KEY=ENHANCE - ARIANA PIERRE

The Arthritis Solution for Dogs Natural and Conventional Therapies to Ease Pain and Enhance Your Dog's Quality of Life *Prima Lifestyles* A respected expert in the growing field of natural health for pets focuses on the pros and cons of conventional and natural arthritis care for dogs. Dr. Messonnier is the holistic care columnist for "Dog Fancy" magazine. **Canine and Feline Geriatric Oncology Honoring the Human-Animal Bond** *John Wiley & Sons* **Canine and Feline Geriatric Oncology: Honoring the Human-Animal Bond, Second Edition** provides a complete clinical approach to the most common neoplasias in geriatric dogs and cats. Provides the tools needed to diagnose and treat aging pets with cancer and to help clients make the best decisions for themselves and their animals Addresses the "what-ifs" that often arise during interactions with clients of aging pets with cancer and helps to determine when a pet should enter the hospice phase Features many vignettes and real-life case studies to demonstrate the issues faced by clinicians and owners dealing with older dogs and cats with cancer and end-of-life issues Fully updated and expanded with new and revised information, including new knowledge on palliative and hospice care and self-care techniques for carers **Your Poodle's Life Your Complete Guide to Raising Your Pet from Puppy to Companion** *Three Rivers Press* **Give Your Poodle the Best Possible Care—for Life!** As a caring Poodle owner, you want the best for your pet. But you may not know all the special steps you need to take to raise a happy, healthy Poodle. **Your Poodle's Life** was written with one purpose in mind—to give you the most up-to-date information and guidance you need about the health, nutrition, training, and care of your dog. Reviewed by a nationally known veterinarian, this book shows you how to give your Poodle the best life possible—whether you've just welcomed a new puppy into your family or adopted an older dog. Includes a special training section written by renowned training expert Liz Palika. **Inside—What Every Poodle Owner Wants to Know:** ·Is a Poodle the right dog for me? ·How much exercise does my Poodle need? ·What type of Poodle—Toy, Mini, or Standard—is the best for me? ·Do Poodles make good companions for children? ·How often should I groom my Poodle? ·What's the best way to house-train my Poodle? ·How do I ensure that my Poodle gets the best-possible medical care? **My Dog Has Arthritis - But Lives Life to the Full! A Practical Guide for Owners** *Veloce Publishing Ltd* When dogs get arthritis, they can't tell you what hurts or ask for help. But now they no longer have to suffer in silence; they finally have a voice. Featuring practical advice and expert opinion, as well as owner insight and testimonials, this book provides dog owners - or anyone considering getting a dog - with all they need to know to help their dog. Includes case histories. **My dog has epilepsy but lives life to the full!** *Veloce Publishing Ltd* Just like humans, dogs can suffer from epilepsy. It's often described as an 'electrical storm' in the brain, when millions of nerve cells fire together resulting in a seizure. These fits can vary from mild to severe, and can be dangerous for the dog and distressing for the owner to witness. Thankfully, there's a lot that can be done to help dogs with the disease live a full and happy life. Whether your dog has just been diagnosed with epilepsy, or has lived with the condition for some time, **My Dog has Epilepsy ... but lives life to the full** provides the answers to the questions that you're likely to have about this disease - and shows the way forward. Packed with practical advice and input from leading neurological vets, this guide is an invaluable companion for owners, with chapters on the different types of seizures; why they happen; the signs to look out for; how to protect your dog from injury during convulsions; the importance of the right diagnosis; treatment options; the role of diet and exercise; and quality of life issues. **The Complete Guide to Poodles Standard, Miniature, or Toy - Learn Everything You Need to Know to Successfully Raise Your Poodle From Puppy to Old Age** *LP Media Inc* Whether you're considering adopting a Poodle, or have already welcomed one into your home, this comprehensive guide will tell you everything you need to know about the breed. If you've ever wondered about the origin of the Poodle or how the three size varieties were developed, you'll learn about their history as waterfowl hunting dogs and more. You'll learn about every aspect of Poodle ownership, from what to look for in a responsible breeder to caring for a senior dog. Whether you plan on purchasing your Poodle from a breeder or adopting from a rescue, this guidebook is an essential resource. With information on what to look for in a puppy and how to prepare your house before bringing your new Poodle home,

