The One-Day Contract How to Add Value to Every Minute of Your Life *St. Martin's Press* A life-changing guide to achieving your goals, by the 2013 NCAA champion college basketball coach and #1 New York Times bestselling author. Rick Pitino is famous as one of the most dynamic and successful basketball coaches of our time, leading the University of Louisville Cardinals to the NCAA basketball championship in 2013, and is renowned for writing the #1 New York Times bestselling success and leadership book, *Success is a Choice*. In his new book, *The One-Day Contract*, Pitino details his key to success, on the court and in life: to focus on making the most of each day, by creating a contract with yourself. Coach Pitino was able to turn Louisville into NCAA champions by applying this idea to everything he and the team did—every practice, every recruiting visit, every game preparation, every scouting report, every instruction that he gave players and coaches, and everything he did himself. Each day became just as important as reaching the national championship, and so, by honoring the one-day contract, he and Louisville moved through adversity toward their goal. In this inspiring and practical guide, Coach Rick Pitino illustrates how to set your own one-day contract, and follow through to honor it for each day, each goal, and each interaction with another person. Pitino shows how to: - Establish focus as a discipline in everything you do: planning, strategy, priorities, and career advancement. - Discover the true key to success: not ambition, not wealth, not power, but humility. - Use technology wisely—but don't let it replace personal connection with the people you work and live with. - Own up to your problems, tell the truth and they will become part of your past. Lie and they become part of your future. - Make small changes and add value to every minute of your life. **The One-Day Contract** will reshape the way you approach your job, your goals, and your life. **The One-Day Contract How to Add Value to Every Minute of Your Life** *St. Martin's Griffin* A life-changing guide to achieving your goals, by the 2013 NCAA champion college basketball coach and #1 New York Times bestselling author. Matt Mayberry is no exception. He's faced setbacks beyond his control and lots more he created himself. But even after conquering addiction, realizing his lifelong dream to play in the NFL, and then having it taken away from him in an instant, he came from behind yet again to achieve more success than ever before. Sometimes we are knocked down—and even out—by circumstances within or beyond our control. That's life. But these moments can be opportunities to tap into inner strength and start over. By sharing how he treated failure as a way to start over, Matt is now a nationally sought-after speaker and success coach to audiences of more than 100,000 people per year for Fortune 500 companies, NFL and NBA teams, government and nonprofit groups, professional associations, and universities. In **WINNING PLAYS**, he presents his strategies to survive and thrive in the real world, no matter what gets thrown your way. Just as no football team can be successful without a solid game plan, you can't be successful without one either. This book is full of Matt's inspirational, motivational, and prescriptive advice, such as: be authentic, create opportunities, power through adversity, reaffirm your goals, rebuild, and many other strategies for developing your own personal game plan to succeed in business and in life. **Pitino My Story** *Diversion Books* On September 26, 2017, the biggest recruiting scandal in college basketball history sent shock waves through the world of sports. Caught up in a massive FBI and NCAA investigation—and the intense media spotlight—was Rick Pitino, the Louisville Cardinals' Hall of Fame coach. Here, from Pitino himself, comes the real story of the ongoing case and the hard truth about how college hoops has been pushed to the brink of disaster by greed, bad actors, and shoe company money. Rick Pitino has spent a lifetime in basketball. He is the recruiting and coaching maestro behind Final Four appearances with three different teams, and National Championships at two of them. He worked the early days of the legendary Five-Star camp and scouted players without the influence of agents, runners, or shoe companies. And he has run today's recruiting gauntlet of sports apparel marketing, corrupted assistant coaches, unethical youth coaches, and powerful organizations hellbent against him. Rick Pitino has seen it all, dealt with it all, and now tells it all. Pitino is the story of an epic coaching career and the evolution of NCAA basketball