The Art of Memoir

HarperCollins Credited with sparking the current memoir explosion, Mary Karr's *The Liars' Club* spent more than a year at the top of the New York Times list. She followed with two other smash bestsellers: *Cherry and Lit*, which were critical hits as well. For thirty years Karr has also taught the form, winning teaching prizes at Syracuse. (The writing program there produced such acclaimed authors as Cheryl Strayed, Keith Gessen, and Koren Zailckas.) In *The Art of Memoir*, she synthesizes her expertise as professor and therapy patient, writer and spiritual seeker, recovered alcoholic and "black belt sinner," providing a unique window into the mechanics and art of the form that is as irreverent, insightful, and entertaining as her own work in the genre. Anchored by excerpts from her favorite memoirs and anecdotes from fellow writers' experience, *The Art of Memoir* lays bare Karr's own process. (Plus all those inside stories about how she dealt with family and friends get told— and the dark spaces in her own skull probed in depth.) As she breaks down the key elements of great literary memoir, she breaks open our concepts of memory and identity, and illuminates the cathartic power of reflecting on the past; anybody with an inner life or complicated history, whether writer or reader, will relate. Joining such classics as Stephen King's *On Writing* and Anne Lamott's *Bird by Bird*, *The Art of Memoir* is an elegant and accessible exploration of one of today's most popular literary forms—a tour de force from an accomplished master pulling back the curtain on her craft.

Stronger

Bonnier Publishing Ltd. Jeff Bauman woke up on 16th April 2013, in the Boston Medical Center, groggy from a series of lifesaving surgeries and missing his legs. Just 30 hours prior, Jeff was surrounded by revelry at the finish line of the Boston Marathon cheering on his girlfriend, Erin, when the first bomb went off at his feet. When Jeff awoke, rather than take stock of his completely altered life, he ripped out his breathing tube and tried to speak. He couldn't. So he wrote seven words, 'Saw the guy. Looked right at me,' setting off one of the biggest manhunts in the country's history and beginning his own brave road to recovery. His remarkable story is a testament to what it means to be Boston Strong.

Lit: A Memoir

HarperCollins UK The long awaited sequel to the beloved and bestselling 'The Liars' Club' and 'Cherry' - a memoir about a self-professed 'blackbelt sinner's' descent into the inferno of alcoholism and madness, and her astonishing resurrection.

The Tender Bar

A Memoir

Hachette UK Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hauntingly audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Bear sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self

somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times Book Review*, *Entertainment Weekly*, *USA Today*, NPR's "Fresh Air," and *New York Magazine* *A New York Times*, *Los Angeles Times*, *Wall Street Journal*, *San Francisco Chronicle*, *USA Today*, *Booksense*, and *Library Journal* Bestseller *Booksense Pick* *Borders New Voices* Finalist Winner of the Books for a Better Life First Book Award

Remembering Ahanagran

A History of Stories

Ewha Womans University Press Sara Walsh was born in 1919 in the west of Ireland, in a land of storytellers. In prose that is neither history nor memoir but something larger and brighter than both, Remembering Ahanagran captures her memories of her early years in Ireland, her migration to the United States, and her marriage to Harry White, the Harvard-educated son of Russian Jewish emigrants. Her son, eminent historian Richard White, in collaboration with Sara, forces history as it is traditionally written into conversation with personal recollections. Richard White is Margaret Byrne Professor of American History at Stanford University. "Richard White gives us a beautifully rendered account of his mother's life, tracing her journey as a young girl from Ireland toward the new identities she forged for herself in Boston and Chicago. Subtly weaving memory and history to suggest how the two reinforce but also challenge each other, Remembering Ahanagran is a powerful meditation on the immigrant experience in America. It is an absolutely wonderful book." - William Cronon "In this brilliant book, Richard White proves that he is not only one of the finest historians in America but also one of the most eloquent and ambitious. Through a loving but clear-eyed examination of the tales his immigrant mother tells of her early life in Ireland and the United States, he has managed to uncover a host of surprising truths-- about his own family, about the complex, often poignant relationship between history and memory, and about what it means to be an American." - Geoffrey C. Ward "Remembering Ahanagran is a rare and remarkable achievement: a book that carries as great a charge in emotional power as it does in intellectual energy. Sara Walsh's 'memory' and Richard White's

'history' travel through terrain from the most urgent American concerns of immigration and intermarriage to the most elemental, universal issues of love and death. This book gives its readers access to the company of two people with extraordinary gifts for life's basic enterprise: taking in experience, and making sense of it." - Patricia Nelson Limerick "With equal and equally tender respect for document, memory, and lore, Richard White recreates and joins his Irish and his Jewish ancestry. An extraordinary book." - Lore Segal

Sinners Welcome

Poems

Harper Perennial In her fourth collection of poems, self-described black-belt sinner Mary Karr traces her improbable journey from the inferno of a tormented childhood into a resolutely irreverent Catholicism. Not since Saint Augustine wrote "Give me chastity, Lord—but not yet!" has anyone brought such smart-assed hilarity to a conversion story.