you'll be thoroughly prepared to begin your life as a Poodle parent. Poodles are highly intelligent dogs and need daily training and mental stimulation to prevent behavioral problems. This book will guide you through your dog's basic training and the different training methods recommended for Poodles. You'll also learn how to prevent and correct problem behaviors. A properly socialized Poodle will be able to accompany you wherever you go, and this book will help you learn how to socialize your dog with adults, children, and other animals. If you're worried about potential problems in socialization, this book will guide you through even the most difficult situations. Poodles are wonderful companions, but they require proper nutrition, grooming, and veterinary care in order to thrive. This guidebook will serve as an invaluable reference throughout your Poodle's life. You'll learn about health conditions and diseases common to the breed and what treatments and preventative care is available. From the first day at home to your Poodle's senior years, this guide will provide you with the information you need to make the right decisions for your dog. Whether you're an experienced Poodle owner or are considering your first dog, this book will teach you everything you need to know to become the best Poodle owner possible.

Better Nutrition Reaching nearly 1 million readers monthly, Better Nutrition celebrates 70 years as a leading in-store distributed magazine for health conscious consumers. Widely distributed to thousands of health-food stores and grocery chains across the country, Better Nutrition provides authoritative, well-researched information on food nutrition, dietary concerns, supplements and other natural products.

The Well-connected Dog A Guide to Canine Acupressure *Lippincott Williams & Wilkins* A user friendly manual for performing acupressure treatments with your dog, "The Well Connected Dog" is filled with photographs and charts illustrating a step-by-step treatment guide, meridian pathways, and acupoints. Authors Snow and Zidonis also include twenty-five special conditions treatments and lots of additional information about your dog's optimal health.

The Complete Guide to the Bichon Frise Finding, Raising, Feeding, Training, Socializing, and Loving Your New Bichon Puppy *LP Media Inc* Are you thinking about getting a new Bichon Puppy? Or have you recently rescued a dog that is part, or full Bichon? The Complete Guide to the Bichon Frise is your go-to guide for everything you need to know to prepare to successfully raise and train a happy, healthy Bichon from puppy to old-age. Chapter Topics include: Choosing a Bichon Frise Bringing Home your Bichon Frise Being a Puppy Parent Housetraining Socializing with People and Animals Living with Other Pets Physical and Mental Exercise Training your Bichon Frise Basic Commands Dealing With Unwanted Behaviors Traveling with Bichon Frise Nutrition Grooming your Bichon Frise Basic Health Care Advanced Bichon Frise Health and Aging Dog Care The Bichon Frise is a hypoallergenic family dog with a huge personality packed into a small body. These dogs have a sense of humor, love to joke around, but also can't wait to snuggle. While there is little variance in the breeds look, each dog has a unique personality. They are great with all types of people, from infants and small kids, to adults and the elderly. They are regularly described as cheerful and funny and are a great dog for first-time dog owners. Royalty runs through the Bichon's blood and they know it. They love to be pampered and to be included in everything their owner or family does. These wonderful family dogs tend to have short periods of high energy and then love to relax and snuggle the rest of the time. The energy onsets fast and they enjoy running circles around the house or tables or going for walks outside. Bichon's are comical in their demeanor and their adorable black eyes make them hard to resist. They are friendly, cute, and love to play and do tricks. Kids and adults alike love them for their size, softness, and fun personality. They will integrate themselves into your family from day one and will find a place deep within your heart. Whether you already own a Bichon, or plan to soon, The Complete Guide to the Bichon Frise will be an invaluable guide to help you learn everything you need to know to be a successful Bichon parent.

