The Key to the Middle East Discovering the Future of Israel in Biblical Prophecy [Chosen Books](#) **One Nation Holds the Key to the Destiny of Mankind** Though it may seem distant from our modern lives, the drama playing out in the Middle East on the world stage has consequences beyond what we can imagine. And in the tumult of it all, one tiny nation will become the watershed of world events, affecting us all. In this accessible, behind-the-scenes guide, internationally renowned teacher and scholar Derek Prince goes beyond the headlines and immerses you in what the Bible has to say about Israel. Tracing her long, astonishing history, he offers insight into the mounting tension and exposes the destructive enemy now stalking this war-torn land. Accessible and fascinating, **The Key to the Middle East** also reveals God's plans for all nations--and what our future could look like. Prince's depth of understanding and interpretation of Scripture will challenge and encourage you. But above all, you will be brought face-to-face with the God who remembers, honors and lovingly guards His promises to His people. **What Does the Bible Say about the Future? 30 Questions on Bible Prophecy, Israel, and the End Times** [Moody Publishers](#) **Anyone can make predictions about the future. The real question is, "What does God have to say about it?"** The end times is one of those areas of theology where people have many wild opinions. Don't get caught up in all the internet speculations and doomsday prognostications. The real place to find out about the future is the Word of God. **In What Does the Bible Say About the Future?,** radio

host and prophecy expert Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Bible actually does have a lot to say about the future. It's an important topic for you to study. So instead of taking your cues from the self-appointed prophets of today, let Dr. Dyer take you right back to Scripture. You'll get answers to questions like: Are we in the last days right now? Are pandemics like Covid-19 a fulfillment of Bible prophecy? What is the Battle of Armageddon? What is the next event on God's prophetic calendar? Where is the United States in Bible prophecy? And most importantly . . . If prophecy is true, what difference should it make in my life? God didn't give us Bible prophecy to tickle our imagination or satisfy our intellectual curiosity. Rather, God wants us to know about the end times so we can be confident in His eternal purposes. With a biblical understanding of the future, you'll be powerfully equipped to live with faith and hope today! **False Prophecies about Israel, Babylon, & Armageddon** [Remnant Publications](#) Today literally millions of people who study Bible prophecy have their eyes fixed upon Jerusalem. Right now, all over the planet Earth, Christians are talking about the modern nation of Israel, a future rebuilt Jewish temple, and a final, bloody battle called Armageddon when hostile nations marshal their forces for war against the Jews. Do the climactic end-time prophecies of the book of Revelation really focus on the Middle East? This book takes a close look at the prophetic ideas of the majority of the Christian world. Based solidly on the Bible, its message could save your life. **Future of Israel, The A Biblical Prophetic Perspective** [TEACH Services, Inc.](#) With all eyes straining to see what happens next in the Middle East, Israel in Prophecy is a hot topic. Books by Christian writers Hal Lindsey and the "Left Behind" series by Tim LaHaye and Jerry B. Jenkins have brought it into popular consciousness, raising many questions: Will Israel be built and established again as a mighty, holy nation, fulfilling their mission as a channel of blessing to other nations? How should we understand the prophecies of the Old Testament about Israel's promised recovery in the Promised Land? What is the role of the rapture in these events? Pastor Jan Voerman answers these questions from the teachings about Israel of Jesus and Paul, and the Old Testament prophecies, fitting all the pieces together to see a beautiful, consistent picture of God's intention for His chosen people. Voerman's conclusions may be surprising for some and will challenge the thinking of many more. For all who appreciate the Word of God, this is a rich and consistent study on the conditional nature of prophecy and the role of the Gentiles in the restoration of Israel under the New Covenant. **The Failure of Bible Prophecy A Skeptic's Review of the Evidence** [Trafford Publishing](#) Fundamentalists say the fulfillment of prophecy proves the divine inspiration of the Bible. Supposedly, the prophets predicted Jesus Christ's birth, ministry, death, and resurrection centuries before he existed. They also supposedly predicted the rise and fall of nations such as Tyre, Egypt, Edom, and Babylon. And they claim to have described the threat of Russia, the founding of Israel in 1948, and the political unification of Europe.

