KEY=LYNN - KANE GOOD

Law and Beard Createspace Independent Publishing Platform Winnie thinks she has the perfect life. Two beautiful, healthy children. A police officer husband. A job that she loves. Oh, and let's not forget that she's a nationally ranked marathon runner. Fast forward six months, and her perfect life has imploded. Winnie finds herself in a completely new world, and this new world is a brutal bitch. In this new life of hers, her husband is gone. He realizes, at the worst possible time, that he's no longer in love with her. He's in love with her best friend. He leaves, and doesn't look back. Her sixteen-year-old daughter is in trouble with the law, and she's barely making ends meet thanks to losing the job that was keeping her and her tiny family afloat. Then, the last thing that could make it all bearable, her running, is ripped out from under her, too. Thanks to a spinal stroke that leaves her unable to walk, let alone run, she's having to relearn how to do the simplest of tasks-such as putting on her own pants. She's at the lowest of lows, and the last thing she wants is a sexy, bearded, motorcycle riding alpha to tell her how to live her life. But Steel Cross never asks her what she wants. *** The moment Steel Cross sees Winnie's daughter steal some shoes for her younger brother, he knows he's in trouble. He's a sucker for misunderstood teens. After all, he was once one himself. He knows he can't just walk away, and the moment he sees that troubled teen's mother, he doesn't just know it, he feels it. Down to the very bottom of his soul. With his share of hard knocks, he knows that he shouldn't step in and make his move on a fellow police officer's ex. There's a code, after all, yet he just can't seem to help himself. He's done being the good guy. Sometimes he just wants to be bad. And Winnie makes him realize that being bad is still kind of good. As long as you're with the right person. **Right to My Wrong Createspace Independent Publishing Platform** Nightmares Sterling and Ruthie have more things in common than they realize, even though from the outside it doesn't seem like they do. Blood Sterling is a decorated war hero. Ruthie is an ex-con. Their two worlds should've never collided, but fate has a way of turning life in the direction least expected. Now Ruthie has to try to come to terms with the fact that she's in love with a biker who's also a decorated Navy SEAL. One who leaves for months at a time with little to no advance warning, taking her heart with him each time he goes. Pain Sterling has a lot of things to overcome in order to have Ruthie, the biggest being her mind. She doesn't think she's good enough. He thinks she's perfect. Now it's up to him to show her just how right he can be. **Shayla's Story The Mathew Family Series (book 2 and a standalone) Beverly Preston** ~ People come into your life for a Reason, a Season or a Lifetime ~A Reason...Questioning her relationship with a man who worships politics more than her, Shayla Clemmins escapes reality for the seductive sunsets of Greece. There she finds exactly what she didn't know was missing from her life, but fears she'll lose him to her past.A Season...John Mathews works hard and plays even harder. When he finds a new passion in the sensual warmth of Greece, he discovers that one lust-filled weekend of romance is just not enough.A Lifetime...With Shayla's past catching up to her and an anonymous threat to her future, can she and John make a lifetime together? **Charge to My Line Createspace Independent Publishing Platform** Bad Boy. Screw-up. Good for nothing. Hero. Angel. These were all words Grayson 'Torren' Trammel had heard whispered behind his back over his lifetime. What he hadn't heard was 'quitter, ' and he'd be damned if some little rehab chick, with her beautiful blonde hair, and hot, sassy little mouth was going to label him as such. Tru knows Grayson's not for her. He's too bad. Too hot. Too demanding. Too taken. As she helps Grayson get back into fighting shape after a horrific accident nearly ripped his life away from him, there's just something about him that makes her want more. **Lights To My Siren Dixie Wardens, Inc.