Unexpected Miracles Hope and Holistic Healing for Pets *Forge Books* Those soulful eyes that look up at you at the end of a rough day. The soft paws that knead into your lap and tell you with that you are "theirs." Much more than a companion, more beloved than our nearest and dearest human family. Our pets. Sixty-three percent of all US households have them. Owners spend untold amounts of money on food, toys, even Christmas presents for their pets. And they don't stint when it comes to their pet's health. Dr. Shawn Messonnier has been a veterinarian for more than fifteen years. Once a conventional practitioner, he's embarked on a crusade to help pet owners keep their treasured furry friends healthy and happy, treating each patient not as a disease but as a unique living entity. Dr. Messonnier brings the reader into his waiting room and introduces them to some remarkable animals...and the courageous owners who never gave up on their pets. Using case studies and highlighting diseases that commonly afflict our pets, Dr. Messonnier shows us the integrative methods he has developed to help these creatures not only survive the maladies they were originally diagnosed with but in many cases go on to live long and healthy lives. **Unexpected Miracles** will change the way you think about your pet's healthcare forever. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Complete Guide to Golden Retrievers Finding, Raising, Training, and Loving Your Golden Retriever Puppy *LP Media Inc* Golden Retrievers are one of the most loyal and lovable breeds around, and so it is easy to see why they are so popular. They are playful and friendly, even into their golden years, and are ideal dogs for first time dog owners. This book will guide you through every phase of your life with your loving and charismatic Whooodle. **Getting to Know Labradors: A Guide to Choosing and Owning a Labrador Retriever** *Animalinfo Publications* **The Pet Lover's Guide to Natural Healing for Cats & Dogs** *Elsevier Health Sciences* Presenting detailed information on alternative therapies for both dogs and cats, this book is divided into three main parts: diet and natural therapies; recommendations for specific health conditions, such as skin problems or digestive tract problems; and an overview of health maintenance and preventive health, including information about vaccinations, weight control, and caring for the aging pet. **Emotion to Motion How the Mind Impacts Your Dog's Mobility** *Dudley Court Press, LLC* Welcome to your dog's emotional world. Did you know that varying emotions influence your dog's movement decisions every single day? Injured, aging, and mobility-challenged dogs may not be able to do all the things they used to do. But as a pet parent, that doesn't mean you have to idly sit by and watch your dog's quality of life suffer. Join canine mobility expert Kate Titus on a journey to give your dog more of what they need to thrive—no matter what their current physical capabilities may be or what stage of life they're in. Her new book **Emotion to Motion: How the Mind Impacts Your Dog's Mobility** will offer you all the tools you need to help your mobility-challenged dog start leading a fuller, happier, and more active life today. This second title in the Loyal Companion series will reveal to you how to better understand your dog's emotional life as it relates to their mobility. It will also show you how to listen for and interpret those emotions—and what to do with that information. **Emotion to Motion** is packed with practical suggestions, case studies, worksheets, checklists, and tips to improve the quality of life for your mobility-challenged dog. **Starve Cancer - Feed Your Dog! A Nutrition Regimen for the Prevention and Treatment of Cancer in Dogs** *Dogwise Publishing* In this important book, the authors present a nutritional regimen that helps dogs diagnosed with cancer maintain their body weight while at the same time denying the cancer what it needs to grow. Perhaps the scariest impact of cancer is seeing your dog's lean body mass waste away, causing them to rapidly lose strength. The recommendations in this book are not going to cure them, but it improves their quality of life and extends life expectancy. From the Foreword by Sarah Lyles, DVM, DACVIM (Oncology) Nutrition is a sensitive and sometimes controversial subject in veterinary medicine. As an oncologist, I want to make recommendations based on published data and science, of which there is little in the field of nutrition for veterinary oncology. There are so many ways to "feed the body," to maintain health, decrease inflammation, and naturally promote healing for several conditions. For some chronic diseases, such as chronic kidney disease, nutrition is the main source of therapy! Unfortunately, for cancer, there is less data. Cancer is also diverse, with highly variable outcomes depending on cancer type and treatment modality chosen. With few publications showing proven benefits, I often feel I cannot make strong recommendations about dietary therapy for my cancer patients. It would be nice if more were known. However, Drs. Cowden and McMillan have compiled a comprehensive book of what is known. They have reviewed books and peer-reviewed articles on cancer nutrition in pets, to create a how-to guide and provide information all in one place. They did this for you, having been in your shoes. No more scouring the internet, uncertain if the recommendations are trustworthy, and feeling overwhelmed by conflicting opinions. Think of this book as a resource, providing you with everything you need to know about complete nutrition for your dog with cancer. **The Complete Dog Massage Manual Gentle Dog Care** *Veloce Publishing Ltd* Demonstrates and explains relevant and safe massage for your dog, together with information about how the dog 'works' in relation to what effects massage has. Clear, specially-commissioned photos and technique descriptions explain how you can be so much more in touch with the health of your canine companion **CBD Oil for Pets: The Complete Guide to Using CBD Oil for Your Pets: Dog Pain Relief, Cat Anxiety Relief, Arthritis Pain, Hip and Joint** *Independently Published* The Complete guide to using CBD oil for your pet is here! Did you know that even your dog can benefit from CBD oil's many therapeutic and medicinal properties? You see, all mammals, reptiles, and even fish have what you called an "endocannabinoid system" that facilitates all of the medicinal effects of CBD oil. Even our furry companions benefit immensely from this naturally occurring substance, whether in the forms of treats, oils, or even pills. I will go over the efficacy of CBD oil and guide you through treatment options and address how effective this substance is with ailments your dog may be facing such as seizures, anxiety, epilepsy, and even cancer. What you'll

