World Rat Day

Poems about Real Holidays You've Never Heard of

Candlewick Press (MA) Poems celebrate a variety of unusual holidays throughout the year, most of them about animals, from "Happy Mew Year for Cats Day" on January 2 through "Ohio Sheep Day" on July 14 to "Chocolate-Covered Anything Day" on December 16.

Literature and the Child

Cengage Learning LITERATURE AND THE CHILD, 9th Edition, offers thorough, concise coverage of the genres and formats of children's literature and guidance on using literature in the classroom. With a focus on diverse award-winning titles, this market-leading text includes beautifully written and illustrated discussions of exemplary titles for readers in nursery school through middle school. A stunning design features interior illustrations by Lauren Stringer, an award-winning children's book author and illustrator. Each genre chapter contains criteria for evaluating literary quality, equipping students with a resource to guide text selection in the classroom. Practical, research-based information about teaching appears throughout, including sample teaching ideas and an emphasis on the importance of selecting and teaching complex texts. Extensive booklists provide excellent, ongoing resources and highlight texts that emphasize diversity. This text helps teachers understand how to select books that best serve their curriculum goals as well as the interests and needs of their students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

America's Oddest Holidays

Gareth Stevens Publishing LLLP Every day is a holiday if someone wants it to be. No, really. America's calendar is always adding new holidays, and some of them are truly odd. People from all over the world have moved to America, bringing unique traditions with them along the way. Other traditions are just silly and fun, such as September 19th's "Talk Like a Pirate Day." With its high-interest subject matter and amazing photographs, this book will show readers the many holidays they've been missing, and maybe some they'd rather not celebrate at all.

Powerful Poetry

Read, write, rejoice, recite poetry all year

Pembroke Publishers Limited Powerful Poetry celebrates the beauty, power, and pleasure of poetry in the classroom. This highly-readable book outlines the many benefits of integrating poetry into your literacy program, including building reading, writing, and speaking skills, nurturing creativity, and celebrating language. Powerful Poetry provides practical, enjoyable lessons for integrating poetry into your year-long literacy program and engaging ways to introduce poetic structure, language, tools, and devices. Book lists introduce a wide range of wonderful poems and poets. Ideal for new and experienced teachers who are looking to bring the power of poetry into their classroom.

Get Real with Storytime: 52 Weeks of Early Literacy Programming with Nonfiction and Poetry

52 Weeks of Early Literacy Programming with Nonfiction and Poetry

ABC-CLIO This is a complete, year-long programming guide that shows librarians how to integrate nonfiction and poetry into storytime for preschool children in order to build literacy skills and overall knowledge. • Helps librarians meet children's interests in "real stuff" and reach more children—especially boys—in storytime • Provides new and effective ways to build early literacy skills using a unique blend of the "literary" and the "real" • Supports national and state standards that emphasize the use of more nonfiction and informational text • Enables librarians to make better use of their existing collections

The Common Core in Grades K-3

Top Nonfiction Titles from School Library Journal and The Horn Book Magazine

Rowman & Littlefield The Common Core in Grades K-3 is the second in a series of comprehensive tools to tap into the vast flow of recently published books for children and teens, offering recommendations of exemplary titles for use in the classroom. Currency meets authority, brought to you by the editors of the highly regarded review sources School Library Journal and The Horn Book Magazine. This guide includes hundreds of selections for grades K-3 published since 2007 recommended by The Horn Book Magazine. The titles are grouped by subject and complemented by School Library Journal's "Focus On" columns, which spotlight specific topics across the curriculum. Providing context for the guide, and suggestions on how to use these resources within a standards framework, is an introduction by Common Core experts Mary Ann Cappiello and Myra Zarnowski. These educators provide perspective on the key changes brought by the new standards, including suggestions on designing lessons and two sample plans. Following the introduction, you'll find a wealth of books, by category. (Note that the guide is Dewey-Decimal based, so you may want to dig around, for example, in "Social Sciences" to find some titles that you might first seek in "History" or "Science.") Each section includes a listing of the top titles with brief, explicit annotations, and key bibliographic data. "Focus On" articles are appended to appropriate categories to support in-depth curricular development. Each of these articles includes a topic overview and list of current and retrospective resources (including some fiction) and multimedia, enabling educators to respond to the Common Core State Standards call to work across formats.

Poetry Through the Years

Tears, Wishes, and Dreams

Strategic Book Publishing When I first started writing poetry at 16, I never intended to write a book. Writing poetry for me was over a girl. Then it turned into more of a biography of my own life, such as a snapshot of that moment in time. When I was feeling in love, I wrote poems about love, and also those more depressing moments that come with heartbreak and loneliness. Poetry became a method of therapy at first, but as I experienced different moments in life through the military, traveling, marriage, children, and divorce, I have grown through the years and so has my poetry. Writing was something I knew I could do, and for some reason I was able to express myself through words. It was a way I was able to escape from reality, by expressing myself in poetry. Many poems have been lost over the years, but for the most part, this poetry collection is still a very close representation of my personal life and all its Tears, Wishes, and Dreams.

A Poetry Teacher's Toolkit

Book 4: Language and Performance

Routledge Professional poets spend many hours crafting a finished piece of work, yet we expect children in school to sit down and write when they are told to, whether they feel inspired or not. This series of four books is a toolkit to help you build a positive framework for children to read, write, understand and enjoy poetry - to bring a creative spark to the poetry classroom. A combination of featured poems, creative ideas, structured lesson plans and differentiated photocopiable activity sheets gives the series a uniquely flexible approach - which means you can use the materials in any classroom context. If you're wary of poetry, if you think it's boring, or if you're nervous about teaching poetry, then you've chosen the right book. Key themes covered in BOOK 4: Language and Performance are moods and feelings through the use of effective language; nonsense and humorous verse; the continuity and links between ancient and modern, between nursery and playground rhymes and Shakespeare; whatever our ability, there is a place for everyone on the poetry 'ladder'; and performance poetry. Other books in the series are: BOOK 1: Words and Wordplay; BOOK 2: Rhymes, Rhythms and Rattles; and BOOK 3: Style, Shape and Structure.