The Glass Castle

A Memoir

Simon and Schuster Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Ion Channels and Disease

Academic Press Ion channels are membrane proteins that act as gated pathways for the movement of ions across cell membranes. They play essential roles in the physiology of all cells. In recent years, an ever-increasing number of human and animal diseases have been found to result from defects in ion channel function. Most of these diseases arise from mutations in the genes encoding ion channel proteins, and they are now referred to as the channelopathies. *Ion Channels and Disease* provides an informative and up-to-date account of our present understanding of ion channels and the molecular basis of ion channel diseases. It includes a basic introduction to the relevant aspects of molecular biology and biophysics and a brief description of the principal methods used to study channelopathies. For each channel, the relationship between its molecular structure and its functional properties is discussed and ways in which genetic mutations produce the disease phenotype are considered. This book is intended for research workers and clinicians, as well as graduates and advanced undergraduates. The text is clear and lively and assumes little knowledge, yet it takes the reader to frontiers of what is currently known about this most exciting and medically important area of physiology.

Key Features

- * Introduces the relevant aspects of molecular biology and biophysics
- * Describes the principal methods used to study channelopathies
- * Considers single classes of ion channels with summaries of the physiological role, subunit composition, molecular structure and chromosomal location, plus the relationship between channel structure and function
- * Looks at those diseases associated with defective channel structures and regulation, including mutations affecting channel function and to what extent this change in channel function can account for the clinical phenotype

Chicken

Self-Portrait of a Young Man For Rent

Catapult I walk all the way up Hollywood Boulevard to Grauman's Chinese Theatre: past tourists snapping shots; wannabe starlets sparkling by in miniskirts with head shots in their hands and moon dust in their eyes; rowdy cowboys drinking with drunken Indians; black businessmen bustling by briskly in crisp suits; ladies who do not lunch with nylons rolled up below the knee pushing shopping carts full of everything they own; Mustangs rubbing up against muscular Mercedes and Hell's Angels hogs. It's a sick twisted Wonderland, and I'm Alice. Here is a story like no other: The unforgettable chronicle of a season spent walking the razor-sharp line between painful innocence and the allure of the abyss. David Sterry was a wide-eyed son of 1970s suburbia, but within his first week looking for off-campus housing on Sunset Boulevard he was lured into a much darker world — servicing the lonely women of Hollywood by night. *Chicken*—the word is slang for a young male prostitute—revisits this year of living dangerously, in a narrative of dazzling inventiveness and searing candor. Shifting back and forth from tales of Sterry's youth—spent in the awkward bosom of a disintegrating dysfunctional family—to his fascinating account of the Neverland of post—sixties sexual excess, *Chicken* teems with Felliniesque characters and set pieces worthy of Dionysus. And when the life finally overwhelms Sterry, his retreat from the profession will leave an indelible mark on readers' minds and hearts.

Finding Myself in Borneo

Sojourns in Sabah

Nbfs Creations LLC *Finding Myself in Borneo* chronicles with good humor a young man's adventures while teaching secondary school as a Canadian CUSO volunteer in Sabah, Malaysia (North Borneo), 1968-70. McKee learns the craft of teaching, the Malay language, local customs, and gains many friends in his small community. He "bonds with Borneo" by climbing the highest mountain in Southeast Asia and having a love affair. He navigates Borneo's backwaters to make his first documentary film and takes a freighter to Indonesia where he discovers the scars of the country's recent genocide—a contrast to his hilarious motorcycle journeys with his American Peace Corps buddy. They make a hallucinogenic discovery—North Borneo is, indeed, J. R. R. Tolkien's famed 'Middle-Earth' of *The Lord of the Rings*! The

enterprising duo establish the North Borneo Frodo Society, an organization Tolkien joins. McKee has a maturing second Sabah sojourn (1973-74) while supervising the volunteer program but happily resumes a career in filmmaking. In 1987, he witnesses and films Borneo's devastating deforestation and resolves never to go back. But in 2006, he returns, reuniting with his former students, now all accomplished adults.