learn: What is CBD oil? Therapeutic and medicinal benefits Alleviating cancer, seizures, and anxiety How CBD oil is made History and controversy My favorite product to use And much, much more! Whether you want to give your dog the blessing of optimal health or reverse a disease, do not wait any longer or allow your loyal and trusted furry companion to suffer any longer. Take action now and invest in your dog's health for a better quality of life. also make your pet benefits from CBD effects such as: ✓REDUCES INFLAMMATION AND PAIN: Hemp Oil has been shown to dramatically help with inflammation and joint pain for Dogs and Cats. ✓ANXIETY & STRESS RELIEF: Anxiety affects your pet and Healthy Pets Hemp Oil can help! Hemp seed oil is an all-natural option to relieve cat separation distress. The seeds are the most powerful part of the plant when it comes to producing top quality oils that contain healthy levels of various essential fatty acids; Compounds known to affect cat and dog anxiety levels. ✓REDUCES THE RISK OF CANCER: Cancer in dogs and cats is tied to lack of Gamma Linolenic Acid (GLA). Hemp oil is rich with essential fatty acids, which can bring their bodies back to balanced as well as increase immunity. Thus, retain youthful skin and improve heart health. ✓SAFE AND EASY: Many dog medications and cat supplements have undesirable side effects and can sometimes decrease our pet

Raw & Natural Nutrition for Dogs The Definitive Guide to Homemade Meals *North Atlantic Books* "The first comprehensive book to cover both raw and home-cooked diets specifically for dogs, written by an expert in dog food research and development"--Provided by publisher.

Animal Healing: The Power of Rolfing *Hillcrest Publishing Group* "If you enjoy animal stories as much as I do, you're in for a great read. . . . You'll witness the health and happiness of these animals being transformed through the hands and heart of Bria Anson and her passionate application of Rolfing(r) Structural Integration. . . . It's an incredible menagerie: cats, dogs, and horses, as well as guinea pigs, llamas, eagles, an owl, a rooster, a cougar, and, perhaps most intriguing of all, an up close and personal encounter with a wild moose named Mike." Paul Schurke, Outdoor adventurer and educator; coauthor with Will Steger of *North to the Pole* and author of *Bering Bridge: The Soviet-American Expedition from Siberia to Alaska*; Director, Wintergreen Dogsled Lodge and Arctic Adventures, Ely, Minnesota "As Bria Anson's collection of nonhuman patients clearly demonstrate, Rolfing(r) Structural Integration isn't just for people, though a person's appreciation of its benefits for themselves often leads to an interest in trying this form of body work on their animals. . . . Each animal's emotional and locomotor response to Rolfing described in this book strongly suggests a true and sustained benefit." Julia H. Wilson, DVM, Diplomate, American College of Veterinary Internal Medicine; Associate Professor, Large Animal Medicine, College of Veterinary Medicine, University of Minnesota "Bria Anson shares her experience, insight, and her love for all creatures in these amazing stories of her quest for healing through Rolfing(r). . . . After each session, the ravages of the eagles' permanent disabilities seemed to have less influence on their performance. . . . The Rolfing sessions improved their overall disposition and health. . . . I'm grateful to Bria for her extensive dedication and the volunteering of her time and talent given to the eagles at the National Eagle Center." MaryBeth Garrigan, Executive Director of Eagle Watch, Inc. (2000-05); Program and Development Director, National Eagle Center (2005-09), Wabasha, Minnesota "Rolfing(r) Structural Integration, a unique myofascial approach to assist the body in healing numerous musculoskeletal and other issues, is being introduced to the animal world through Bria Anson's fascinating book, "Animal Healing." Through case reports, anecdotes, and stories from her pioneering practice applying Rolfing SI to animals, Bria offers convincing evidence that the benefits of this work may be applicable to animals as well. This book is an excellent introduction to Rolfing Structural Integration and its potential application to nonhuman animals. Allen M. Schoen, MS, DVM, Ph.D. (hon.); author, *Kindred Spirits: How the Remarkable Bond between Humans and Animals Can Change the Way We Live* and editor, *Veterinary Acupuncture: Ancient Art to Modern Medicine*

