Lessons in Electric Circuits: An Encyclopedic Text & Reference Guide (6 Volumes Set) [Koros Press](#) **How to Write an Exceptional Thesis Or Dissertation A Step-by-step Guide from Proposal to Successful Defense** [Atlantic Publishing Company](#) **According to the Council of Graduate Schools, only 57 percent of students who start their Ph.D.s complete them within ten years, and many times itâ€(tm)s the thesis or dissertation that is holding them back. In this book, you will gain insight regarding the entire research process, from organizing your literature and materials most effectively to analyzing and evaluating the big picture for defense. You will learn how to locate and recognize a topic that is appropriate for your thesis or dissertation, and you will discover how to expand on the subject matter to ensure itâ€(tm)s unique and distinct from any other research out there. This book will ensure that your argument is strong, sound, and persuasive throughout your entire thesis or dissertation, from the introductory chapter through the summarizing conclusive statements, and you will learn how to do so without plagiarizing or cutting corners. You will master how to write ethically, objectively, and properly according to your academic subjectâ€(tm)s standards. With this book as your guide, you will even find out how your research can take you from a proposal to a published writing career. With this book, you will learn everything from the ground-level basics to the more detailed breakdown of the research process. You will gain a strong understanding of the difference between a thesis and dissertation, and you will grasp the components expected of your work â€" regardless of the subject matter of your research. This book will walk you through the entire process step-by-step, teaching you how to structure a planning and writing schedule that will keep the process manageable and not overwhelming. Every book has resources, contact information, and web sites of the products or companies discussed. Introduction to Programming with Visual Basic .NET** [Jones & Bartlett Learning](#) **Introduction to Programming with Visual Basic .NET** introduces the major concepts and applications of this important language within the context of sound programming principles, in a manner that is accessible to students and beginning programmers. Coverage includes the new visual objects required in creating a Windows-based graphical user interface, event-based programming, and the integration of traditional procedural programming techniques with VB .NET's object-oriented framework. The text places a strong emphasis on real-world business applications, case studies, and rapid application development to help engage students with discussion of practical programming issues. A full range of supplements for students and instructors accompany the text. Heinz Kohut and the Psychology of the Self [Routledge](#) Heinz Kohut's work represents an important departure from the Freudian tradition of psychoanalysis. A founder of the Self Psychology movement in America, he based his practice on the belief that narcissistic vulnerabilities play a significant part in the suffering that brings people for treatment. Written predominantly for a psychoanalytic audience Kohut's work is often difficult to interpret. Siegel uses examples from his own practice to show how Kohut's innovative theories can be applied to other forms of treatment. Invitation to Classical Analysis [American Mathematical Soc.](#) This book gives a rigorous treatment of selected topics in classical analysis, with many applications and examples. The exposition is at the undergraduate level, building on basic principles of advanced calculus without appeal to more sophisticated techniques of complex analysis and Lebesgue integration. Among the topics covered are Fourier series and integrals, approximation theory, Stirling's formula, the gamma function, Bernoulli numbers and polynomials, the Riemann zeta function, Tauberian theorems, elliptic integrals, ramifications of the Cantor set, and a theoretical discussion of differential equations including power series solutions at regular singular points, Bessel functions, hypergeometric functions, and Sturm comparison theory. Preliminary chapters offer rapid reviews of basic principles and further background material such as infinite products and commonly applied inequalities. This book is designed for individual study but can also serve as a text for second-semester courses in advanced calculus. Each chapter concludes with an abundance of exercises. Historical notes discuss the evolution of mathematical ideas and their relevance to physical applications. Special features are capsule scientific biographies of the major players and a gallery of portraits. Although this book is designed for undergraduate students, others may find it an accessible source of information on classical topics that underlie modern developments in pure and applied mathematics. How to Prepare for the Virginia SOL High School Exit Exam in Algebra I [Barrons Educational Series](#) This brand-new manual provides high school students throughout the state of Virginia with in-depth preparation for the required Algebra I exam. The authors present an overview of the test, provide a calculator tutorial, and introduce algebraic expressions and operations. Following