Unsafe Thinking: How to be Creative and Bold When You Need It Most

Random House _____ 'An array of fresh insights on creativity, motivation and staying in "flow" Daniel H. Pink, author of Drive and To Sell Is Human _____ In Unsafe Thinking, creativity guru Jonah Sachs demonstrates that the most remarkable and trailblazing individuals - from the Google programmer who disobeyed his managers in order to revolutionise the world's email systems, to the mayor who employed mime artists to transform his city's traffic problem - are those who dramatically reject the lure of what they know. He draws on cutting-edge psychology and neuroscience to uncover the specific mental habits that account for the success of those who break the mould. And he reveals how, by embracing a handful of simple brain-hacks and cognitive tools, we can all harness the power of the unsafe thinkers. By revealing the secrets of those who reject our society's outmoded approach to work, Unsafe Thinking promises to unleash the hidden power of creativity in all of us. _____ 'An enchanting book about how to question the conventional, challenge the status quo, and unlock the creative solutions right under your nose.' Adam

Grant, author of *Originals* 'Fascinating . . . Sachs has practical tools for success.' *Forbes* 'A must-read for anyone facing a changing world.' Jonah Berger, author of *Contagious*

Living to Tell the Tale

A Guide to Writing Memoir

Penguin Books "Writing is a second chance at life," writes Jane McDonnell. "I think all writing constitutes an effort to establish our own meaningfulness, even in the midst of sadness and disappointment." In *Living to Tell the Tale*, McDonnell draws on this impulse, as well as on her own experiences as a writer and teacher of memoir, to give us what should become the definitive book on writing "crisis memoirs" and other kinds of personal narrative. She provides specific techniques and advice to help the writer discover his or her inner voice, recognize—and then silence—the inner censor, begin a narrative, and develop it with such aids as photographs and documents. Citing many landmark works such as Maxine Hong Kingston's *The Woman Warrior* and Frank McCourt's *Angela's Ashes*, as well as unpublished writings, McDonnell shows how writers can recreate past experiences through memories, and imaginatively reshape material into the story that needs to be told. Each chapter concludes with exercises to help the writer grapple with particular problems, such as trying to write about experiences that are only partly recalled. McDonnell also offers a list of recommended reading. • *Memoirs*, such as Mary Karr's *The Liars' Club* (Penguin) have hit bestseller lists nationwide during the past year, and are of great interest to aspiring writers.

The Locals

Hachette UK A rural, working class New England town elects as its mayor a New York hedge fund millionaire in this urgent and inspired novel for our times. Mark Firth is a home builder in Howland, Massachusetts who, after being swindled by a financial advisor, feels opportunity passing him and his family by. What future can he promise to his wife Karen and their young daughter Haley? When a wealthy money manager, Philip Hadi, moves to Howland to escape post-9/11 New York, he hires Mark to turn his house into a secure location. The collision of these two men's very different worlds -- rural vs urban, middle class vs rich -- propels Jonathan

Dee's powerful new novel. After the town's first selectman passes away suddenly, Hadi runs for office and begins subtly transforming the town in his image with unexpected results for Mark and his extended family. **THE LOCALS** is that rare work of fiction capable of capturing a fraught American moment in real time. It is also a novel that is timeless in its depiction of American small town life.

Advice and Dissent

My Life in Public Service

Harper Collins 'Few people know more about India's financial system than Dr Y.V. Reddy. And even fewer have the authority that he commands.' - Raghuram Rajan, former RBI governor 'If America had a central bank chief like Y.V. Reddy, the US economy would not have been in such a mess.' - Joseph Stiglitz, economist and Columbia University professor 'One among the brightest intellectuals living in India today...the most eminent central banker of the last decade across the world.' - P. Chidambaram, former Union finance minister 'How did India manage to beat the odds? [It was] largely the result of the sound management and foresight of one man: Yaga Venugopal Reddy.' - Arvind Panagariya, vice-chairman of the Niti Aayog 'I have high regard for him for two reasons. First, his complete integrity. There are very few civil servants like him who are not self-

