Plunkett Research, Ltd. **Franklin, Jack, Marla, Thadius, and Caitlin... this unlikely group of assorted misfits are the Cemeterians, a group that will take on any job - no, really, we mean any bloody job (money's a bit tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists, creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-**

Plunkett's Automobile Industry Almanac 2008

The Only Comprehensive Guide to Automotive Companies and Trends

Plunkett Research, Ltd. **The automobile industry is evolving rapidly on a worldwide basis. Manufacturers are merging, component design and manufacture are now frequently outsourced instead of being created in-house, brands are changing and the giant auto makers are expanding deeper into providing financial services to car buyers. The skyrocketing price of gas spurs developments in hybrid technology and clean diesel, as manufacturers look for ways to improve fuel efficiency. Meanwhile, all of the biggest, most successful firms have become totally global in nature. Plunkett's Automobile Industry Almanac will be your complete guide to this immense, fascinating industry. On the car dealership side, giant, nationwide holding companies have acquired the best dealers in major markets. Even the used car business is being taken over by national chains. E-commerce is having profound effects on the car industry. Consumers use the Internet to become better informed before making a purchase. Online sites like Autobytel steer millions of car buyers toward specific dealers while the same sites deliver competing bids for cars, insurance and financing in a manner that lowers costs and improves satisfaction among consumers. Meanwhile, auto makers are using the latest in e-commerce methods to manage their supply chains and replenish their inventories. This exciting**

Challenges for the Italian Boating Industry

EGEA spa **Unlike any other Italian manufacturing sector, Italy's recreational boating industry has recorded skyrocketing growth rates for years, ultimately achieving a world leadership position in the construction of motor yachts. But now the global crisis has imposed profound structural changes and significant evolutionary dynamics on the industry's competitive environment. The book aims to answer some of the industry's most hotly-debated issues, including: - What are the key features that led to this success? - What business models characterize Italian shipyards? - Which elements distinguish the Italian industry from its foreign competitors? Which future challenges must the industry overcome in order to maintain its leadership position?**