** You're The Lights... Sebastian had one rule. No women on the back of his bike. Period. The one time he broke that rule, he killed the woman that was carrying his child. Then comes Baylee Roberts. She makes Sebastian want to break every single rule he'd ever implemented. Hell, but she even makes him consider that dreaded H word. A helmet. To My... Baylee Roberts innocently walked into her bathroom never expecting that she'd find a man in there. It is her bathroom after all, and she lives alone. From the instant he placed his hat on her head to protect her from the sun, Baylee's mind becomes filled with thoughts of a certain biker. She really shouldn't go there. There's no telling what kind of dangerous things he does for The Dixie Wardens MC. Siren... Nothing is ever as easy as it should be. Their relationship's one of them. Baylee's brother is a cop. Baylee's father is a cop. Which inevitably means that Baylee's going to have certain hang-ups about being with a man like himself. Sebastian has a lot on his plate with his busy job as a firefighter, a single father, and the vice president of The Dixie Wardens MC. Not enough, though, to keep him away from Baylee. When a series of arsons rattle their hometown and puts Sebastian's life on the line, Baylee finally realizes the only fire Sebastian can't put out is the one inside her heart. **Keys to My Cuffs Createspace Independent Publishing Platform** You're the Keys Loki's life was a lie. Everything he'd done for the last eight years was under an assumed name for the Benton Police Department. He'd lied, cheated, and stolen all in the name of the law. He wore himself thin, and not even the open road could take away the pain anymore. Then his little next door neighbor moved in, and suddenly he had a reason to get out of bed every morning. Except he was an officer of the law, and a member of a prominent motorcycle club in the area, The Dixie Wardens MC. Neither of which she could deal with. To My It wasn't the scars that covered her new neighbor's body that scared Channing. It was the badge. The fact that he belonged to The Dixie Wardens MC was only icing on the cake. She should be running away as fast as her legs could carry her. But there's something about Bryce 'Loki' Rector. Something that eased the unreasonable fear she felt every time she came into contact with something that reminded her of her past. Cuffs They say love isn't easy, and it definitely isn't for the two of them. Loki has to learn to feel again, and Channing has to learn to live. Their road isn't an easy one by any means, but Loki makes two promises. One, he'll never let anything hurt Channing. Two, it'd be over his dead body that he'd ever let her go. **Last Day of My Life CreateSpace** Her She's the definition of lost. Doesn't know her name? Check. Cruelly beaten within an inch of her life? Check. No memory of anything that's happened since she woke up from that beating? Check. Losing a child she doesn't remember conceiving? Check. She hasn't felt anything but lost in a very long time. Then an old biker tells her danger is on the horizon. He sends her to a man that she instantly feels a connection with. A bone deep connection. Him He's the definition of despair. After the death of his young wife while on a tour of duty in Afghanistan, he hasn't seen the appeal of participating in the world around him. He's lost the only thing he ever loved. He's been a shell of the man he once was. His only escape from reality is feeling the wind in his hair, going as fast as he can get his old Harley to take him. That's the only time he can push his demons back far enough to feel peace. That is until she screams his name. **Life to My Flight Createspace Independent Publishing Platform** You're The Life Cleo's a Pararescueman for the U.S. Air Force. When a PJ is called, it's because everyone else has said no. It's one of the most dangerous jobs in the entire military, but also one of the most rewarding. It's the reason he doesn't form relationships. He's seen his teammates divorce one by one, and he doesn't want to do that to a woman. Especially one that he's supposed to love. However, nowhere in his grand scheme did he plan for the force that was Rue. To My Rue's life has been rough. What she needs is a break. One that'll distract her from the fact that she's drowning in responsibility. It comes in the form of a dark and dangerous biker who has a habit of putting his life on the line. He gives her the world, and she holds on with both hands, knowing that he only wants to be friends. Or does he? Flight Thinking she knows what's best, she pushes him too far, causing his control to take flight, and Cleo to disappear before the dust settles. One night of passion turns into a year of heartbreak as Rue tries to find the ability to move on from Cleo. He was pretty clear with his wishes, and they didn't include her. Cleo's not through with Rue, though. Not even a little bit. She'll be his. All it'll take is a little bit of...persuasion. **I'm Only Here for the Beard Createspace Independent Publishing Platform** Sean is a man with needs-needs that a lot of women were ready and willing to fulfill. Yet, the only woman that he wants to fulfill them dumped him for another man. A man who's a member of his MC and is someone he has to see every single