to the multi-billion-dollar enterprise it is today. It is also a master's course on the arts of coaching and recruiting. And in the telling, the one and only Rick Pitino lays all his cards on the table in addressing scandals of his past and the current headline-grabbing investigation that led a packed Board of Directors at Louisville to derail his career. **Rebound Rules The Art of Success 2.0** *Harper Collins* "Rick Pitino knows a thing or two about comebacks—on the court and in life." —Louisville Courier-Journal Basketball legend Rick Pitino reveals his model of success built upon his experiences of failure and personal loss in *Rebound Rules*—a powerful, deeply personal book about never giving up. Recalling the tragedies that shaped his life and career—his unsuccessful tenure as Celtics coach, the devastating loss on 9/11 of his best friend and his brother-in-law and the deep depression that followed—Coach Pitino shares his *Rebound Rules*, demonstrating how he emerged wiser and rose to new heights with a richer perspective on life and work...and how you can, too. **100 Things Louisville Fans Should Know & Do Before They Die** *Triumph Books* This guide is the ultimate resource for true fans of the Cardinals. Whether you cheered along for the 1980 and 1986 March Madness victories, or whether you're a more recent supporter in the Rick Pitino era, these are the 100 things every fan needs to know and do in their lifetime. Experienced sportswriter Mike Rutherford has collected every essential piece of Louisville knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom. **Lead to Succeed 10 Traits of Great Leadership in Business and Life** *Currency* Learn how to be a leader from one of sports' greatest teachers, Rick Pitino. As Rick Pitino says, great leaders aren't born great; they learn great leadership along the path of life. From the time Pitino first became a coach at twenty-four, he has been a student of leadership in all its forms, studying how great leaders from legendary coaches to American presidents to world humanitarians are able to inspire and motivate others. He discovered that all leaders, on the court and off, in business, politics, or civil rights, have certain qualities in common; these leaders share key traits that make people want to listen to them and follow them. Now, in *Lead to Succeed*, Rick Pitino shares the ten traits of great leadership he discovered and has cultivated in himself, and shows readers how they, too, can become leaders in their business and personal lives. As the former coach of the Kentucky Wildcats who turned the team around from probation status to a 1996 NCAA championship, Pitino relates stories of this experience, and other leadership lessons from his career. When Rick Pitino joined the Boston Celtics in 1997, he took on the biggest challenge of his professional life, becoming not only head coach but also president of the Celtics. In addition to coaching professional athletes with multimillion-dollar contracts, he was assuming a leadership role of an organization saddled with salary cap problems, limited talent, misfortune in the draft lottery, and bombarded by adversity on all sides. Facing these adversities, Pitino has relied on a leadership strategy based on his years of learning from leaders around him and from his own mistakes and successes. Leading isn't about being a dictator; nor is it about people-pleasing. As Pitino shows in *Lead to Succeed*, leadership is about communication, consistency, and selflessness. In addition to illustrating how these traits apply in a variety of business situations, Pitino addresses these issues: How you can be an effective business leader and still be honest When it's best not to delegate How the past can hurt you How to get your team out of a slump While Pitino has had great success with his players, he has also convinced thousands of people in companies across America that his leadership message applies in the workplace as well. *Lead to Succeed* is for anyone who wants to inspire and motivate others—be it your employees or colleagues, or members of an organization you belong to, or your family. A perfect book for executives, managers, and sports fans, *Lead to Succeed* can make great leadership within reach. **Success Is a Choice Ten Steps to Overachieving in Business and Life** *Currency* Offers advice on applying the principles the author has used in building winning basketball teams to achieving success in business and as an individual **The Kentucky Wildcats Fans' Bucket List** *Triumph Books* The essential collection of activities and experiences for all Wildcats fanatics Even the most die-hard Wildcats fans haven't done everything