centered. He does not want to please any bureaucrat or minister. Second, his devotion to work. Intellectually, he is very open.' - Bimal Jalan, former RBI governor 'Unlike Alan Greenspan, who didn't believe it was his job to even point out bubbles, much less try to deflate them, Mr Reddy saw his job as making sure Indian banks did not get too caught up in the bubble mentality.' - Joe Nocera, American journalist and author 'Dr Reddy is of a generation that believed public service was the highest calling.' - Karina Robinson, editor, The Banker magazine A journalist once asked Y.V. Reddy, 'Governor, how independent is the RBI?' 'I am very independent,' Reddy replied. 'The RBI has full autonomy. I have the permission of my finance minister to tell you that.' Reddy may have put it lightly but it is a theme he deals with at length in *Advice and Dissent*. Spanning a long career in public service which began with his joining the IAS in 1964, he writes about decision making at several levels. In his dealings, he was firm, unafraid to speak his mind, but avoided open discord. In a book that appeals to the lay reader and the finance specialist alike, Reddy gives an account of the debate and thinking behind some landmark events, and some remarkable initiatives of his own, whose benefits reached the man on the street. Reading between the lines, one recognizes controversies on key policy decisions which reverberate even now. This book provides a ringside view of the licence permit raj, drought, bonded labour, draconian forex controls, the balance of payments crisis, liberalisation, high finance, and the emergence of India as a key player in the global economy. He also shares his experience of working closely with some of the architects of India's economic change: Manmohan Singh, Bimal Jalan, C. Rangarajan, Yashwant Sinha, Jaswant Singh and P. Chidambaram. He also worked closely with extraordinary leaders like N.T. Rama Rao, as described in a memorable chapter. As governor of the RBI from 2003 to 2008 he presided over a period of high growth, low inflation, a stable rupee and ample foreign exchange reserves -- a far cry from the 1991 crisis he lived through and describes in vivid detail, when the country had to mortgage its gold to meet its debt obligations. He is credited with saving the Indian banking system from the sub-prime and liquidity crisis of 2008 that erupted shortly after his term at RBI ended. Dr Reddy provides insight into post-crisis reflection undertaken by several global institutions on the international monetary system and financial architecture. In addition, he describes the development of the Fourteenth Finance Commission report, which he chaired, and is considered a game changer. Leavened with his irrepressible sense of humour, *Advice and Dissent* is a warm, engaging account of a life that moves easily from his career in the districts as a young IAS officer to the higher echelons of policy making, in a trajectory that follows change in the country itself.

Mathilda Savitch

Anchor Canada A fiercely funny and touching debut novel of a young girl uncovering the truth about her sister's death. Fear doesn't come naturally to Mathilda Savitch. She prefers to look directly at things nobody else can even mention: for example, her beloved older sister's death. She was pushed in front of a train by a man who is still on the loose, and after a year of searching for clues, Mathilda has come no closer to the truth about Helene's murder...until she cracks her email password and a whole secret life emerges — one that swiftly draws Mathilda into her sister's world of clouded motives and strange emotions. If she can find the keys to Helene's past, she's sure she can wake her family from their nightmare of grief. But in crossing into that underworld and tracing her sister's footsteps, she has to risk everything that matters to her. **Mathilda Savitch** is a poignant, furiously funny, and tender page-turner from an extraordinary debut novelist.

I Will Always Write Back

How One Letter Changed Two Lives

Hachette UK The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends—and better people—through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

How to Grow Up

A Memoir

Penguin “A gutsy, wise memoir-in-essays from a writer praised as ‘impossible to put down’”—People From PEN America Literary Award-winning author Michelle Tea comes a moving personal essay collection about the trials and triumphs of shedding your vices in order to find yourself. As an aspiring young writer in San Francisco, Michelle Tea lived in a scuzzy communal house: she drank; she smoked; she snorted anything she got her hands on; she toiled for the minimum wage; she dated men and

women, and sometimes both at once. But between hangovers and dead-end jobs, she scrawled in notebooks and organized dive bar poetry readings, working to make her literary dreams a reality. In *How to Grow Up*, Tea shares her awkward stumble towards the life of a Bona Fide Grown-Up: healthy, responsible, self-aware, and stable. She writes about passion, about her fraught relationship with money, about adoring Barney's while shopping at thrift stores, about breakups and the fertile ground between relationships, about roommates and rent, and about being superstitious ("why not, it imbues this harsh world of ours with a bit of magic"). At once heartwarming and darkly comic, *How to Grow Up* proves that the road less traveled may be a difficult one, but if you embrace life's uncertainty and dust yourself off after every screw up, slowly but surely, you just might make it to adulthood. "Wild, wickedly funny, and refreshingly relevant." —Elle "This compulsively readable collection is so damn good, you'll tear through the whole thing (and possibly take notes along the way)." —Bustle