day and twice on Sundays. He's bitter and angry. He's definitely not in the right frame of mind when it comes to dealing with women. Which is unfortunate for his new partner, Naomi, a fresh-out-of-school and totally green paramedic. --- Naomi's got enough problems on her plate. A brother who's self-destructive and doesn't care who he takes down with him. A man who she's in love with but who doesn't love her. A job that she hates because it is a constant reminder of what she can't have. Desperate to distance herself from her problems, she runs, taking the first job in her field that she finds willing to take on someone with so little experience. The last thing she needs is a perpetually pissed off partner, especially when he sets her blood on fire. But life doesn't ask how much you can handle when it dishes out challenges. It just keeps piling them on until you've bested them or you've buckled under them. --- Sean really doesn't want to like his new partner, Naomi. He just wants to be left alone to live his life however he damn well pleases and without complications. Naomi doesn't care what he wants, she can't be anything but herself. It isn't long before she's breaking down his walls and making him feel again. She's trying to pull him closer and he's pushing her away. It's not long before Sean sees the error of his ways. It's too bad, though, that by the time he realizes she's the one, Naomi's already gone. **One Chance, Fancy Benson Bayou Beauregard** is the president of the Bear Bottom Guardians MC, and the grandson of the Sergeant at Arms for the Dixie Wardens MC. He's a mountain of a man and the warden of a prison, and there's only one thing that can scare him—being told that he's the father of a three-year-old little girl. A three-year-old little girl that has no clue who he is. Hell, he only finds out about the little cherub when a woman from child protective services comes by and rocks his world before leaving the girl in his shocked arms. Every single thing he thinks he knows goes up in a cloud of smoke. To make matters worse, the woman that he's been trying to convince to give him a chance takes one look at the little girl and tells him that he's just not in the right place to handle both of them. But Bayou was never one to back down from a challenge. He can handle a three-year-old girl that acts exactly like him, and he can more than take on the fiery red-head that sets flame to his blood while he's at it. **Beard Mode Createspace Independent Publishing Platform** Aaron 'don't ever call me Fatbaby' Sims is lucky to be alive. Or at least that is what everyone keeps telling him. He doesn't feel lucky, though. He's scarred, has more than a little bit of a bad attitude, and there isn't a single day that goes by that he doesn't wish his wife would've just finished off the job. After being denied his old position at the fire department, he leaves, and doesn't look back. He heads straight to Alabama and into the semi-welcoming arms of The Dixie Wardens MC. There he becomes a part of a brotherhood that forces him to get back in the land of the living. --- Imogen is a smart girl. A girl who doesn't always make the best decisions. Her heart is in the right place when she walks into that prison, but it doesn't take long for her to realize that her heart shouldn't have had any say so in the matter. Especially when one wrong move lands her in the arms of a scarred man that looks frightening enough to scare any sane woman away. Immediately enthralled by the angry man, she tries to get closer to him. But the harder she tries to get to know him, the further he pushes her away. --- The only thing Aaron wanted to do after his now ex-wife was sent to jail was escape. Escape the awful memories. The pity-filled eyes. The curious glances. He does a damn fine job at ensuring he draws as little as attention as possible, but then that annoying woman with her startling blue eyes starts hammering away at his resolve. Makes him feel when he doesn't want to feel. Imogen comes into his life and carves out a place for herself, obliterating his defenses one heated kiss at a time. **Counter to My Intelligence Createspace Independent Publishing Platform** Silas Mackenzie, the president of The Dixie Wardens MC, is well on the way to middle age, has three grown children, and he's lusting after a woman he should definitely stay away from. Especially one that his ex-girlfriend had given birth to, and happened to be only twenty seven years old. Sawyer isn't a young girl at heart, though. She's just been released after eight years in jail, paying for a crime she didn't commit. Mackenzie knows as soon as he sees her that the girl has sacrificed enough. And maybe ... just maybe ... so has Silas. It's time