SECULAR AND SPIRITUAL FULFILMENT

DOMENICO GHIRLANDAIO

ARTIST AND ARTISAN

Yale University Press Domenico Ghirlandaio was one of the most popular artists in fifteenth-century Florence. He worked in a variety of media, including panel paintings, wall murals, mosaic, and manuscript illumination, and his workshop - to which Michelangelo was apprenticed - was highly influential. This beautiful book offers a radically new interpretation of Ghirlandaio's life and work, viewing him primarily as an artisan active within the craft traditions, guild structure, and workshop organizations of his day. Jean K. Cadogan argues that Ghirlandaio was a pivotal figure in the transformation of the artist from medieval artisan to Renaissance genius. She traces his gradual social elevation, which reflected the increasing respect with which he was treated by his patrons. And she notes that the changes in the way he and other artists were viewed created a milieu that encouraged innovation in technique, style, and content, qualities that were vividly displayed in Ghirlandaio's work. Cadogan explains how his working method, his pragmatic, artisan approach to technique, the organization and functioning of his workshop, and his relations with his patrons affected the works of art Ghirlandaio produced. Her text is complemented by a catalogue raisonné of Ghirlandaio's works in all media as well as an appendix of documents useful for scholars.

ELEMENTS OF VENICE

Lars Muller Publishers "Developed as a research project parallel to *FUNDAMENTALS - the 14th Venice Architecture Biennale*, curated by Rem Koolhaas - this book introduces a radically new way of seeing Venice. With examinations of twelve different architectural elements, the guide allows readers to better understand the fundamental transformations that have shaped Venice over the past ten centuries." -Page 4 de la couverture.

THE CHILDREN'S CRUSADE

MEDIEVAL HISTORY, MODERN MYTHISTORY

Palgrave Macmillan *The Children's Crusade* was possibly the most extraordinary event in the history of the crusades. The first modern study in English of this popular crusade sheds new light on its history and offers new perspectives on its supposedly dismal outcome. Its richly re-imagined history and mythistory is explored from the thirteenth century to present day.

JESUS, INTERRUPTED

REVEALING THE HIDDEN CONTRADICTIONS IN THE BIBLE (AND WHY WE DON'T KNOW ABOUT THEM)

Harper Collins The problems with the Bible that New Testament scholar Bart Ehrman discussed in his bestseller *Misquoting Jesus*—and on *The Daily Show* with John Stewart, NPR, and Dateline NBC, among others—are expanded upon exponentially in his latest book: *Jesus, Interrupted*. This *New York Times* bestseller reveals how books in the Bible were actually forged by later authors, and that the New Testament itself is riddled with contradictory claims about Jesus—information that scholars know... but the general public does not. If you enjoy the work of Elaine Pagels, Marcus Borg, John Dominic Crossan, and John Shelby Spong, you'll find much to ponder in *Jesus, Interrupted*.

LU PAVONE

POESIE IN DIALETTO MOLISANO

Peter Lang Pub Incorporated Questa raccolta di poesie e di racconti popolari anonimi in dialetto molisano tracciano il percorso di due storie che, pur diversificate, si compenetrano e si completano a vicenda: la storia individuale dell' autore e la storia collettiva della società di un paese del Sud. Le immagini di un mondo apparentemente immobile e arcaico si alternano alle vicende di una realtà storica complessa e tormentata, nel cui magma vecchio e nuovo si scontrano e si fondono. This collection of poems and anonymous folktales in the Molisan dialect traces the unfolding of two stories which, although distinct, interweave and complete each other: the author's individual story and the story of a town in the South of Italy. The images of an apparently immobile and archaic world alternate with the events of a complex and tormented historical reality, in whose magma the new and the old clash and fuse."

JESUS BEFORE THE GOSPELS

HOW THE EARLIEST CHRISTIANS REMEMBERED, CHANGED, AND INVENTED THEIR STORIES OF THE SAVIOR

HarperCollins The bestselling author of *Misquoting Jesus*, one of the most renowned and controversial Bible scholars in the world today examines oral tradition and its role in shaping the stories about Jesus we encounter in the New Testament—and ultimately in our understanding of Christianity. Throughout much of human history, our most important stories were passed down orally—including the stories about Jesus before they became written down in the Gospels. In this fascinating and deeply researched work, leading Bible scholar Bart D. Ehrman investigates the role oral history has played in the New Testament—how the telling of these stories not only spread Jesus' message but helped shape it. A master explainer of Christian history, texts, and traditions, Ehrman draws on a range of disciplines, including psychology and anthropology, to examine the role of memory in the creation of the Gospels. Explaining how oral tradition evolves based on the latest scientific research, he demonstrates how the act of telling and retelling impacts the story, the storyteller, and the listener—crucial insights that challenge our typical historical understanding of the silent period between when Jesus lived and died and when his stories began to be written down. As he did in his previous books on religious scholarship, debates on New Testament authorship, and the existence of Jesus of Nazareth, Ehrman combines his deep knowledge and meticulous scholarship in a compelling and eye-opening narrative that will change the way we read and think about these sacred texts.