chapters offer review and practice in equations and inequalities, relations and functions, and statistics and data analysis. Also included are three full-length practice exams with all questions answered and explained. Integrative Manual Therapy for Biomechanics Application of Muscle Energy and "Beyond" Technique [North Atlantic Books](#) Integrative Manual Therapy uses soft tissue work and joint mobilization. People suffering from pain and disability have significantly regained health through this innovative therapy. This comprehensive manual addresses all phases of assessment and intervention for biomechanical dysfunction. It features inventories of signs and symptoms; procedures; 300 photos and 100 illustrations; and tried methods for integration. Human Growth Hormone Pharmacology Basic and Clinical Aspects [CRC Press](#) This book addresses a wide range of basic and clinical issues in the physiology and pharmacology of growth hormone. The volume is organized like a textbook. It begins with factors contributing to GH gene expression, the functional relationships of the GH receptor, molecular biological analysis of the GH-GH receptor complex and proceeds to describe the insulin-like growth factor axis. Transgenic models are discussed for analysis of discrete effects. These discussions provide a bridge to clinically oriented discussions of growth abnormalities in GH deficient children, GH insensitivity due to deficiency of the GH receptor, and the concept of aging as a GH/IGF-I deficiency state. Discussions also include the immune system as a source and a responder to GH, GHRH, IGF-I and the effects of GH excess. How to Make a Million Dollars As a Massage Therapist The Secret Formula to Success Revealed! [Createspace Independent Publishing Platform](#) Massage therapists are millionaires waiting to happen. Each and every massage therapist has the capability of becoming a millionaire through various business opportunities. This book, "How to Make a Million Dollars as a Massage Therapist" depicts the opportunities available to massage therapists that compliment their core business services. This book does NOT promote MLM opportunities, rather, additional forms of social, promotional and income-generating activities that promote incredible wealth and ongoing income every single month - even while a massage therapist sleeps. This book shows you EXACTLY how to accomplish all of that, while making a million dollars in a reasonably short amount of time (1-2 years). Learn about how to start collecting email addresses on your website, branding, identifying your ideal client, advertising on a budget, ways you can advertise your site for free, how to increase traffic to your website, the millionaire formula (chapter 3) that shows all the different avenues of income available to you that you should be taking advantage of, time management and delegation so you only work a reasonable number of hours per week, word of mouth advertising, referral networks, business to business advertising, how to make money while educating other people, how to expand on your current service and product offering, staying efficient and productive, how to benefit charities while making a lot of money in the process, how to write an eBook, pay-per-click advertising and how to keep your ad costs to a minimum, secrets and tips (best practices) to using each social media channel like Pinterest and Instagram, creating the best videos for your business, app development, making a membership-only section of your website, self-care, unique selling propositions, how to sell, cross-selling and upsetting, how to get people to share your posts, how to sell to women specifically and how men choose to buy things, and much more. Learn about what you, as a massage therapist, need to do to correct your marketing plans, how you are leaving money on the table with each and every service, how you can educate others and earn thousands of dollars even if you're in a massage session or sleeping, how to promote your business without discounting services, how to drive traffic to your website without spending a fortune, and much, much more. This book focuses on diversification of income-generating opportunities, including how to be efficient, delegate and be incredibly productive. You can make money through self-care, too! Build expertise, improve your reputation dramatically, build an unbelievable following on social media, and be a creator of amazing materials and avenues of media for your clients and the world to benefit from. Pick and choose which channels of income work best for your business in the formula initially while you get other creative elements ready for sale to compliment your business! Key Concepts in Social Gerontology [SAGE](#) "Far from a dictionary, the concepts are portrayed as complex, and conflicting definitions and usages are both noted and evaluated... Each article includes a (necessarily selective) set of references, and cross-references to other concepts included in the book... Moreover, the coverage and evaluation of the concepts is right at the current leading edge in a rapidly moving field." - Victor Marshall, Department of Sociology and Institute on Aging, University of North Carolina at Chapel Hill "The concepts are very clear and very relevant, and fantastic for my group of undergraduate students... I