for him to get what he deserves, and put a little bit of happy back into Sawyer's world, one rough, bearded kiss at a time. **I Don't Dance Createspace Independent Publishing Platform** Her Blaine didn't understand the true meaning of lonely until she spent her first Christmas away from her husband. She was never one to believe in love at first sight. Then she met Elliott while he was on leave from the Army. From that moment on, they loved fiercely, and never wasted a day. She knew that deployment was a very real possibility... one that scared her to death. Him When the orders are handed down, he has to go, leaving his new wife at home while he risks his life half a world away. Elliott did his best. He loved Blaine with his whole heart, but he had a responsibility to his team and to his country. Regrettably, that meant being away from Blaine Christmas after Christmas, year after year. Her Blaine made the best of her situation, and did what any good military wife should do, even if it tore her to pieces to do it. She stood by her man. Years go by, but one thing holds true. They're meant to be. Blaine and Elliott have a love like no other, and time and distance will never change that. ***This is a novella meant to be read as a companion to the Freebirds series. I recommend you read the Freebirds series before you read this book. *** **For the Love of Beard** Tobias knows that women are a lot of trouble, and one in particular is more trouble than most. Yet even with the knowledge that she's a pain in the ass, he doesn't stop himself from doing the one thing he knows that he shouldn't do-fall in love with her. It's supposed to be simple. Get in, get the girl, and get out.What Tobias isn't supposed to do is fall for the woman he's supposed to rescue. But he can't help being intrigued-and amused-by the defiance rolling off Audrey every time he so much as speaks to her. This fascination only intensifies with every single word from her delectable mouth.***It's been six years since her assault, yet it feels like it happened just yesterday. Audrey's sick and tired of feeling so useless. She's had enough of being scared, she doesn't want to be all alone for the rest of her life. All of that boils down to a woman who's had enough of not doing anything to reclaim her life.She's at a loss as to how to move on, and every attempt

she makes results in failure. Just when she's ready to quit, a sexy biker is there to push her out of her comfort zone. Under Tobias' patient guidance, Audrey slowly makes her way back to herself. She lands a job that she adores, and she thinks she's finally found her place in this world. Most surprisingly, though, she finds herself falling in love with a man that honestly scares her to death. Just when she vows to take that final step that'll put her past in her past forever, the life she wants to live is yanked away. Leaving her with nothing to pick up the pieces. **Beard Up Createspace Independent Publishing Platform** Ghost [gohst] noun: the soul of a dead person, a disembodied, vague, shadowy spirit wandering among or haunting living persons; a mere shadow or semblance; a trace. That noun sums up Ghost and what his life has become with painful precision. He is barely living, merely existing but never thriving. There wasn't much that could pull him from the darkness he willingly inhabits...except one thing. Her. She is the reason he's done what he's done, and his life has become what it has become. He haunts his former life, lurking in the background, surviving on occasional glimpses of the only thing good that is left in his miserable life. The horror he has inflicted upon her is nothing compared to the terror that waits for her when someone moves in to take her from him. The thing about being stuck in the past is that it is like walking through life backwards. She is always looking back, so she doesn't see what is happening in front of her. Unfortunately for her, it turns out that the ghosts of the past aren't nearly as terrifying as the monsters of the future. They say that true love is like a ghost, something that many talk about but few have seen. It's a good thing for that, too, because he'll need that element of surprise to protect her. Hopefully when the dust settles, he'll be able to resurrect more than just himself. **Kevlar to My Vest** You're the Kevlar...Behind the badge and the pretty face was a heart. A heart that bled just like the rest. A heart that was so in love with Viddy Sheffield that it was humiliating. Trance had been burned before by a woman that couldn't handle the fact that he risked his life each and every time he went on shift. She was too vulnerable; somehow he had to convince his heart to let her go. His life would chew her up and spit