## Bilingualism in the Primary School

### A Handbook for Teachers

Routledge Over the past few years bilingualism has come to be seen not as a hinderance to assimilation but as an asset which, properly nurtured, will benefit children's linguistic awareness, cultural sensitivity and cognitive functioning. Bilingualism in the Primary Classroom gives primary teachers a window on the experience of the bilingual children in their care and by doing so helps them to make the most of what the children and their parents have to offer as well as giving them a good start in the National Curriculum. Many of the contributors to the book are themselves bilingual and are thus able to understand the children's experience from within, but they are also particularly careful to show monolingual teachers how they too can make use of children's mother tongue experience. The book is based throughout on rich case study material of individual children at various stages on the bilingual spectrum.

This practice package helps you receive a driver's license or an instruction permit by explaining the British Columbia motor vehicle laws, traffic rules, and road signs through the practice tests. These practice tests or our FREE ICBC Permit/Driving Practice Tests on the website use real questions directly from the latest version of the official ICBC driving guide, "Learn to Drive Smart". You can download it FREE. We recommend you study the Driver License Manual carefully and take our permit practice tests until you achieve 100% score. Our practice tests are very essential for you to pass the real test.. Please note, however, that these practice exams are not the actual

exam, and you will not receive your license even if you pass all practice tests here. To get the license, you must pass the real ICBC Driving test. But once you keep studying and remember all the road signs and road rules, you will obviously feel confident enough to write the actual ICBC Driving exam. About the ICBC Driving Test British Columbia has a graduated licensing program. To get any class permit in British Columbia, you are required to take the Knowledge test. And you should be of 16 years old. As a new driver, you'll first need your L (Class 7 learner's permit), then your N (beginner permit/Novice Licence), and afterwards your full-benefit driver's permit (after passing your Class 5 road test). To get your L, you should score at least 40 out of 50 questions in the multiple-choice knowledge test. That is, you must answer 80% of the questions correctly. On average, it takes 25-26 minutes to finish the test. Roughly one in five questions on your official knowledge test will cover road signs. ## Ecclesial Identities in a Multi-Faith Context

### Jesus Truth-Gatherings (Yeshu Satsangs) among Hindus and Sikhs in Northwest India

Wipf and Stock Publishers When Hindus and Sikhs become followers of Christ, what happens next? Should they join Christian churches that often look and feel very unfamiliar to them? Or to what degree can or should they remain a part of their Hindu/Sikh communities and practices? Uncomfortable with the answers that were provided to them by Christian leaders in northwest India, six followers of Christ began Yeshu satsangs (Jesus truth-gatherings) that sought to follow Christ and the teachings of the Bible while remaining connected to their Hindu and/or Sikh communities. Ecclesial Identities in a Multi-faith Context analyzes the contextualized practices and identities of these leaders and their gatherings, situating these in the religious history of the region and the personal histories of the leaders themselves. Whereas Christians worry that the Yeshu satsangs and related "insider movements" are syncretizing their beliefs and are not properly identifiable as "churches," Ecclesial Identities analyzes the Yeshu satsang's narratives and practices to find vibrant expressions of local church that are grappling with questions and tensions of social and religious identity. In addition to its ethnographic approach, Ecclesial Identities also utilizes recent sociological and anthropological theory in identity formation and critical realism, as well as discussions of biblical ecclesiology from the book of Acts. This study will be a helpful resource for those interested in global Christianity, the practices and identities of churches in religiously plural environments, and the creative ways in which Christ-followers can missionally engage people of other faiths.