there is to experience in and around Lexington. From ordering the infamous breadstick at Joe Bologna's Restaurant to visiting the Joe Craft Center, this book provides ideas, recommendations, and insider tips for must-see places and can't-miss activities near campus. But not every experience requires a trip to Lexington; long-distance Wildcats fans can cross some items off their list from the comfort of their own homes. Whether you're attending every home game or supporting the Wildcats from afar, there's something for every fan to do in *The Kentucky Wildcat Fans' Bucket List*. **The Rest of the Gospel When the Partial Gospel Has Worn You Out** *Harvest House Publishers* "Do I have life 'more abundant'?" That's a question millions of Christians have asked down through the ages. Dan Stone asked that question during a time of spiritual frustration in his own life and God answered by showing Dan he had been living only a part of the gospel message. Dan's search led him to discover the truth of "Christ in you" as "the rest of the gospel" that most Christians overlook. Readers who are hungry for a deeper experience with God will resonate with Dan's discovery of "the rest of the gospel," which is indeed rest for everyone who is willing to finally let go and let God. **New York Magazine** New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. New York as both a place and an idea. **Basketball and Philosophy Thinking Outside the Paint** *University Press of Kentucky* What can the film *Hoosiers* teach us about the meaning of life? How can ancient Eastern wisdom traditions, such as Taoism and Zen Buddhism, improve our jump-shots? What can the "Zen Master" (Phil Jackson) and the "Big Aristotle" (Shaquille O'Neal) teach us about sustained excellence and success? Is women's basketball "better" basketball? How, ethically, should one deal with a strategic cheater in pickup basketball? With NBA and NCAA team rosters constantly changing, what does it mean to play for the "same team"? What can coaching legends Dean Smith, Rick Pitino, Pat Summitt, and Mike Krzyzewski teach us about character, achievement, and competition? What makes basketball such a beautiful game to watch and play? Basketball is now the most popular team sport in the United States; each year, more than 50 million Americans attend college and pro basketball games. When Dr. James Naismith, the inventor of basketball, first nailed two peach baskets at the opposite ends of a Springfield, Massachusetts, gym in 1891, he had little idea of how thoroughly the game would shape American -- and international -- culture. Hoops superstars such as Michael Jordan, LeBron James, and Yao Ming are now instantly recognized celebrities all across the planet. So what can a group of philosophers add to the understanding of basketball? It is a relatively simple game, but as Kant and Dennis Rodman liked to say, appearances can be deceiving. Coach Phil Jackson actively uses philosophy to improve player performance and to motivate and inspire his team and his fellow coaches, both on and off the court. Jackson has integrated philosophy into his coaching and his personal life so thoroughly that it is often difficult to distinguish his role as a basketball coach from his role as a philosophical guide and mentor to his players. In *Basketball and Philosophy*, a Dream Team of twenty-six basketball fans, most of whom also happen to be philosophers, proves that basketball is the thinking person's sport. They look at what happens when the Tao meets the hardwood as they explore the teamwork, patience, selflessness, and balanced and harmonious action that make up the art of playing basketball. **Basketball Junkie A Memoir** *St. Martin's Griffin* *Traces* the author's journey from a promising high-school basketball star to a recovering drug addict, describing his struggles with addiction throughout his college and NBA years, the overdose that nearly cost him everything and his subsequent work as a mentor for young athletes. 