her out. To My...Viddy couldn't get the man out of her head. Just the thought of Trance put a smile on her face. And when he walked into the same room? Words couldn't explain. God help her, but she was even in a relationship with another man. She shouldn't be thinking about the sexy biker with the voice that made shivers dance down her spine. Vest...Then the unthinkable happens, and the sexy cop she can't stop thinking about is there for her, giving her what she never knew she needed. One moment in time, and she finds herself falling for the man, lock, stock, and barrel. The two of them have a lot of work to do to make this relationship succeed. What they didn't know, however, was that there were people behind the scenes that were working to keep them apart. Sometimes the saying is true. You can't always have what you want. **American Kennel Club Stud Book Register Fear the Beard Createspace Independent Publishing Platform** Tally is a twenty-year-old single mother struggling to finish nursing school. Has she made mistakes in life? Sure, but her daughter isn't one of them. She works hard, she studies even harder, and she's only a few weeks away from graduating. She's living her life the best she knows how when she witnesses a near miss motorcycle accident between a car and a biker. A biker that happens to be the most talked about teacher at her college. The moment she meets those startling blue, narrowly-escaped-death eyes, she realizes quickly that life as she knows it has changed. No longer will she be content to let life pass her by, even if it puts everything she's worked so hard for in jeopardy. *** Tommy is a highly skilled doctor. A teacher. A veteran. A fully-patched member of The Dixie Wardens MC. He's lonely, but also set in his ways. What will it take for this man to accept that he needs to make some changes in his life? Apparently, it'll take a guy in a truck, who's preoccupied with his phone rather than focused on the road, nearly plowing into him on his bike at seventy miles per hour. Oh, and a twenty-something year old nursing student witnessing the entire thing from only a few feet away. It only takes a second, a single heartbeat in time, as he looks into her worry-filled eyes to realize that he'd give anything for a single night with her. He may lose his job in the process, but after that one incredible night turns into an amazing weekend, he knows it's worth the risk for the promise of her forever. **F-Bomb** You murder a man, and all of a sudden people are scared of you. Slate Solis went from being a guy that people went to in times of need to an ex-con that people crossed the street to avoid being too close to. He knows he's done wrong, but out of all of his sins, only one really bothers him—coveting thy neighbor's wife. Harleigh Belle—the cute little lady that never gives him a second glance. After seeing her for the first time while he was in prison, she's stayed on his mind for three long years. Each time she comes in to visit with her friend on family day, he can't help but stare. Then the day comes that he's set free, and he's almost disappointed that he'll never see her again. Except fate has different plans. He hasn't been back in his house for more than three hours when he sees her. Harleigh Belle in all her glory...oh, and her husband that is everything Slate isn't. He tells himself that her being fifty feet away from him, all day every day, is a complete coincidence. One that he shouldn't take advantage of. The more time passes, the harder it gets to stay away. Until one day, and one very ill-timed thunderstorm, ruin everything. Who knew that baby-making-weather was a real thing? **My Bad** Hoax knows two things very well. One, he's not relationship material. Two, the nurse that treats him for erectile dysfunction is the most beautiful thing he's ever seen, and practically has 'the marrying type' stamped on her forehead. Does that stop him from wanting her? No. Unfortunately, he learned a long time ago that Army Delta Force and long-lasting relationships don't go hand in hand. But beautiful hazel eyes, curly blonde hair, and the prettiest lips he's ever seen play havoc with his resolve, making him forget his earlier convictions. All it takes is one teeny, tiny kiss for every shred of control he has to disappear, along with the problem in his pants. Soon he finds himself doing things that he knows that he shouldn't. He doesn't know that he's found the woman that's meant to be his. Nor does he realize that her father is the man he's idolized from the moment he joined the army at the age of eighteen. Because, maybe if he had, he would've tried a little harder to ignore the pull he felt between them instead of making her his the night before he deployed