Upon closer examination, the claims do not hold up. The so-called messianic prophecies are taken out of context and have nothing to do with Jesus. This book proves: * Nebuchadnezzar never made a wasteland out of Egypt for forty years as Ezekiel predicted. * The world did not end immediately after the fall of Jerusalem in 70 AD as Jesus had purportedly predicted in Matthew 24. * The biblical prophets predicted nothing about Christ or Antichrist in the distant future but plenty about apocalyptic doom and messianic glory in their own near future. * And much more! Find out why biblical explanations of the world today do not add up and why this matters in **The Failure of Bible Prophecy. Back Toward the Future Hints for Interpreting Biblical Prophecy** [Wipf and Stock Publishers](#) Biblical prophecy comprises one of the most rewarding topics of Bible study. Difficulty of subject matter and unfamiliarity with the literary forms, however, deter many students. 'Back Toward the Future' removes these obstacles and invites exploration of this exciting subject. The author, a respected expert in the field, presents an introductory guide to the issues and methods of interpreting prophetic literature. The principles he formulates, coupled with his mature insights, will help students avoid many exegetical pitfalls. Part I helps the reader to discern conditional and unconditional prophecies, comprehend apocalyptic symbols, and understand future events in expressions of the past. Part 2 provides specific steps for interpreting prophetic passages. And Part 3 discourages Bible students from finding double meanings in prophetic statements and encourages them to embrace the author's single-truth intention. A Scripture index concludes 'Back Toward the Future'. **Blood Moons Rising Bible Prophecy, Israel, and the Four Blood Moons** [Tyndale House](#) Has the final countdown to the end days begun? Are the heavens telling us we are nearing the end? Astronomers have noticed it is coming. Historians have noted its significance. In 2014 and 2015, there will be a phenomenon in the skies of four blood moons falling during Jewish feasts. This has only happened three times in recorded history: 1493-94, 1949-50 and 1967-68. Each time these dates have had extraordinary significance for the Israelites. From the discovery of the New World to the creation of modern-day Israel, these years of the four blood moons have truly been turning points in history. Bible prophecy describes the moon being darkened and turned to blood. What is the significance of these signs in the skies? What will the future bring? Prophecy expert Mark Hitchcock guides you through the relevant Bible passages so you can understand the times in which you live. **History Volume 5 Book 1 of 2 All about His-Story Pub** PROPHECY MADE PLAIN AND SIMPLE ONLY THE BIBLE ACCURATELY FORETELLS THE FUTURE The Bible is a storybook that is one-third prophecy. Sixteen prophets and many other writers have recorded the prophetic events. This book, for the first time, collates all of their writings into a time-line story flow. The result is a clear, total view of the future that all of us will experience. Read the complete, fascinating story of God's pronouncements. All this is possible because all Old Testament prophecies of the Bible have been arranged by subject and time sequence. All sixteen Old