found each concept to be succinctly and simply captured, holding enough information to satisfy initial cravings and complex enough to tempt further reading... I had originally thought that this book would provide supplementary reading as part of my 'Healthy Ageing' course, but have changed my mind to essential reading now I have had the opportunity to read the entire book." - Dr Meredith Tavener, Groningen University Social gerontology is a new and dynamic field reflecting the increasing interest in ageing across the world. This book provides a readily accessible guide to well established and contested issues, as well as new concepts emerging through cutting edge research in the discipline. The entries give concise, lucid knowledge on what constitutes the 'building blocks' of social gerontology and sets out a clear review of the core concepts, both classic and emerging, in this subject area. Each concept is explored in terms of its history, application, usefulness to theory and research, and significance in practice. They go beyond simple definitions of the concepts to look at how each issue has shaped the discipline of social gerontology today. This book is authored by social gerontologists from the UK and the USA. Together they present an interdisciplinary perspective and reflect a global approach to the presentation of key concepts in social gerontology. How Israelis and Palestinians Negotiate A Cross-cultural Analysis of the Oslo Peace Process *US Institute of Peace Press* Refreshing and revealing in equal measure, this innovative volume conducts a critical/self-critical exploration of the impact of culture on the ill-fated Oslo peace process. The authors negotiators and scholars alike demolish stereotypes as they construct an unusually subtle and sophisticated understanding of how culture influences negotiating styles. Culture, they argue, did not cause the Oslo breakdown but it did play an influential, intervening role at several levels: coloring the thinking of political leaders, shaping domestic politics on both sides, and affecting each side's evaluation of the other's beliefs and intentions. After an overview by William Quandt of the history of the Oslo process and the impact of international factors such as U.S. mediation, the volume presents a detailed analysis of first Palestinian, and then Israeli negotiating styles between 1993 and 2001. Omar Dajani, a former legal advisor to the Palestinian team, explains how elements of Palestinian identity and national development have hobbled the Palestinians' ability to negotiate effectively. Aharon Klieman, a distinguished Israeli analyst, traces a long-standing clash between diplomatic and security subcultures within the Israeli political elite and reveals how Israeli identity has helped create a negotiating style that opts for short-term gains while undermining the prospects for a lasting agreement. Drawing on these insights, Tamara Wittes concludes the volume by offering not only a fresh appreciation of culture's influence on interethnic negotiations but also lessons for future negotiators in the Israeli-Palestinian conflict. the surface than I ever thought possible... The Baker's Creek Billionaire Brothers series is a romantic comedy saga packed with the perfect mix of angst, tears, and laughs. If you like strong heroines & alpha males, steamy romances and witty love stories, this series is for you! Evidence Series Box Set Volume 3 [Janus Publishing](#) Three sexy, high-octane thrillers where archaeology and danger collide. The adventure begins in Poison Evidence as Ivy MacLeod finds herself at the center intrigue as spies vie for her advanced mapping technology in the midst of a tropical paradise. It continues in Silent Evidence as Hazel MacLeod finally gets the attention of the former Navy SEAL she's wanted for years. The only problem is the relationship is fake because he's really her bodyguard. In Winter Hawk, Leah Ellis is stranded in the nation's capital during the holidays without money, phone, or bed. All she has is a mysterious driver who might be after military secrets. Poison Evidence It was supposed to be paradise.... Ivy MacLeod has the perfect opportunity to test her advanced remote sensing technology: mapping a World War II battle site in the islands of Palau. The project is more than an all-expenses-paid trip to paradise. It's also an opportunity to distance her reputation from her traitorous ex-husband. But foreign intelligence agencies will kill to possess her invention, and paradise turns deadly when her ex-husband's vicious allies attack. In desperation, she turns to Air Force pilot Jack Keaton. But is he the bigger threat? Jack might be protecting her as he claims...or he could be a foreign agent. Her compass is skewed by his magnetic pull and further thrown off when she learns her own government has betrayed her. Stranded on a tropical island with a man whose motives remain a mystery, Ivy must decide who is the spy, who is the protector, and who is the ultimate villain. She longs to trust the man who rescued her, but she's risking more than her heart. Choose right, and she saves her country's secrets—and her life. Choose wrong—and she risks nothing short of all-out war. Silent Evidence The man of her fantasies is finally hers. Sort of... Two things haunt forensic anthropologist Hazel MacLeod: the bones