for six months. He also might've tried a little harder not to knock her up. **Hebrew Gospel of Matthew Mercer University Press** "The present book is a revised edition of The Hebrew Gospel of Matthew according to a Primitive Hebrew Text (1995) in which the Hebrew text of the Gospel of Matthew as it appeared in Even Bohan is printed, accompanied by an English translation and an expanded and thorough revision of Howard's critical analysis. An important thrust of this new edition is to establish that the Hebrew Matthew of the Even Bohan predates the fourteenth century. It shares many readings with ancient Christian writings, some of which were lost in antiquity only to reappear in modern times. These included Codex Sinaiticus, the Old Syriac version, the Coptic Gospel of Thomas, and a host of others. Howard also analyzes the language, artistic touches, and theology of the Hebrew Gospel. Perhaps most significant are the portraits of Jesus Christ and John the Baptist depicted in the document. Both portraits belong to an early form of Jewish Christianity -- lost in antiquity -- in which the Baptist plays a salvific role in the redemption of humanity and Jesus operates as a divine solicitor and judge."--Back cover. **It Happens** Zee + Annmarie and Tan + Jubilee. Forever. No exceptions. They were to have the picture-perfect life together. Everything was all planned out. Jubilee was to marry Eitan and Ezekiel was to marry Annmarie. That's how it was always supposed to be from the moment that they met. Textbook, right? Wrong. Eitan and Annmarie die in a freak accident that never should have happened, leaving the two survivors reeling. Sixteen years later, Jubilee and Zee can't even be in the same room with each other before things begin to deteriorate. Too many memories. Too much pain. Not enough forgiveness. They're like hellfire and holy water, and neither one of them is willing to admit that they're wrong. Then one day things change, and all of a sudden, they're looking at each other like maybe they aren't each other's enemies after all. **Another One Bites the Dust CreateSpace** Her I wanted him, but couldn't find the courage to have him. You know that feeling, the one where you're too scared to go to sleep, too scared to go out, and too scared to do anything? Ever since my assault, I've been functioning, but not living. That was until I met that motorcycle riding man with such a deep gravelly voice that it sent shivers down my spine. He helped me through some of the darkest moments of my life. Him She was a cock tease pure and simple. Or so I thought. What I believed to be a game on her part, turned out to be a bone deep fear of everyday life. We helped each other cope, and slowly our friendship turned into something more. Them Circumstances broke the two of us apart just as we decided we wanted to be together. A vengeful woman sets out to ruin Max and anything he holds dear in his life. Payton has gone through so much in her life that enduring one more thing just might break her. Only Max taught Payton a few things. Never hold back. Never hesitate. Do something stupid, and always learn from your mistakes. Together, they can overcome anything. **Maybe Don't Wanna Dixie Wardens, Inc. Hunted Wolf Stacy Clafin Mess Me Up Dixie Wardens, Inc.** When Rome Pierce moved to Bear Bottom, Texas, it was his intention to lay low. To not be seen. To find a way to heal his body and soul—as well as his son's. Nobody would know by looking at him that he used to play professional football. Not with the Bear Bottom MC cut covering his back, and definitely not with his friendly smile completely obliterated. No longer is there charm in each smooth word that comes out of his mouth. What's left is an angry, bitter, scared man that's terrified one day he's going to wake up and his entire world is going to be gone. Nobody knows what drove him to leave the game he loved—nobody but her. She's the one person that has helped him make it through the dark days and even darker nights. She's the bright and shining star in his pitch-black sky. And he doesn't even know her name. He should be afraid that she knows things that not anyone—not even his best friend—knows. Yet, with each encounter, he gives what little bit of his soul remains, and before he knows it only two people on this earth—one dying, and one too afraid to live—make his life worth living. Until one day he has to choose—the love of his life, or the life he brought into this world. Two impossible situations. One decision that would change him forever. **Counter To My Intelligence Dixie Wardens, Inc. Halligan To My Axe Dixie Wardens, Inc. Nyasia Sylvester 2 CreateSpace** A book of amazing images of Top Model Nyasia Sylvester by award winning photographer