50,000 first printing. **A Minute of Vision for Men 365 Motivational Moments to Kick-Start Your Day** *NavPress* Do you have a vision for your life? All of us need a compelling vision to live for. Scripture says, "Where there is no vision, the people perish." Today, so many of us are living on autopilot instead of engaging the battle of living up to our God-given potential. We lack a vision for life. Too often, we settle for less than what is best for us, our families, and our careers. We struggle with pinpointing our purpose in life. *A Minute of Vision for Men* is an investment in a different sort of life—one with vision, purpose, and integrity. This book will help you connect with your purpose. It's written so that you can start your day on the right foot, focused on what matters the most. Start each day with a potent, daily dose of vision for your life. **David and Goliath Underdogs, Misfits and the Art of Battling Giants** *Penguin UK* Why do underdogs succeed so much more than we expect? How do the weak outsmart the strong? In *David and Goliath* Malcolm Gladwell, no.1 bestselling author of *The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*, takes us on a scintillating and surprising journey through the hidden dynamics that shape the balance of power between the small and the mighty. From the conflicts in Northern Ireland, through the tactics of civil rights leaders and the problem of privilege, Gladwell demonstrates how we misunderstand the true meaning of advantage and disadvantage. When does a traumatic childhood work in someone's favour? How can a disability leave someone better off? And do you really want your child to go to the best school he or she can get into? *David and Goliath* draws on the stories of remarkable underdogs, history, science, psychology and on Malcolm Gladwell's unparalleled ability to make the connections others miss. It's a brilliant, illuminating book that overturns conventional thinking about power and advantage. 'A global phenomenon... there is, it seems, no subject over which he cannot scatter some magic dust' *Observer* **Weekly Compilation of Presidential Documents The Ultimate Book of March Madness The Players, Games, and Cinderellas that Captivated a Nation** *Mvp Books* "'A complete history of the NCAA Men's Basketball Tournament, including capsules of every tournament from 1930 to present, and detailed analyses of the top 100 games in tournament history'--Provided by publisher"-- **The Last Temptation of Rick Pitino A Story of Corruption, Scandal, and the Big Business of College Basketball** *Penguin* From acclaimed New York Times Magazine author Michael Sokolove, the full inside story of the NCAA's epic corruption scandal that exposed the rot and hypocrisy at the heart of big-time college sports. In 2017, the FBI revealed that it had reached the endgame of a sprawling investigation of large-scale corruption involving Adidas, Louisville and a host of other colleges, in which large payments were laundered from Adidas through a network of coaches and fixers to athletes and their families to induce them to go to Adidas-branded college programs. In short order, Hall of Fame basketball coach Rick Pitino (salary: \$8 million) and athletic director Tom Jurich were fired, and fear, trembling, and some high-profile litigation swept through the world of bigtime college athletics. In *THE LAST TEMPTATION OF RICK PITINO*, Michael Sokolove not only lifts the rug on the Louisville scandal but also places it in the context of the much wider problem, the farce of amateurism in bigtime college sports. In a world in which even assistant coaches can make high-six and seven-figure salaries, as long as they keep the "elite" athletes coming in, shoe deals can reach into the nine figures, and everyone is getting rich but the players, can it be surprising that unscrupulous parties would pay athletes, creating in effect a black market in young men, a veritable underground railroad of talent? But a few bad apples are one thing. In *THE LAST TEMPTATION OF RICK PITINO*, Michael Sokolove shows an elaborate, systematic machine, involving hundreds of thousands of dollars in illicit payments and connecting at least one of the largest apparel companies in the world with schools across the country. The Louisville-Adidas scandal has revealed a web of conspiracy whose scope has shaken big-time college sports to its core, delivering a devastating blow to the fantasy of amateurism, of "scholar athletes." A Shakespearean drama of greed and desperation involving some of the biggest characters in the arena of sports, *THE LAST TEMPTATION OF RICK PITINO* is the definitive chronicle of this scandal and its broader echoes. **10-Minute Toughness The Mental Training Program for Winning Before the Game Begins** *McGraw Hill Professional* "10-Minute Toughness is a solid mental training program. In fact I feel it is the best of its kind. . . . [It's] what the title says: ten minutes a day that connects your talents and abilities to the outcome you're seeking. As a retired NFL player looking forward, I can see as many applications for the toughness Jason Selk's program brought out of me in the business world as there were on the football field." --Jeff Wilkins, Former NFL Pro Bowl Kicker "The mental side of the game is extremely important. 