### WHEN THE THUNDER COMES

---

Createspace Independent Publishing Platform In the rugged frontier of the 1887 Ozark hills, the scars from the Civil War are raw. Organized law has failed to protect its citizens. Lawlessness and chaos reign. Responding to murders gone unpunished and savagery of every sort, Dave Walker, a farmer and church deacon, leads a righteous vigilante group known as the Bald Knobbers on armed night rides to protect their families and way of life. In response, a sheriff of questionable scruples is appointed by the governor to end their activities and return order. Dave and his wife Sarah have two sons. Will is seventeen years old, full of fire and vinegar and recently voted second in charge of the Bald Knobber organization. Rube is eleven years old and a strange child. Vastly intelligent, Rube is beset with visions, bizarre behavior and spends his days speaking with animals. The troubled child has a tempest building within himself. Dave Walker's riders share the rugged timber with older and darker things. The mysterious Indian shaman Abraham White Tree seems made of shadow and fog. Shunned and hunted by his tribe and the white men alike, he practices the old ways and feels that Walker's son Rube is special; perhaps even the return of the ancient being from legend, The Thunder Helper. White Tree befriends the boy to help guide his spirit. The law, the government, honor and the code of the hills are set on a collision course. Their lives soon become a red-hot kettle, boiling over with violence and bloodshed before the nation's eyes. As the lines of justice and honor blur, can Dave Walker and his family, or even their society itself survive When The Thunder Comes?

### **THE DEFINITIVE TRANSLATION BY TAOIST MASTER ALFRED HUANG**

---

Simon and Schuster A revised edition of the definitive translation of the world's most important book of divination • More than 64,000 copies sold of the first edition • The first English translation from within the tradition by a Chinese Taoist Master • Includes translations of the Ten Wings--the commentaries by Confucius essential to the I Ching's insights Translated by the eminent Taoist Master Alfred Huang, The Complete I Ching has been praised by scholars and new students of the I Ching since its first edition. A native Chinese speaker, Master Huang first translated the original ideograms of the I Ching into contemporary Chinese and then into English, bringing forth the intuitive meanings embodied in the images of the I Ching and imbuing his translation with an accuracy and authenticity not possible in other English translations. However, what makes his translation truly definitive is his return to prominence of the Ten Wings, the commentaries by Confucius that are essential to the I Ching's insights. This 10th anniversary edition offers a thorough introduction to the history of the I Ching, how to use it, and several new divination methods; in-depth and easy-to-reference translations of each hexagram name, description, and pictogram; and discussions of the interrelations between the hexagrams and the spiritual meaning of their sequence.

## **CHINESE LEADERSHIP WISDOM FROM THE BOOK OF CHANGE**

---

The Chinese University of Hong Kong Press For centuries, the Book of Change (or the Yijing), has been consulted for sage advice at life's turning points. It differs from simple prognostication, however, in that it demands us to cultivate an understanding of the situation, the world, and most of all, ourselves; indeed, this understanding is essential for leaders of all times. MUN Kin Chok, a marketing scholar by profession, derives a rational approach to organizational leadership from the Book of Change. The yin-yang concept is illustrated according to contexts and characters of man. The sixty-four hexagrams and each of their six possible "nging lines" are analyzed in a clear systematic manner. Skeptical of oracle predictions, the author combs through different divination methods and utilizes them as tools to calculate risks and stimulate ideas.

## THE REVELATION UNLOCKED

---

Book Venture Publishing LLC Prophetic events in The Revelation of Jesus Christ have been locked from our understanding ever since they were given to John about AD 95. However, God has never intended that His people be in darkness during the fulfillment of latter-day prophecies. Daniel was told that the words of his latter-day prophecy were closed up and sealed till the time of the end. Then none of the wicked will understand, but the wise will understand. This is "the time of the end"! Now, at last, symbols in Revelation, as well as other parts of the Bible, are explained from Scripture in a way that can be easily understood. The Revelation Unlocked tells about the redemption of Israel and explains the series of events by which Almighty God will bring into effect His promises given in Genesis to Abraham, Isaac, and Jacob, ultimately revealing His supreme power over all creation. This enlightening, thought-provoking, and easy-to-read book includes many end-time details never before pointed out in scripture.