Thomas Churchwell **Flash Point Createspace Independent Publishing Platform** Masen Crisfield fell in love with Booth Jones when she was sixteen years old. Booth was the love of her life. The rock she needed to get her through the day. Then she rips his heart out while he's deployed, leaving him wondering just what he'd done to warrant something so severe as a breakup that neither of them wanted. Stubbornness is their middle name, and ten long years pass before either one of them try to breach the gap. Circumstances force Booth to come home, and within an hour of him being back in his home town, there she is. Right back in the forefront of his mind where he knows she shouldn't be. The day he starts his first civilian job at Kilgore Fire Department, his worst fear of seeing Masen is realized. And not only does he see her, but he sees her with another man. A fellow firefighter that he has to trust with his life. It soon becomes apparent that they are both still just as much in love with each other now as they were the moment they met. But there's a problem. Booth's married, and Masen's in a committed relationship. They fight the pull with everything they have, but they're both about to learn the true meaning of flash point as their lives crash together. Their love consuming everything in its path. **Raven & Ice Independently Published** He's a pro at protecting others, but can he protect his heart? She had no choice but to move on with her life during my six-year deployment and has now married Eric. I hate him for taking her from me. I'd prefer to wallow in my depression and heartbreak, but the whole damned world wants a piece of the SEAL Team leader who helped capture the world's most-wanted terrorist. I need help handling the relentless requests, and when Ava sends her new sister-in-law to manage the media circus for me, I'm prepared to hate her on principle. Her brother took my Ava. What else do I need to know about her? Julianne It takes five seconds to realize Ava's ex is going to be the most complicated and difficult client I've ever had, but the opportunity to represent the most celebrated man in the world could make my career. I'm determined to do the job, even if I dislike John from the moment I meet him. And I like everyone. So much so that my brothers worry about me being exploited by those who would take advantage of my unwavering love for others. But John... He's in a class by himself, and his bitterness is a festering wound that I begin to wish I could somehow fix for him. The more time we spend together, the more our mutual disdain morphs into something that feels an awful lot like desire. There's no way I can want this man, or so I tell myself, and when Eric finds out I've developed feelings for the man causing trouble in his new marriage, well... That's going to be a hot mess. Praise for Five Years Gone: "I will never be the same after reading this book." —5 stars from As You Wish Reviews "There is not a doubt in my mind that this book will be one of the top books of 2018 for me." —5 stars, Julie from Hey Girl HEA "A gut-wrenching emotional roller coaster, Five Years Gone was an incredibly moving novel about the sacrifices we make for the ones we love." —4.5 star review from Harlequin Junkie "The stars take turns telling the fast-paced story from their points of view in Force's hard-to-put-down tale." —review from Booklist "Five Years Gone is a story of loss, love, and above all strength. I am in awe with this book and cannot get it out of my head. MUST READ FOR 2018!" —5 stars from Crystal's Book World "Force entices with heartbreak, but inspires with tales of courageous sacrifice and hope. If truth is more powerful than fiction, Ms. Force blurs the line between the two." —5 Stars from Isha Coleman "An incredible moving novel. This story is all about the characters, and what wonderful, developed characters they are. Story is told in multiple POV and it gives you all the feels. This is a gut-wrenching rollercoaster that leaves you feeling for the characters ...feelings of heartbreak as well happiness and hope. I'm eagerly awaiting the sequel to this brilliantly told story." —5 stars from Lisa at Comfy Chair Books **Controlled Burn Createspace Independent Publishing Platform** July Dupree and Dean 'PD' Hargrove fell head over heels in love. When PD comes home to tell July the good news about joining the SWAT team as a tactical medic, everything changes. July can't fathom why PD would want to be a cop in this day and age. Wasn't it enough that he already had a dangerous job with the fire department? Now he has to add another, even more dangerous, job to the equation? With so many cruel people in the world who make a sport out of hurting cops just because of the