of victims of genocide she examines for her work, and former SEAL Sean Logan's rejection. But within days of moving to her cousin's estate to take a much needed break, she finds herself faced with both. First, she's called in to examine a mass grave in Virginia, then, her politician cousin receives a threatening letter and insists Hazel needs around the clock protection—from none other than Sean Logan. To make matters worse, because the threat to her is classified, Hazel and Sean must pretend to be lovers to hide that he's her bodyguard. Sean has spent years trying to avoid his boss's sexy cousin, but now he's guarding her twenty-four seven and even bringing her as his date to a romantic destination wedding. As the heat between them intensifies, Sean can't lose sight of the danger that brought them together. But when bullets start flying, new questions arise. Are the senator's political rivals really behind the threat, or is someone trying to silence Hazel from speaking for the dead? Winter Hawk Raptor operative Nate Sifuentes isn't thrilled to find himself back on the job on the first day of his winter vacation, but he can't say no when his brother asks a favor. At least he'll earn an easy Christmas bonus—after all, driving a fired military contractor home after she's been escorted off base by military police can't be that hard. In a matter of minutes, Leah Ellis has lost everything, and now she's stranded in the nation's capital on the first night of Hanukkah without money, phone, or bed. All she has is a mysterious driver who might be after her technical knowledge of the US military's drone operations. The former Green Beret's protective instincts—and skills—kick in when he discovers the alluring AI engineer is being hunted. On the run, they escape the winter cold by generating their own heat, but will they find answers in time to stop a terror attack on Christmas Day? Doctoring the Single Dad [Silhouette](#) When she spied Lucas Wingate in the exam room, Nikki Connors was only too happy to take charge of his irresistible seven-month-old daughter. But it was the sexy widower who seemed more in need of Nikki's special brand of healing magic...and made her wonder whether she was in need of some romantic therapy herself.... Lucas wasn't planning to fall in love again. But the beautiful, caring pediatrician was suddenly making the single father realize what he'd been missing. All Lucas wanted was for Nikki to take a chance on him...on their future together. And now, thanks to one well-meaning matchmaker, the single dad just might get his wish! The Daddy and The Dom [Julia Sykes](#) MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? Keywords: MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult Greater Participant's Guide [Multnomah](#) Take Hold of God's Vision for Your Life. A Life that is GREATER. The Billion-Dollar Bride Hunt - Melanie Milburne What if the woman he wants...is the one finding his bride? When Matteo Vitale strides into matchmaker Emmaline Woodcroft's office, he has an unusual request. He must marry and father an heir if he's to inherit his family estate. After his first marriage ended tragically, what he needs is a wife who isn't looking for love! To understand her enigmatic client, Emmie accepts an invitation to his Italian villa. As she gets closer to the real Matteo, for once, she gives in to desire. The trouble is, Emmie knows she can't be the bride Matteo's looking for... Secrets of Cinderella's Awakening - Sharon Kendrick A night under the Greek sky...with a seriously sexy stranger! Marnie Porter craves an escape from the long hours at a luxury spa in Greece where she's working to help support her sister. And she may just have found it with one devastatingly handsome man — unaware he's billionaire businessman, Leonidas Kanonidou! Cynical Leon believes it's better to keep his distance from innocent Marnie, yet discovering his Cinderella needs urgent financial help prompts him to make a proposition. One with mutual benefits, including exploring her unleashed passion even as it threatens to incinerate his barriers... The Innocent Carrying His Legacy - Jackie Ashenden From desert warlord, to surprise father! Children? Not for illegitimate Sheikh Nazir Al Rasul, whose desert fortress is less intimidating than his barricaded heart. Until Ivy Dean appears on his doorstep...and he finds out that, through IVF, she's bearing his heir! Surrogate Ivy agreed to carry her best friend's baby. Then tragedy forces her to seek out the child's biological father. But when Nazir insists on her hand in marriage, she's shocked. Always unwanted, virgin Ivy didn't see a family in her future...much less with an iron-hearted husband who makes her burn dangerously hot! My Forbidden Royal Fling - Clare Connelly My deal with the billionaire...just got complicated! As Crown Princess of Marlsdoven I was taught honour, resilience, leadership...yet now I'm sitting in front of the most infuriatingly determined and sexy man, completely lost for words! Santiago del Almodovar wants to build his sordid casino on my land? Well, it's my duty to protect my citizens! But every syllable he utters awakens a raging hunger inside of me. Now he's demanding I go to Spain with him — alone — to see his empire and prove I'm wrong. Ruling a nation may be hard, but denying our chemistry? Unthinkable!