Testament prophetic books are included in their entirety. In addition, all other unfulfilled Old Testament prophetic scriptures from all of the other books of the Bible are included in the story flow. Often several prophets spoke about the same events. All of their comments are grouped together to give a complete rendering on the subject. Prophecy stretches from the third chapter of Genesis to the end of the Book of Revelation. However, prophetic verses are most prevalent from about 880 B.C. to about 3,000 A.D. This is the time span of Israel from Solomon's reign as King of Israel to the formation of the new earth at the end of the Millennial Age. Many have found discouragement in studying this lively subject because the Bible often uses obscure, ancient names of nations, peoples and places. This book overcomes those difficulties by providing extensive Appendices that give easily understood histories of these ancient kingdoms, peoples and places. The modern names for ancient places are given. Included is an extensive list of the symbols used in prophecies. One Appendix is an outline and statistical grouping of all the prophetic verses in the Bible. This shows, for the first time, what emphasis God has placed on each prophetic subject. This gives important insights into God's thinking. Complementing all of this rich background material are eighteen maps illustrating the migration of ancient tribes and the important kingdoms that have ruled throughout history. Israel is the central hotspot in the world. It is located at the cross roads of Asia, Europe and Africa. It has been the prominent political factor for thousands of years and it will remain so for many years into the future. This picture clearly emerges in the story told by Bible prophecy. World events are understood when one knows the future and fate of Israel. In this one work you will master one third of the Bible and understand 3,880 years of man's history as well as man's future. God intended for you to know it. The author is an engineer, a scientist and a Bible scholar. He has two engineering degrees and a degree in Biblical Studies. He brings over 50 years of Biblical research to his writings. He has published twelve books and numerous articles and essays. *Israel in Bible Prophecy Past, Present, & Future Prophecy in the New Millennium A Fresh Look at Future Events* [Kregel Academic](#) An up-to-date look at unfulfilled Bible prophecy and current events, written by one of America's most recognized end times experts. *The Next Three Wars in Israel Bible Prophecy Now* The situation in the near East is heating up daily and, due to the terrorist attacks that destroyed the World Trade Center in New York and damaged the Pentagon in Washington, even greater conflict is predicted in Israel and the surrounding Arab nations. Will this lead to the "Big One"? Or will things just calm down again as they have done so many times during the past fifty years? This book proposes a third scenario based on Biblical prophecy about what it calls the "end times." Bible prophecy tells of the Rapture, the Tribulation Period, and the Millennial Age. All three of these events, discussed in depth in this book, will revolve around Israel, and signs occurring right now, according to Sommerville, point to these events happening in the very near future. The three Israeli-Arab wars predicted in this book will signal the

It concerns the Messiah's return during a time of trouble and turmoil known as the Tribulation. It also comments about our current situation in the world: economics, technology, unbelief, wars, weather patterns, etc. It's primary villain is the antichrist, who comes to deceive the nations of the world and attacks God's people. This antichrist is under the control of Satan himself. But the finality of it all is the issuance of a peaceful one-thousand year millennium by the Messiah Himself. The author wants the reading audience to examine themselves to see if they are ready to receive Him (the Son of God), and live eternally with Him. **Revealing Revelation Workbook How God's Plans for the Future Can Change Your Life Now** [Harvest House Publishers](#) Approach Revelation with Clarity and Confidence Revelation does not stand alone in the Bible—rather, it's a culmination of God's words throughout the entire Old and New Testaments. Only God, who is omniscient, knows the future. Because of this, He is the only one who can reveal it to us. #2 The term end times is a general term that embraces a broad spectrum of events that will take place in the last days. It includes the rapture, the judgment seat of Christ for Christians, the seven-year tribulation period, the second coming of Christ, Christ's millennial kingdom, the great white throne judgment for the wicked, and a destiny in hell for the wicked. #3 The New Testament uses the term last days to refer to the present church age, which is when we are living. It is critical to recognize, however, the distinction between how last days is used in the New Testament in reference to the church age and how it is used in Old Testament prophecies in reference to Israel. #4 God does not give us prophecy to teach us mere facts about the end times. It is highly revealing that many prophetic passages in the Bible are followed by an exhortation to personal purity. Prophecy Unsealed [Xulon Press](#) This book is the author's obedience to God. The purpose is to help the many individuals who are diligently seeking to understand their future as revealed in the Bible and the Jew who is interested in Israel's prophetic future. To accomplish this purpose, many Bible prophetic scriptures need to be correctly understood and put into a proper time sequence with the other scriptures. The author has sought to achieve this purpose by the arrangement of these Bible scriptures with minor commentary. Christians need to be prepared for the tribulation that is coming on those who truly trust in Jesus as Lord. Details of the true believers rapture (taking up) into Heaven need to be studied very carefully. Jews need to understand God's will for their acceptance of Jesus now as their Messiah. This requires that we be taught by the Holy Spirit with much prayer. Author James Robert (Bob) Baker is 81 years of age and has been married to his wife Laura for 56 years. They have 4 children, 7 grandchildren, and 3 great grandchildren. He has been a Bible teacher in several denominational churches for 45 years. He served in the US Navy during the Korean War as a Supply Corps officer primarily aboard the USS Wasp aircraft carrier. The author has a BBA degree in business from North Texas University and a BS degree from Texas Technological University in civil engineering. He worked as a test lab engineer at General Dynamics and then Lockheed for 37 years in Ft. Worth, Texas. His writing experience has been in the writing of technical test reports for management and the Air Force. He is now retired at their Keller, Texas home. Prophecy and Current Events in the Middle East Framing Israel'S and America'S Future [AuthorHouse](#) As the title implies, Prophecy and Current Events in the Middle East: Framing Israels and Americas Future traces Old and New Testament prophetic events beginning with the patriarch Abrams fathering of two sons who form the roots of religions now at war. It details how the fulfillment of these events is impacting the world today and will impact the world in the near future. The book documents ancient prophecies fulfilled through the modern miraclethe nation of Israeland it delves into yet-to-be-fulfilled prophecies of future wars that Israel will be forced to fight. It documents the construction of the third temple, and it examines