Older dog? No worries! Maintaining physical, mental and emotional wellbeing in your golden oldie *Veloce Publishing Ltd* If you're lucky, your dog is an older dog, and you have shared many happy years with him by your side. As they grow older, dogs' needs change, and they may not be as mentally, physically, or emotionally robust as they once were. Older dogs are a joy and a privilege to care for, with opportunities to further strengthen your relationship as you adapt to their changing needs. This book, part of the *No Worries!* series, encourages you to consider your dog's individuality, and adapt or introduce activities that help maintain his mental agility, emotional resilience, and physical health. Drawing upon the latest research to provide ideas for maximising your dog's well-being as he ages, the individual chapters allow you to develop your own care plan for your dog, to incorporate new or amended ideas into your daily routine, and to make simple changes to your home, garden, car, and walks, to ensure your older dog is happy, safe, and invigorated.

Facing Farewell *Dogwise Publishing* One of the most difficult things about being a pet parent is making end of life decisions. This compassionate veterinarian helps you understand the process and make critical decisions that will comfort you and your pet at this difficult time.

They have transformed themselves into an epitome of success by studying and practicing the principles outlined in the book. The book titled **Personal Development with Success Ingredients** written by Mo Abraham is a step-by-step guide for success, wealth, and happiness and the formula are by far tried and proven. The 12-In-1 book covering over fifty topics on Health & Mental Development, Personal & Social Development, and Financial Development was written with the sole aim of illuminating the minds of those who are disappointed at so-called 'success books' as many of them are only theoretical and somewhat not applicable in a different localized setting and hence, not workable. But **Personal Development with Success Ingredients** is a book embracing principles which are very much universal and can be found in virtually everyone. It's also like a whole library of knowledge, wisdom, key secrets and more packed into one book. For those wondering where the real secret of success can be found, it can be surely found in this book. The book was written by Mo Abraham, an experienced entrepreneur who has gained success by applying these same principles in his own life and business. He was a former merchant navy officer who also worked in big telecommunication companies occupying very high positions until he set up his own business in 2003. Like everyone else, Mo Abraham was also faced with the same struggle everyone faced but overcame those using strategic universal laws which he has hidden in the pages of this great book. The principles are affluently assuring and guarantee a life-changing experience. The author has deliberately set an affordable price so that anyone can have the alluring experience this book has to offer. The massive book contains over 900 pages of LIFE-TRANSFORMING information that have been proven to work for thousands and thousands of successful people around the world today. **The Allergy Solution for Dogs Natural and Conventional Therapies to Ease Discomfort and Enhance Your Dog's Quality of Life** *Crown* **The Holistic Approach to Treating Your Dog's Allergies** When your dog is constantly scratching and uncomfortable, you need answers. Adding a dog to your family is a significant and long-term decision. Cocker Spaniels typically live for 10 to 14 years. So, if you're feeling overwhelmed about everything you need to know before you decide to bring a Cocker Spaniel home, use this handy guide to answer your questions *The Complete Guide to Cocker Spaniels* will provide you with everything you need to know from choosing your puppy and preparing your home to socializing, training, grooming, and feeding your Cocker Spaniel. Topics included in this guide: Understanding the requirements that reputable breeders must meet Recognizing the importance of health tests and certifications for Cocker Spaniels Tips for puppy-proofing your home Understanding why socializing your puppy is important Learning the best options to house-train your puppy Using obedience training to create a well-behaved dog Teaching your dog to understand basic and advanced commands Reducing or removing separation anxiety Learning about the best diet for your dog Understanding Cocker Spaniel exercise needs Managing Cocker Spaniel grooming needs Identifying common Cocker Spaniel health conditions Preparing for travel by car or plane with your Cocker Spaniel Helping your dog age gracefully *American Book Publishing Record* **Pain Management A Practical Guide for Clinicians, Sixth Edition** *CRC Press* This authoritative reference, the Sixth Edition of an internationally acclaimed bestseller, offers the most up-to-date information available on multidisciplinary pain diagnosis, treatment, and management. *Pain Management: A Practical Guide for Clinicians* is a compilation of literature written by members of The American Academy of Pain Management, the largest multidisciplinary society of pain management professionals in North America and the largest physician-based pain society in the United States. This unique reference covers both traditional and alternative approaches and discusses the pain of children as well as adult and geriatric patients. It includes approximately 60 new chapters and each chapter is written to allow the reader to read independently topics of interest and thus may be viewed as a self-contained study module. The collection of chapters allows an authoritative self-study on many of the pressing issues faced by pain practitioners. Regardless of your specialty or medical training or whether you are in a large hospital or a small clinic, if you work with patients in need of pain management, this complete reference is for you.