## **LIGHTNING AND THUNDER PRAYER BOOK**

---

GOD'S LINK VENTURES This is a unique prayer book written to liberate souls from captivity of darkness, and ensure they eat the fruit of their labour. Nothing pains like, after labour one is denied the harvest. I pray, your labour shall not be in vain. Amen. There are powers that are bent to see you work like elephant, but achieve nothing in life. They believe, they have license to do evil, cause havoc and bury destiny of people. They boast about and humiliate people, all in the disguise of they are powerful and unchallengeable. Today, your God shall arise in thunder and lightning to disgrace them and destroy their works. Never again shall they rise the second time. The power they wield shall become nothing before the Lord Almighty. The day is at hand, God will silence the enemy of your destiny. Every structure put in place to disgrace you or sink your destiny shall suddenly collapse. If you use this book with faith and pray the prayer with the aim to conquer and flourish, the Lord shall release lightning and thunder to silence your enemy. Never again shall you be devoured in the spirit. Those assign to devour you shall be devoured. This is the day your enemies will go into exile and never return. Those assign to plunder you shall be plundered, while those who make spoil of you will be despoiled. You are created to be the head and not the tail. Finally available, 75 years after its completion, Sokei-an considered the Sixth Patriarch's message an essential foundation for the transmission of Zen to America "I think the Sixth Patriarch never dreamed that his record... would be explained to Westerners in New York... I feel that I am in a valley between huge mountains, and that the ancient simple minded woodcutters, fisherman, monks and nuns who are living in the mountains have come to the place where they always make their gatherings, and that I am one of them now..."

## **KAMIT HENA NTORO - THE BLACK NATION AND DIVINITY**

---

Odwirafo Kwesi Ra Nehem Ptah Akhan KAMIT HENA NTORO - The Black Nation and Divinity The culture and people of ancient Khanit and Kamit (Nubia and Egypt) are Ancestral to Afurakanu/Afuraitkaitnut (Africans~Black People) all over the continent of Afuraka/Afuraitkait (Africa) and around the world. Archaeological data and genetic data when properly assessed has borne out the direct material and genetic link of contemporary Afurakanu/Afuraitkaitnut (Africans), inclusive of those on the continent and those who migrated or were forced to migrate outside of the continent, to the Ancestral culture and population of Khanit and Kamit which spans over 40,000 years. What is referred to as anthropological data is the third leg of a three-legged stool including archaeological and biological data which allows us to properly identify ourselves through time wherever we have existed in the world. However, anthropological data, inclusive of the study language, family organization, cultural and ritual customs and more is only revealing when a firm knowledge of the cosmology is attained. In Afurakanu/Afuraitkaitnut (African) Ancestral culture, knowledge of the cosmology is derived from the Ancestral Religion. Afurakanu/Afuraitkaitnut (African) Ancestral Religion is informed by the Deities, the Divine Spirit-Forces in Creation, who are directed by the Great Mother and Great Father, the Supreme Being, to engage the process of spirit-possession and spirit-communication... ..In this publication we address the nature of the identity of our people and our relationship with the Deities as codified in the ancient terms Kamit and Ntoro. These terms spelled in the medutu (hieroglyphs) typically without consonants: Kmt and Ntr define the 'Black Nation and Divinity'. We utilize the Akan language and culture to elucidate the proper meaning of these terms, their proper vocalizations and their etymological and cosmological foundations rooted in the Ancestral Religion of Afurakanu/Afuraitkaitnut (African~Black) people. This publication is the first to fully and properly define these terms.

**THE ASTRONOMY REVOLUTION**

---

---

**400 YEARS OF EXPLORING THE COSMOS**

---

CRC Press Some 400 years after the first known patent application for a telescope by Hans Lipperhey, *The Astronomy Revolution: 400 Years of Exploring the Cosmos* surveys the effects of this instrument and explores the questions that have arisen out of scientific research in astronomy and cosmology. Inspired by the international New Vision 400 conference held in Beijing in October 2008, this interdisciplinary volume brings together expanded and updated contributions from 26 esteemed conference speakers and invited others. Looking beyond questions of science to the role of moral responsibility in human civilizations, the book offers the unique vantage points of contributions from both Eastern and Western cultures. Extensively illustrated in full color, this book consists of six parts. Aimed at young scientists, the first part presents perspectives on creativity and technology in scientific discovery. In the second part, contributors examine how the telescope has impacted our knowledge of the Universe—from the formation of galaxies to the death of stars. The third part of the book outlines some of the challenges we face in understanding dark matter, dark energy, black holes, and cosmic rays, and the fourth part discusses new technologies that will be useful in attacking new and unresolved questions. The fifth part of the book examines the intellectual impact that the telescope has had on society in China and in the West. The book concludes with an investigation of "big questions": What is the origin of the laws of physics as we know them? Are these laws the same everywhere? How do these scientific laws relate to the moral laws of society? Does what we know depend on cultural ways of asking the questions? Is there life elsewhere? And what about the questions that science cannot answer? Celebrating the historical significance of the telescope, this unique book seeks to inspire all those involved or interested in the enterprise of astronomy as humankind continues the quest to unveil the heavens.