ancient prophecies of a future tribulation time, God's hand in Israel's survival, and his role in the total destruction of their enemies. The book documents how the prophecies of Old Testament prophets, such as Daniel, Ezekiel, Zechariah, Jeremiah, Joel, Asaph, and Isaiah, correlate perfectly with New Testament prophecies of Jesus and the apostles John, Paul, Peter, and Jude to show God's power and total control as this present age comes to an end. **Revealing Revelation How God's Plans for the Future Can Change Your Life Now** [Harvest House Publishers](#) **Tour the Final Book of the Bible** Revelation was written because God wants us to know what the future holds. Showdown with Iran Nuclear Iran and the Future of Israel, the Middle East, and the United States in Bible Prophecy [Thomas Nelson](#) The Threat of War with Iran Grows Day by Day Bible prophecy expert Mark Hitchcock, PhD, is noticing a dangerous trend: the nation of Iran remains in the newspaper headlines for all the wrong reasons. In Showdown with Iran, he reveals why this rogue nation is so dangerous and how that connects to what the Bible says about what's to come while encouraging readers to remain alert, aware, and hopeful as the end times near. He tackles questions such as: Does Iran still plan to wipe Israel off the map? What does this mean for the future of the Middle East? Where does Iran stand in Bible prophecy? What will be the role of the United States in Bible prophecy? The warning of what will happen is not new. In the book of Ezekiel, the Bible records a multitude of predictions about the region then known as Persia as well as about the nation of Israel. These ancient prophecies foretell an end-time rise of Iran, as well as Russia and Turkey. But are the prophecies still unfulfilled today? Hitchcock is convinced Iran continues to play a central role in bringing about chaos in the Middle East. In Showdown with Iran, he explores the continued validity and accuracy of end-time prophecy and answers questions that will become increasingly relevant as the end times draw near. How to Read the Bible History, Prophecy, Literature--Why Modern Readers Need to Know the Difference and What It Means for Faith Today [Oxford University Press](#) McKenzie argues that to comprehend the Bible we must grasp the intentions of the biblical authors themselves--what sort of texts they thought they were writing and how they would have been understood by their intended audience. In short, we must recognize the genres to which these texts belong. McKenzie examines several genres that are typically misunderstood, offering careful readings of specific texts to show how the confusion arises, and how knowing the genre produces a correct reading. The book of Jonah, for example, offers many clues that it is meant as a humorous satire, not a straight-faced historical account of a man who was swallowed by a fish. Likewise, McKenzie explains that the very names "Adam" and "Eve" tell us that these are not historical characters, but figures who symbolize human origins ("Adam" means man , "Eve" is related to the word for life). Similarly, the authors of apocalyptic texts--including the Book of Revelation--were writing allegories