badge they wear, she has to make him understand. But when he refuses to listen to her reasoning, she feels she has no other choice but to issue an ultimatum: her or the SWAT team. Dean doesn't like ultimatums. He's furious with July for putting him in the awful position of having to choose between a dream and her. July never believes for a second that he'd choose the SWAT team over her, but she is wrong. A year later, they're both still in love with each other, but neither one is willing to budge regardless of their feelings. July's feelings for Dean haven't changed, in fact her love for him has only grown. But seeing him living his life seemingly unaffected by the loss of what they had breaks her heart over and over each time she sees him. Dean has a good poker face,

though. He's just going through the motions of his life until finally, the smoldering embers of his feelings erupt into a full-on blaze of emotion, burning through everything but his love for July. When the smoke clears, Dean wants to know if they can reignite the fire of their love or is he destined to live his life in a constant state of controlled burn? **No More Wasted Time Beverly Preston** After losing her husband to a sudden heart attack, Tess Mathews escapes to Bora Bora to lay her husband and sorrow to rest. What she doesn't expect is a new beginning. Tom Clemmins is an A-list actor whose life revolves around work and an onslaught of women. He travels to Bora Bora for a much-needed break. Tom has a few ideas of how he'll enjoy his vacation, but love isn't one of them. Until he sees Tess. Reserving a private shark-feeding excursion to scatter her husband's ashes into the lagoon, Tess is furious when Mr. Hollywood bribes his way onto the boat, leaving her no other choice but to share the boat ride. Tess is torn between tremendous guilt and zealous lust when their boat ride turns into a week full of romance and desire neither thought imaginable. Utterly smitten with a woman for the first time in his life, Tom casts his commitment phobia aside and whisks Tess off to Malibu where he introduces her as his "girlfriend" on the red carpet. As the paparazzi besiege, can Tess survive the media blitz that ensues in order to find her second chance at love? **Blossoms & Steel Independently Published** Chloe Lockwood's legacy balances on a tightrope. Her nemesis holds the rope. As the sole heir of Lockwood Blooms, the flower farm is Chloe Lockwood's priority. After her father suffers a stroke, Chloe takes the reins. She's confident in her skills growing the most beautiful blossoms in the Pacific Northwest, but keeping the farm her great grandfather began from sinking? Insecurities get the best of her. Kipling Harris dreams of proving himself without his wealthy father's help. He's well on his way, two thousand miles from home, when an opportunity returns him to Seaside Pointe. Harris Development is Kip's if he finds peace with returning to small-town living and his father's side after seven years away. Kip and Chloe are the latest in a generations-long feud. They grew up with the stories and added fire to the disdain, until one moment, they swore changed nothing. A thin line exists between love and hate. Kip and Chloe are about to discover how fragile that line is. **Blossoms & Steel** is the first installment in a four book series. While the romance stands alone, the plot continues in the following novels releasing throughout the remainder of 2021. **Copper & Ink** A weekend camping trip with friends unveils their attraction. What will one week expose? Brynn Harris lives an idyllic life until love deals her a wicked hand. Crushed, she returns to Seaside Pointe and barricades her heart. The plan works well for two years until a weekend spent around her brother's former college roommate sparks a complicated attraction. The tattooed and pierced Hayden Fox is nothing like the men from Brynn's past, but their differences don't lessen their chemistry, especially when Hayden spends one week in Seaside helping Chloe Lockwood on her flower farm. Hayden has no plans for a happily ever after he doesn't think he deserves, but when the tempting redhead shows up for a dinner among friends, desire wages a battle. Soon, the lines between physical and emotional blur. With relationships on the line, Hayden and Brynn must reconcile their damaged pasts. Past not yet finished with them. This is the second installment in a four-book series. While the romance stands alone, the plot is a continuation of events that occurred in book 1: **Blossoms & Steel**. It is recommended you read the series in order. **Rebel Entangled: Embrace** She's Penna Carstairs. The Renegade they call Rebel. *FMX-treme Magazine's* sexiest female athlete of the year.