10-Minute Toughness helps the players develop the mental toughness needed for success; it really makes a difference." --Walt Jocketty, General Manager of the 2006 World Champion St. Louis Cardinals "Jason Selk has spent a tremendous amount of time and energy developing effective mental-training programs and coaches workshops. He is truly committed to helping individuals and teams to perform at their very best, when it really counts." --Peter Vidmar, Olympic Gold Medalist Mental training is a must for high performance both on the field and off. But simply hoping for mental toughness isn't going to build any mind muscles. You need a proven routine of daily exercises to get you where you want to go. 10-Minute Toughness is your personal coach for boosting brainpower and achieving a competitive edge in whatever game you play. With quickness and ease, you'll learn how to master your own mind and psych out your opponents using personalized techniques from one of America's most successful sport psychology consultants. Like no other program available, the 10-Minute Toughness (10-MT) routine gets you ready for the competition in just ten minutes a day. **Winning Words Classic Quotes from the World of Sports** *Taylor Trade Publications* Arranged in categories from Ability to Zen, this book collects the most inspirational quotes from the world of sports from icons. Winning Words will be a quick reference for a leader in need of shared inspiration or a meditation for any athlete. Benson includes sidebar profiles of some of the most legendary figures in sports, and compiles nearly 1,000 quotes in this stirring collection of sporting wisdom. **Leadership and Self-Deception Getting Out of the Box** *ReadHowYouWant.com* This edition tackles the issue of self-deception and provides methodologies to help people overcome it. **Breakthrough Power for Fathers A Daily Guide to an Extraordinary Life** *David Young* What are your biggest challenges? Raising phenomenal kids? Moving up the career ladder? Meeting your financial goals? Staying physically fit? Finding time to relax and rejuvenate? Do the barriers seem impossible to break? Did you try to break them before but fall short? Regardless, you can live an extraordinary life - even if you are overwhelmed by weaknesses and difficult circumstances. But you need more than a book that explains the secrets to success; you also need daily motivation to apply them, especially when success seems far away or impossible. *Breakthrough Power for Fathers* provides both. For each day of the year, *Breakthrough Power for Fathers* provides four great quotes, usually from people known for their outstanding accomplishments. The first quote is humorous, which will put you in a good mood ready to face life's challenges. The other quotes will help you: 1) build an unshakeable foundation, 2) pursue and fulfill your dreams, 3) impact others, 4) improve your relationships, and 5) find time for renewal. You can read all four quotes in one minute, so you can squeeze them in before you start your breakthrough day. You can achieve your dreams. As you do, your children will watch and learn how to achieve theirs. **The Big East Inside the Most Entertaining and Influential Conference in College Basketball History** *Ballantine Books* The definitive, compulsively readable story of the greatest era of the most iconic league in college basketball history—the Big East “This book captures the inside of a special time in Big East basketball. If you love the game, this book is a must read!”—Jim Calhoun, former University of Connecticut men’s basketball coach The names need no introduction: Thompson and Patrick, Boeheim and the Pearl, and of course Gavitt. And the moments are part of college basketball lore: the Sweater Game, Villanova Beats Georgetown, and Six Overtimes. But this is the story of the Big East Conference that you haven’t heard before—of how the Northeast, once an afterthought, became the epicenter of college basketball. Before the league’s founding, East Coast basketball had crowned just three national champions in forty years, and none since 1954. But in the Big East’s first ten years, five of its teams played for a national championship. The league didn’t merely inherit good teams; it created them. But how did this unlikely group of schools come to dominate college basketball so quickly and completely? Including interviews with more than sixty of the key figures in the conference’s history, *The Big East* charts the league’s daring beginnings and its incredible rise. It transports fans inside packed arenas to epic wars fought between transcendent players, and behind locker-room doors where combustible coaches battled even more fiercely for a leg up. Started on a handshake and a prayer, the