of events that were happening in their own time. Not for a moment could they imagine that centuries afterwards, readers would be poring over their works for clues to the date of the Second Coming of Christ, or when and how the world would end. For anyone who takes reading the Bible seriously and who wants to get it right, this book will be both heartening and enlightening. **Messiah's Coming Temple Ezekiel's Prophetic Vision of the Future Temple The Holy Land Key Unlocking End-Times Prophecy Through the Lives of God's People in Israel** [WaterBrook Press](#) "The study of prophecy inspires elaborate timelines and speculation about which world leader might rise to power in the last days. But meanwhile, it's far too easy to miss the significant prophetic signs contained in stories of biblical characters, in God's creation, and in the lives and actions of today's Israelis and Palestinians. The Holy Land Key opens our eyes to little-known aspects of prophecy, including: God's master plan revealed in the seven Feasts of the Lord; The ingathering of God's people, and the ways Israelis are hearing from God today; Significant prophetic patterns discovered in the lunar cycle; Awe-inspiring testimonies to God's glory spelled out in the night sky; and, Glimpses of God's future kingdom revealed in the stories of well-known figures from Scripture"--Page 4 of cover. **End Time Delusions The Rapture, the Antichrist, Israel, and the End of the World** [Destiny Image Publishers](#) **Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical—the antichrist—rise to control the world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like Left Behind and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than end time prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, End Time Delusions exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's most illustrious scholars, it lets the Bible speak for itself about the past, present, and future. The **Mystery of Israel and the Middle East A Prophetic Gaze into the Future** [Chosen Books](#) **You Can Help Compose History before the Throne of the Almighty! What More Do I Need to Know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and...well...too complicated. But God's Word says, "Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near" (Revelation 1:3). Prepare to be blessed in an entertaining and meaningful way! *The Non-Prophet's Guide to the End Times* combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There's no better time to grasp God's plans for the future—and for you—than this very moment. *Encyclopedia of Biblical Prophecy The Complete Guide to Scriptural Predictions and Their Fulfillment* [Wipf and Stock Publishers](#) After twenty years of research, Dr. J. Barton Payne has compiled the one complete guide to Biblical prophecy. From the prediction of Adam's death in Genesis 2: 17 to the prophecy of mankind's perpetual worship of God in the new heaven and earth (Psalm 72:5), the *ENCYCLOPEDIA OF BIBLICAL PROPHECY* discusses every verse of prophetic matter in Scripture. It identifies every probable point of fulfillment whether in the past, present, or still in the future. The first 144 pages of the *ENCYCLOPEDIA OF BIBLICAL PROPHECY* set forth a systematic approach to the subject of Biblical prophecy and the

legitimate place for prediction in it. The **ENCYCLOPEDIA** is arranged according to the 66 books of the Bible. In each book, all the verses on one prophetic theme are treated in one combined discussion. For example: The 12 verses of Genesis that foretell God's granting of the land of Canaan to the descendants of Abraham are discussed together. It is then shown how the promise was fulfilled in the days of Joshua. One of the **ENCYCLOPEDIA'S** concluding summaries lists all the 737 major subjects that appear in Biblical prediction, with the books and paragraphs in which each is found. This way, each prophecy can be traced from its first appearance in the Bible to its last. Among the many features is a complete list of all the Scriptural prophecies pertaining to Christ. No other book has ever examined Biblical prophecy so thoroughly or presented it in such a balanced perspective as the **ENCYCLOPEDIA OF BIBLICAL PROPHECY**. •1,817 entries covering all the Biblical predictions in both the Old and New Testaments •A complete discussion of all 8,352 predictive verses in the Bible •14 tables, including three on the Book of Revelation •Bibliography •4 summaries •4 statistical appendixes •5 complete indexes An indispensable tool for students of the Bible, for students in theological seminaries and Bible colleges, for pastors as a reference guide, and for concerned lay people. The **ENCYCLOPEDIA OF BIBLICAL PROPHECY** is certain to bring a fresh understanding and rewarding insights of the bible. The **Prophetic Scriptures** Christian Faith Publishing, Inc. The apostle Peter proclaimed, "We have a more sure word of prophecy." The Bible's ability to see into the future and record history in advance proves its supernatural foundation. Peter went on to say, "Ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts." Having a good knowledge of the prophetic word is paramount to the believer in the trying times we live in today. The prophetic word reveals to us the coming events for this planet and our place in the future. This knowledge generates comfort and rest in our spirits as we are taught what God has in store for our lives in the days ahead. This work is the result of four decades of study and research in the prophetic scriptures. It is an effort to aid you in your study of this subject. Surveying the entire Bible, it isolates the prophetic utterances of the ancient Hebrew and early Christian prophets concerning the future of the human race. Under eighteen titles, the book records what the biblical prophets said about prophetic subjects such as the Messianic prophecies, Jerusalem, the return of Jesus to this earth, the Temple, Armageddon, and many others. There is no commentary included in this work. It records only what the prophets declared from Genesis to Revelation. The work does not only concern itself with the well-known prophecies found in Daniel and Revelation, but it includes the obscure and very powerful prophecies from the minor prophets as well. It is a work compiled from the entire Bible. Not only is it a useful study aid, but it is also a book to be read like any other book. In the reading of this book, you will be taught directly from the biblical prophets concerning the times that you live in. Read it. Allow the Holy Spirit to be your