Sit. Stand. Go! How to help your dog overcome mobility challenges *Dudley Court Press, LLC* **Help Your Dog Overcome Mobility Challenges - Starting Today** For some dogs, a reduction in physical ability happens quickly. For others, it occurs at birth or arrives with advanced age. Yet with the right help and support, your dog can still enjoy a full life and his canine independence. *Sit. Stand. Go! How to help your dog overcome mobility challenges* provides the answers you need to jumpstart your dog's mental and physical activity and restore the joy in his life. In this helpful book written for dog owners, you'll discover how to: • pay attention to changes in your dog, • recognize challenges created by those changes and • accommodate your dog's needs to better move through his world Mobility is crucial for any dog. It allows your pet to run, jump and play, but also to eat, groom himself and eliminate unaided. You want your dog to have a full and active life, even if right now he's not able to do all the things you both would like him to. *Sit. Stand. Go!* gives you all the practical tools you need to help you and your dog overcome his mobility challenges and improve your dog's quality of life. *Sit. Stand. Go!* combines the appealing writing style and attention to detail of Patricia McConnell's *The Other End of the Leash* with the practical knowledge of *From Fearful to Fear Free: A Positive Program to Free Your Dog from Anxiety, Fears, and Phobias* by Dr. Marty Becker. In *Sit. Stand. Go!* author Kate Titus calls on her years of experience working with mobility-challenged dogs to show you how to look at your dog with a fresh perspective, record your observations and present them in a meaningful way to your veterinary team. With Kate's genuine love for dogs evident on every page, she'll teach you how to: • recognize changes in your dog's mobility, • provide assistance or assistive equipment without triggering your dog's stubborn streak, • capture and present important information about your dog's current mobility and changes you've seen since your last veterinary visit, • recognize and remove obstacles inside your home, in outdoor spaces, and in loading, unloading, and riding in vehicles. Kate also provides the pep talk you need when working with and loving a mobility-challenged dog. Your dog's quality of life is important. *Sit. Stand. Go!* is applicable to dogs of all types, including smaller dogs like Yorkshire Terriers and Beagles, and larger dogs like Labrador Retrievers and German Shepherds. Kate Titus is a Certified Canine Fitness Trainer (CCFT), FitPAWS Master Trainer (FPMT) and Certified Canine Therapeutic and Sports Massage Therapist (CTMT, CSMT). She provides massage, exercise and mobility solutions for dogs at her facility, A Loyal Companion Canine Swim and Recreation Center, in Tucson, Arizona. Kate also lectures to groups on fitness, massage, and senior dog mobility issues. *Sit. Stand. Go!* - the first in the Loyal Companion book series - allows Kate to share her expertise with loving dog owners like you around the country and around the world. Are you ready to join Kate to learn more about canine mobility and help

restore your dog's quality of life with Sit. Stand. Go! today? **Pain Management in Small Animal Medicine** *CRC Press* **Pain Management in Small Animal Medicine** describes and clearly illustrates the difficulties and choices facing veterinarians in identifying and treating pain, in addition to providing an account of the neurobiological mechanisms responsible for the pain. Expanded from the author's previous work, **Chronic Pain in Small Animal Medicine**, this volume us Shop Tucson! *Lulu.com* Live in Tucson or plan on visiting soon and (this is important) have wads of cash and/or credit burning fresh holes in your designer jeans? Susan L. Miller's weekly column appeared in the Tucson Shopper for over two years. Focusing on locally owned, independent businesses, she outlines dozens of irresistible opportunities to unload excess funds and exercise your plastic when the cash runs out. Put the laughs back in your shopping cart...whether it's food, hobbies, art, music, books, pets, gifts, pawn shops, vintage clothing, tools or cars, you'll find it here. And don't miss the small but satisfying "Protecting the Family Jewels" Chapter.