Big East carved an improbable arc in sports history, an ensemble of Catholic schools banding together to not only improve their own stations but rewrite the geographic boundaries of basketball. As former UConn coach Jim Calhoun eloquently put it, “It was Camelot. Camelot with bad language.” **Under Pressure How Playing Football Almost Cost Me Everything and Why I'd Do It All Again** *Triumph Books* In *Under Pressure*, Ray Lucas provides fans with a timely, uncensored look at pro football's play-at-all-costs culture. Overcoming questions about his size and skills as a quarterback, Lucas persevered and went on to play seven seasons in the NFL. His professional football career, however, came to a sudden end at age 30, when a neck injury caused him to collapse on the sideline during training camp. Instructed by NFL doctors that surgery wasn't an option, Lucas turned to painkillers for relief, but as his tolerance for medication escalated and his NFL insurance coverage expired, he began to plan his suicide. Just days before he planned to take his life, Lucas was put in touch with a group of doctors who agreed to perform neck surgery free of charge. In this tell-all, Lucas shares how—in a league without guaranteed contracts and careers that average just a few seasons long—players in the training room are perceived to lack the toughness necessary to succeed on the field. He discusses how this prevailing attitude leads to widespread abuse of painkillers and leaves many former players unable to lead a normal life once their playing career ends while also sharing details on how he overcame his drug addiction and turned his own life around. **The Last Great Game Duke vs. Kentucky and the 2.1 Seconds That Changed Basketball** *Penguin* The definitive book on the greatest game in the history of college basketball, and the dramatic road both teams took to get there. March 28, 1992. The final of the NCAA East Regional, Duke vs. Kentucky. The 17,848 at the Spectrum in Philadelphia and the millions watching on TV could say they saw the greatest game and the greatest shot in the history of college basketball. But it wasn't just the final play of the game—an 80-foot inbound pass from Grant Hill to Christian Laettner with 2.1 seconds left in overtime—that made Duke's 104-103 victory so memorable. The Kentucky and Duke players and coaches arrived at that point from very different places, each with a unique story to tell. In *The Last Great Game*, acclaimed ESPN columnist Gene Wojciechowski tells their stories in vivid detail, turning the game we think we remember into a drama filled with suspense, humor, revelations and reverberations. The cast alone is worth meeting again: Mike Krzyzewski, Rick Pitino, Bobby Hurley, Jamal Mashburn, Christian Laettner, Sean Woods, Grant Hill, and Bobby Knight. Timed for the game's 20th anniversary, *The Last Great Game* isn't a book just for Duke or Kentucky or even basketball fans. It's a book for any reader who can appreciate that great moments in sports are the result of hard work, careful preparation, group psychology, and a little luck. **Words on Cassette The Precious Present** *Helen Exley Gift Books* In your hands you are holding an incredible little story about the ultimate secret of human happiness. Author Dr Spencer Johnson's unique allegory tells the story of a young child who learns about the fabulous "Precious Present" and then spends a lifetime searching for the mysterious gift. **American Book Publishing Record Cumulative 2000** *R. R. Bowker* **100 Things Celtics Fans Should Know and Do Before They Die** *Triumph Books* With pep talks, records, and Celtics lore, this lively, detailed book explores the personalities, events, and facts every Boston fan should know. It contains crucial information such as important dates, player nicknames, memorable moments, and outstanding achievements by singular players. This guide to all things Celtics covers the franchise record for wins in a season, the number of Celtics included in the NBA's 50 greatest players at the 1997 All-Star Game, and the origins of the team's famous parquet floor. **Why I Stand** *DW Books* Facing public criticism, peer hostility, and widespread disapproval, would you compromise your principles to blend in with the crowd, or would you stand for what you believe? On July 31, 2020, the Orlando Magic starting forward Jonathan Isaac was the lone NBA player not to kneel for the national anthem amid a league-wide demonstration in support of Black Lives Matter. Standing alone, knowing the scrutiny to come, Jonathan had a peace he at one time never could have imagined possible. In *Why I Stand*, Jonathan shares the journey of how—through a