teacher, and make up your own mind about the time in which you live and the place that you are traveling to.

Revelations Visions, Prophecy, and Politics in the Book of Revelation [Penguin](#) A profound exploration of the Bible's most controversial book—from the author of *Beyond Belief* and *The Gnostic Gospels* The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (*The Philadelphia Inquirer*), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions. Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks, Pagels has written what may be the masterwork of her unique career.

The Modern State of Israel and Biblical Prophecy [Clink Street Publishing](#) The Modern State of Israel explores the lot of the Jewish people in their dispersion in the world for the past two thousand years. After their persecution and their expulsion from many nations, their desire to establish a home of their own, where they can rule themselves and not be the subjects of their overlords, is understandable. It is believed by many Christians that the State of Israel is an absolute necessity for the strategic and longterm determination of world events. It is said that the Bible provides support for their case. Events such as the coming of the Antichrist and the battle of Armageddon cannot take place without Israel. Christ, consequently, cannot return to establish the Millennium. Why did God choose Abraham as his seed and why did he give them land? The answer to this question is of tremendous importance, for upon it hang the doctrines of future events. In this thoroughly researched review of Israel, past and present, S. K. Haddad hopes to show whether Israel has a biblical role in future world events or not. Salim Khalil Haddad was born in Palestine of Lebanese parents. He studied Medicine and Surgery at the universities of Cambridge and London and later specialised in Neurosurgery. He lives in Wales, UK.

Israelestine The Ancient Blueprints of the Future Middle East [Prophecy Depot Publishing](#) Israelestine is a new neologism, which is used in multiple ways in this book to define, past, present and future geopolitical concepts pertaining to the Middle East conflict between the Arabs and the Israelis. Set to explode in the not so distant future, is a devastating war in the Middle East. The Jews will fight off Arab aggression and end terrorism once and for all!

ISRALESTINE The Ancient Blueprints of the Future Middle East, boldly unveils significant Bible prophecy that has eluded the discernment of today's great scholars. Once upon a foretold time the Jewish people were to meet with a holocaust type condition, out from which they would return back to their ancient homeland of Israel. They would begin as refugees, but promptly emerge into an exceedingly great army. As per Psalm 83, destiny's design for this great army is

a head to head confrontation with a formidable Arab confederacy consisting of Palestinians, Lebanese, Syrians, Jordanians, Saudi Arabians and Egyptians. This Arab coalition has been developing in its fledgling stages since 1948 and will climax and officially confederate in the very near future. The Israeli Defense Force will decisively defeat this offensive and prove to be the “exceedingly great army” of Ezekiel 37:10. They will expand their territory, become regionally superior, take prisoners of war and exploit the resources of these conquered Arab nations. In that condition they will become one of, if not the wealthiest nations on earth. It is from that position of empowerment that the Jews will dwell securely in the Middle East. Subsequently the world stage is set for the Russian - Iranian led coalition of nations, which will form against Israel as prophesied in the book of Ezekiel, chapters 38 and 39. This non-fiction thriller is carefully designed to cautiously navigate the reader through the end time’s calendar. **The Non-Prophet's Guide™ to the Book of Revelation Bible Prophecy for Everyone** [Harvest House Publishers](#) **Everything You Wanted to Understand About the Book of Revelation Explained** If the final book of the Bible has ever left you scratching your head or wondering what to make of plagues and horsemen, your friendly Non-Prophet is here to help you read Revelation as never before.