series of divine connections and a willingness to follow Christ—his fear and insecurity-driven life was transformed into one of confidence and purpose. From his childhood in the Bronx to his high school years in Florida, from rail-skinny freshman at FSU to top draft pick in the NBA, Jonathan uses his life story to illuminate the freedom and peace found in the love of Jesus Christ. More than the story of an NBA player's transformation from man on the court to man of God, *Why I Stand* is a testament to His love, power, and grace that extends to us all. This book is a discovery that no matter your level of confidence today, God's strength will develop in your weakness. That courage is found in trusting that God is greater than your fears. As Jonathan takes you through the experiences that drove his decisions, he offers insight and inspiration to help you to grow to a point where standing alone is better than not standing at all.

Nomination of David W. Anderson Hearing Before the Committee on Indian Affairs, United States Senate, One Hundred Eighth Congress, First Session, on Confirmation Hearing of the Nomination of David W. Anderson to be Assistant Secretary for Indian Affairs, October 22, 2003, Washington, DC. **100 Things Michigan State Fans Should Know & Do Before They Die** *Triumph Books* 100 Things Michigan State Fans Should Know & Do Before They Die is the ultimate resource guide for true fans of Michigan State football and men's basketball. It is now updated to include the Michigan State's recent successes. **Breakthrough Power for Athletes A Daily Guide to an Extraordinary Life** *David Young* Pitching legend Orel Hershisser said, "I'm proof that great things can happen to ordinary people if they work hard and never give up." How did he and others like him achieve greatness? Breakthrough Power for Athletes shares their secrets. For each day of the year, Breakthrough Power for Athletes provides four great quotes, usually from athletes known for their outstanding accomplishments. The first quote is humorous, which will put you in a good mood ready to face life's challenges. The other quotes will help you: 1) build an unshakeable foundation, 2) maintain a competitive edge, 3) pursue and fulfill your dreams, 4) impact others, 5) improve your relationships, and 6) find time for renewal. You can read all four quotes in one minute, so you can squeeze them in before you start your breakthrough day. Former San Diego Chargers placekicker Rolf Benirschke, who had 766 career points, reminds us that "the people we admire are ordinary people that have been able to accomplish some extraordinary things. The things that make them extraordinary are things we all possess." So, yes, you too can be great. **From the Outside My Journey Through Life and the Game I Love** *Dey Street Books* New York Times Bestseller The record-holding two-time NBA champion and recently inducted hall-of-famer reflects on his work ethic, his on-the-court friendships and rivalries, the great teams he's played for, and what it takes to have a long and successful career in this thoughtful, in-depth memoir. Playing in the NBA for eighteen years, Ray Allen won championships with the Boston Celtics and the Miami Heat and entered the record books as the original king of the three-point shot. Known as one of the hardest-working and highest-achieving players in NBA history, this most dedicated competitor was legendary for his sharp shooting. From the Outside, complete with a foreword by Spike Lee, is his story in his words: a no-holds-barred look at his life and career, filled with behind-the-scenes stories and surprising revelations about the game he has always cherished. Allen talks openly about his fellow players, coaches, owners, and friends, including LeBron James, Kobe Bryant, and Kevin Garnett. He reveals how, as a kid growing up in a military family, he learned about responsibility and respect—the key to making those perfect free throws and critical three-point shots. From the Outside is the portrait of a gifted athlete and a serious man with a strongly defined philosophy about the game and the right way it should be played—a philosophy that, at times, set him apart from colleagues and coaches, while inspiring so many others, and lead to the most pivotal shot of his career: the unforgettable 3-pointer in the final seconds of Game 6 of the 2013 NBA finals against the San Antonio Spurs. Throughout, Allen makes clear that success in basketball is as much about what happens off the court as on, that devotion and commitment are the true essence of the game—and of life itself. **Business Week New York Magazine** New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
